(a) Resolution 1 – Ratification of 89,774,662 Shares issued under the Placement

Capital Raising Background

On 26 March 2025, the Company announced a private share placement of new Shares to raise approximately \$1,000,000 (before expenses) (**Placement**), which comprised the issue of 89,774,662 Shares by way of a private placement to sophisticated, professional and institutional investors at an issue price of \$0.011 per Share (Resolution 1).

The funds raised from the Placement are being applied towards metallurgical test work to produce a precious metals concentrate from the 100%-owned Lewis Ponds gold, silver and base metals project and updating the existing JORC 2012 Mineral Resource Estimate.

Additional funds are to be used for ongoing re-processing geophysical data and definition of exploration targets on the Lewis Ponds project.

Listing Rule 7.1

The Shares were issued without Shareholder approval under the Company's Placement Capacity under Listing Rules 7.1 and 7.1A.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Shares pursuant to Resolution 1 does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% Threshold in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the relevant dates of issue.

Listing Rule 7.4 allows the shareholders of a listed company to subsequently ratify the previous issues of securities made without prior shareholder approval under Listing Rule 7.1, provided the issue did not breach the maximum thresholds set by Listing Rule 7.1. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1 and thus the Company is seeking ratification of the Shares issued pursuant to the Placement by Resolution 1.

The Company confirms that the issue and allotment of the Shares issued pursuant to Resolution 1 did not breach Listing Rule 7.1 at the date of issue.

Resolution 1 seeks the ratification of 89,774,662 Shares which were issued by the Company under the Placement using its capacity under Listing Rules 7.1 and 7.1A.

If Resolution 1 is passed, the Shares issued using the Company's 15% Threshold in Listing Rule 7.1 and 10% Additional Placement Capacity in Listing Rule 7.1A will be excluded in calculating the Company's 15% Threshold in Listing Rule 7.1 and 10% Threshold in Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolution 1 is not passed, the relevant issues will be included in calculating the Company's 15% Threshold in Listing Rule 7.1 and 10% Threshold in Listing Rule 7.1A, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of issue.

A table summarising the effects of Resolution 1 on the Company's capacity when calculating the Company's 15% Threshold in Listing Rule 7.1 and 10% Threshold in Listing Rule 7.1A is set out in Table 1 on page 7 of this Explanatory Memorandum.

A table summarising the effects of Resolution 1 on the Company's share capital is set out in Table 2 on page 8 of this Explanatory Memorandum.

(b) Resolution 2 – Approval to issue 6,733,100 Broker Options to Taylor Collison Limited

The Company is a party to an agreement with the Lead Manager to act as lead manager for the Capital Raising (**Lead Manager Agreement**).

For the services provided by the Lead Manager during the Capital Raising, the Company agreed, subject to obtaining Shareholder approval, to issue the Lead Manager with 6,733,100 Options, having an exercise price of \$0.03 and expiry date of 31 December 2026 (the **Broker Options**).

The total fees agreed to be paid by the Company to Taylor Collison Limited were:

Management fee	3% of total proceeds	\$29,626
Selling fee	3% of total proceeds	\$29,626
Broker Options equating to 7.5% of the Placement Shares issued, having an exercise price of \$0.03 and an expiry date of 31 December 2026 (subject to Shareholder approval).		\$-

As described above in relation to Resolution 1, subject to a number of exceptions, Listing Rule 7.1 limit the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

As mentioned above, the Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1 and, thus, Resolution 2 is seeking approval to issue the Broker Options to the Lead Manager.

If Resolution 2 is passed, the Company will be able to issue the applicable number of Broker Options to the Lead Manager.

If Resolution 1 is passed, and Resolution 2 is not passed, the Company will still issue the applicable number of Broker Options to the Lead Manager using the Company's requisite Listing Rule 7.1 capacity of 112,218,327 Equity Securities. Refer to Table 1 for more details.

If Resolutions 1 and 2 are not passed, the Company will not be able to issue the Broker Options to the Lead Manager. The Broker Options will still be issued as soon as the requisite ASX Listing Rule 7.1 capacity is available. Refer to Table 5 for more details.

A table summarising the effects of Resolution 2 on the Company's capacity when calculating the Company's 15% Threshold is set out in Table 1 on page 7 of this Explanatory Memorandum.

A table summarising the effects of Resolution 2 on the Company's share capital is set out in Table 2 on page 8 of this Explanatory Memorandum.

For the purposes of Listing Rule 7.3, the following information is provided in respect of Resolution 2:

Your proxy voting instruction must be received by **11.00am (AEST) on Tuesday, 15 July 2025**, being **not later than 48 hours** before the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

SUBMIT YOUR PROXY

Complete the form overleaf in accordance with the instructions set out below.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
