Dear Sir/Madam,

Redox Limited (ASX:RDX) (Redox), Price - Query

We refer to the "Price -Query" letter from ASX Compliance received on Thursday, 5 June 2025 ("the Letter"). In response to the Letter, Redox responds as follows:

1. **Is RDX aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

Redox's Response: No.

2. **If the answer to Question 1 is "yes":**

- (a) **Is RDX relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in RDX's securities would suggest to ASX that such information may have ceased to be confidential and therefore RDX may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.**

Redox's Response: Not applicable. Refer to RDX's response at Paragraph 1 above.

- (b) **Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).**

Redox's Response: Not applicable. Refer to RDX's response at Paragraph 1 above.

- (c) **If the announcement cannot be made immediately, why not and when is it expected that the announcement will be made?**

Redox's Response: Not applicable. Refer to RDX's response at Paragraph 1 above.

3. **If the answer to question 1 is "no", is there any other explanation that Redox may have for the recent trading in its securities?**

Redox's Response: Redox is not able to make any definitive statements as to the factors influencing the trading of its securities. However, Redox considers that the recent trading in its securities could be attributed to:

- RDX is covered by 5 sell-side analysts. The 5 sell-side analysts forecasts are tracked by Redox as an indicator of the market's earnings expectations. The 5 sell-side analysts provide forecasts of key measures of Redox's earnings for the full year ending 30 June 2025. Morgan Stanley is one of the 5 sell-side analysts covering Redox. We are aware that on Tuesday 3rd June 2025 Morgan Stanley revised their forecast lower, citing external macro-economic factors that are well known in the market.
 - low levels of liquidity in Redox's securities magnifies any movement up or down; and
 - broader macro uncertainty domestically, noting Australia's GDP being lower than expected as released by the Australian Bureau of Statistics on 4th June 2025.
4. **Please confirm that RDX is complying with the Listing Rules and, in particular, Listing Rule 3.1.**

Redox's Response: Confirmed.

5. **Please confirm that RDX's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its Board or an officer of RDX with delegated authority from the Board to respond to ASX on disclosure matters?**

Redox's Response: Confirmed. This response has been authorised by the Board of Redox Limited.

Yours Faithfully,

Erika Jasarevic
General Counsel and Company Secretary

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, RDX's obligation is to disclose the information 'immediately'. Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in RDX's securities under Listing Rule 17.1. - the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;

- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. It should be noted that RDX's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

Release of correspondence between ASX and entity

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.

Yours sincerely
