SECTION 1 - KEY INFORMATION

This is a brief description only. The terms of issue of the CitiFirst Warrants and the rights and obligations of Holders and Citi are governed by the Terms of Issue, as set out in section 7. Investors should read this entire PDS, in particular the Terms of Issue, prior to making any decision to invest. The Terms of Issue prevail to the extent of any inconsistency with any other part of this PDS.

What is a CitiFirst Warrant?

CitiFirst Warrants are financial products that are traded on a financial market such as the ASX. A warrant is a derivative product, and as such, derives its value from an underlying instrument. The underlying instrument can be a security or securities, an index, a commodity or a currency. CitiFirst Warrants are structured as either "call warrants" or "put warrants".

The CitiFirst Warrants to be issued under this PDS are issued over an index, the S&P/ASX 200 Index (**Index**). Details of the Index appear in section 2.

What is a Call Warrant?

In the case of a warrant where the underlying instrument is an index, a call warrant gives a holder the right to receive a cash amount where the closing index level is above the strike on the exercise date.

Investors should note that the exercise of a warrant would only usually take place when the warrant is "in the money". In the case of a call warrant over an index, this is when the level of the index is greater than the strike at the time the warrant is exercised.

What is a Put Warrant?

In the case of a warrant where the underlying instrument is an index, a put warrant gives a holder the right to receive a cash amount where the closing index level is below the strike on the exercise date.

Investors should note that the exercise of a warrant would only usually take place when the warrant is "in the money". In the case of a put warrant over an index, this is when the level of the index is lower than the strike at the time the warrant is exercised.

What is the Index?

The underlying instrument of the CitiFirst Warrants is an index, the S&P/ASX 200 Index. Information about the Index appears in the Term Sheet and further details appear in section 2.

What are the significant benefits that a Holder of a CitiFirst Warrant may receive?

The potential benefits of investing in CitiFirst Warrants issued by Citi include:

- gaining exposure, via the Index, to a broad cross section of listed securities;
- greater leverage than a direct investment in the securities that make up the Index;
- the ability to buy and sell the CitiFirst Warrants on ASX at any time prior to expiry; and
- the potential to take advantage of both rising and falling markets.

In what circumstances can I receive these benefits?

A Holder will generally only receive a financial benefit on the exercise of a CitiFirst Warrant where that CitiFirst Warrant is "in the money".

- In the case of a Call Warrant, this is when the Closing Index Level is greater than the Strike at the time the CitiFirst Warrant is exercised.
- In the case of a Put Warrant, this is when the Closing Index Level is lower than the Strike at the time the CitiFirst Warrant is exercised.

In these circumstances, Holders will be entitled to receive the Intrinsic Value of the CitiFirst Warrant. Investors should note that they are not entitled to any dividends, distributions or other rights which may be payable in respect of the securities that comprise the Index.

What are the significant risks associated with the CitiFirst Warrants?

Investors in CitiFirst Warrants may be exposed to the following key risks:

- the value at which a CitiFirst Warrant may be bought or sold on ASX will vary according to a number of factors, and this means that on the Relevant Expiry Date, your CitiFirst Warrant may be significantly less valuable or may expire worthless. CitiFirst Warrants are speculative and a Holder may lose some or all of the purchase price paid for the CitiFirst Warrant;
- there is no firm indication as to how CitiFirst Warrants will perform in the secondary market. Nor is there any guarantee as to whether that market will be liquid. Trading of CitiFirst Warrants on ASX may be halted or suspended by ASX in certain circumstances;
- general movement in local and international stock markets, general economic conditions and interest rates could all affect the market price of CitiFirst Warrants;
- Citi may exercise its discretion to declare an Extraordinary Postponing Event or Extraordinary

Termination Event to amend the terms of issue or vary the Relevant Expiry Date; and

- the current Australian regulatory environment and any legislative, tax or regulatory changes may impact on a Holder of CitiFirst Warrants.

A full description of risk factors relating to investing in CitiFirst Warrants can be found in section 4 of this PDS.

