***Trilogy International Ltd Provides 1H18 Guidance***

New Zealand, 28 September 2017– Trilogy International Limited (NZX:TIL) (the Company or TIL) announced today at the AGM, revenue and EBITDA guidance for the half year to 30 September 2017.

For the six months ending 30 September 2017, TIL expects revenue to exceed \$50million, and EBITDA to exceed \$6million.

TIL expects full year revenue and EBITDA growth in FY18 to be greater than 10%, subject to the performance of our developing market in China.

Consistent with prior years, TIL expects revenue and EBITDA growth to be skewed towards the second half.

“FY17 was another remarkable year for the Group, achieving more than \$100 million in revenue for the first time. It has provided a good platform for consistent growth in FY18” said Angela Buglass, TIL Chief Executive Officer. “Despite a challenging first half we have sustained market position, set up China CBEC, and we are in a strong position to continue to deliver accelerated growth in the second half”.

Grant Baker, TIL Chairman, said, “TIL’s expected performance in FY18 demonstrates our focus on building scale in our brands, expanding into emerging markets, and the value of our newest acquisition of Lanocorp Ltd. We are on track with executing on our strategic priorities, and are well positioned for a strong second half”.
