## Kalina Power Limited (ASX: KPO) – Suspension from Quotation

The securities of Kalina Power Limited ('KPO') will be immediately suspended from quotation under Listing Rule 17.3.1.

Trading in KPO's securities was halted by ASX at 1:11 PM AEST Monday, 26 August 2024 under ASX Operating Rule 3100 to ensure that the market in KPO's securities is fair, orderly and transparent.

ASX required KPO to provide specified information for release to the market under Listing Rule 3.1B in relation to the Memorandum of Understanding, with "a well capitalized US-based data centre developer" referenced in its 26 August 2024 announcement.

KPO has failed to comply with that requirement. As a consequence, KPO's securities will now be suspended from quotation by ASX under Listing Rule 17.3.1, until such time as ASX is satisfied with KPO's compliance with the Listing Rules and that it is otherwise appropriate for KPO's securities to be reinstated to quotation.