Investing in CitiFirst Warrants involves a significant degree of risk. Like any investment that offers the potential for profit there is a corresponding potential for loss. Investors should be aware that the CitiFirst Warrants may decrease in value at a greater rate than a direct investment in the securities that comprise the Index. Investors should consult their stockbroker or financial adviser to ascertain the suitability of investing in CitiFirst Warrants as part of their particular investment strategies.

What is the Intrinsic Value?

The Intrinsic Value is a dollar amount per CitiFirst Warrant and is equal to the product of the Index Multiplier and the number of Index points that the Closing Index Level is above (in the case of a Call Warrant) or below (in the case of a Put Warrant) the Strike on the Exercise Date.

Holders may also be entitled to receive benefits in circumstances where the CitiFirst Warrants are terminated early (the Termination Value) or where a Holder has failed to exercise prior to expiry (the Intrinsic Value).

What is the Index Multiplier?

The Index Multiplier in respect of a particular Series of CitiFirst Warrants represents the value of each Index point, and appears in the Term Sheet.

How is the Intrinsic Value calculated?

Where a Holder exercises a CitiFirst Warrant that is "in the money", the Holder is entitled to receive a financial benefit equal to the Intrinsic Value of the CitiFirst Warrant. The formulas for determining the Intrinsic Value are set out in clause 1.3 of the Terms of Issue. The following examples are illustrative only for the purpose of explaining how the Intrinsic Value would be calculated.

- In the case of a Call Warrant with a Strike (S) of 4,400 and an Index Multiplier (IM) of \$0.005, if the Closing Index Level (CL) on the Exercise Date is 4,600, the Holder will receive a financial benefit equal to the Intrinsic Value (IV) which can be calculated as:

$$\begin{aligned} IV &= IM \times (CL - S) \\ &= \$0.005 \times (4,600 - 4,400) \\ &= \$1.00 \end{aligned}$$

- In the case of a Put Warrant with a Strike (S) of 4,400 and an Index Multiplier (IM) of \$0.005, if the Closing Index Level (CL) on the Exercise Date is 4,200, the

Holder will receive a financial benefit equal to the Intrinsic Value (IV) which can be calculated as:

$$\begin{aligned} IV &= IM \times (S - CL) \\ &= \$0.005 \times (4,400 - 4,200) \\ &= \$1.00 \end{aligned}$$

Are CitiFirst Warrants a suitable investment for me?

The CitiFirst Warrants issued under this PDS offer investors the following features:

- the ability to leverage short term views of the share market;
- gearing without the risks of margin calls; and
- greater volatility and price movement than a direct investment in the securities that make up the Index.

Potential investors should, in conjunction with their professional advisers, make an assessment of whether the CitiFirst Warrants are a suitable investment before any decision is made to invest. The Index can be volatile, and the value of the CitiFirst Warrants may fall as well as rise.

Hedging

Holders should note that any hedging arrangements that Citi may enter into in connection with the CitiFirst Warrants are entirely at Citi's discretion. Citi is under no obligation to enter into hedging arrangements in relation to the CitiFirst Warrants.

What is the difference between American Style and European Style CitiFirst Warrants?

The way in which a CitiFirst Warrant may be exercised depends on whether that CitiFirst Warrant is an American Style or European Style CitiFirst Warrant. An American Style CitiFirst Warrant may be exercised at any time during its term up to and including the expiry date. A European Style CitiFirst Warrant may only be exercised on the expiry date. The Term Sheet details whether a CitiFirst Warrant is American Style or European Style.

Can the terms of the CitiFirst Warrant or the Index change?

The Index itself cannot change, however, the composition and weighting of the securities that make up the Index can. In addition, the Index level can also change due to price changes unrelated to the market for the underlying securities, for example, price changes resulting from changes in capital or dividend payments by a company included in the Index. Such changes to the Index generally will not affect the level of the Strike.

In certain circumstances, however, a significant change in the formula or method for calculating the Index may result in the declaration of an Extraordinary Event by Citi. Extraordinary Events are discussed further in section 2.

When do the CitiFirst Warrants expire?

The Relevant Expiry Date for each particular Series of CitiFirst Warrants appears in the Term Sheet.

Can the CitiFirst Warrants terminate early?

