Additional Placement of Securities

Mighty Kingdom Limited ("**Mighty Kingdom**" or "**the Company**") wishes to advise that it placed additional securities under the same terms as its capital raising as announced to the ASX on 17th October 2023. The additional securities will be allotted on Monday 30th October.

This additional placement to Sophisticated Investors will raise an additional \$181,500 being 18,150,000 shares at \$0.01 per share. The bulk of the proceeds were taken up by Gamestar Studios Pty Ltd ('Gamestar+') following an application for stock being received on the 24th October 2023. The stock taken up by Gamestar+ broadly represents a pro-rata share of the total capital raised against the percentage shareholding that Gamestar+ has paid for in full.

Proceeds from this additional placement will also fund working capital requirements while the company continues to pursue new, higher-return opportunities.

This release has been approved by the Board of Mighty Kingdom Limited.
