

ASX Release

ISO 27001 CERTIFICATION

19 December 2024

Solvar Limited (ASX: "SVR" or "Solvar" or "the Group"), the leading provider of automotive finance solutions, is pleased to announce that it has achieved ISO 27001 certification, the globally recognised standard in information security management.

This significant milestone reflects Solvar's unwavering commitment to safeguarding customers information. The ISO 27001 certification reinforces Solvar's commitment to market-leading practices and security and reinforces Solvar's adherence to its information security. Achieving this benchmark demonstrates the Group's maturity in information security processes across all levels of the organisation.

Chief Information Officer, Denis Songeon stated: "Achieving this certification is testament to a whole-of-company effort to protect customers, keeping their personal and financial data safe and secure. We are committed to continually advancing our capabilities further to stay ahead of the ever-evolving cyber landscape."

Approved for release by the Chairman of Solvar.