Yes, the CitiFirst Warrants will automatically terminate on the occurrence of an Extraordinary Event that is declared to be an Extraordinary Termination Event. Extraordinary Events are discussed further in section 2.

Who can apply for CitiFirst Warrants under this PDS?

The initial offer by Citi of each Series of Put Warrants and Call Warrants to be issued under this PDS will only be made to Citigroup Australia Holdings. No application form is included in this PDS and applications from any other person will not be accepted. Acceptance of the offer made to Citigroup Australia Holdings occurs when ASX releases, through the Market Announcements Platform, an announcement of Citi's acceptance of the offer at a price determined at that time. Once ASX has released this announcement and granted official quotation, investors will be able to purchase the CitiFirst Warrants in the ASX secondary market.

Citi reserves the right to increase or decrease the issue size of a particular Series of CitiFirst Warrants in its absolute discretion.

No CitiFirst Warrants will be issued on the basis of the PDS later than the Business Day that is 14 days prior to the Relevant Expiry Date that appears in the Term Sheet.

How much do the CitiFirst Warrants cost?

The Issue Price of each Series of CitiFirst Warrant is not set out in this PDS. The Issue Price for each Series will be determined by Citi based on the level of the Index when the initial offer of the CitiFirst Warrants is taken up by Citigroup Australia Holdings.

Investors wishing to purchase the CitiFirst Warrants in the ASX secondary market will be able to determine the price at which the CitiFirst Warrant is trading in a number of ways, including accessing the relevant information online (through the ASX website) or contacting their stockbroker or other financial adviser. This price will be impacted by a number of factors, including:

- the level of the Index;
- anticipated volatility of the Index;
- trading in futures contracts that relate to the Index;
- future expected dividends on the securities that comprise the Index;
- the time remaining to the Relevant Expiry Date; and
- prevailing interest rates.

The effect that these factors may have on the price of the CitiFirst Warrants is demonstrated in the following table:

Variable	Change in Variable	Effect on Price of Call Warrant	Effect on Price of Put Warrant
Level of Index and related futures contracts	▲	▲	▼
Volatility of Index	▲	▲	▲
Future expected dividends	▲	▼	▲
Time remaining to expiry	▼	▼	▼
Interest rates	▲	▲	▼

Are any commissions, fees and expenses payable?

You will not pay any fees or commissions to Citi in relation to the purchase of CitiFirst Warrants.

Citi does not pay fees or commissions to brokers or financial advisers in relation to the purchase of CitiFirst Warrants, however investors should note your stockbroker or financial adviser may charge you commission on the purchase of CitiFirst Warrants.

How do you exercise the CitiFirst Warrants?

Exercise Notices for the CitiFirst Warrants appear at the back of this PDS and include detailed instructions on how they should be completed.

Once given, valid Exercise Notices are irrevocable and will be acted upon on their becoming effective, subject only to no other Exercise Notice being given in respect of the same CitiFirst Warrant which renders the first Exercise Notice ineffective. See clause 4 of the Terms of Issue for further details of the requirements for completing a valid Exercise Notice.

What happens if I do not exercise my CitiFirst Warrants?

If a CitiFirst Warrant has not been exercised by a Holder before Closing Time on the Relevant Expiry Date for that Series, or a Holder gives an Exercise Notice which is invalid, then the Holder may be entitled to receive an amount equal to the Intrinsic Value of the CitiFirst Warrant.

An explanation of how the Intrinsic Value of a CitiFirst Warrant is calculated appears in clause 1.3 of the Terms of Issue.

What are the taxation implications associated with the CitiFirst Warrants?

The acquisition, dealing in, and exercise of CitiFirst Warrants may have income tax or capital gains tax implications for Holders, depending upon their own individual circumstances. See section 5 of this PDS for details. Investors should obtain their own independent taxation advice prior to any decision to invest in the CitiFirst Warrants.

SECTION 2 – THE INDEX

Introduction

The S&P/ASX 200 is comprised of the largest 200 ASX listed companies by market capitalisation (plus liquidity considerations) in Australia. This is in contrast to the 500 companies that comprise the All Ordinaries Index.

The S&P/ASX 200 is seen as a manageable and reliable index for investors and fund managers, being comprised of a smaller number of more easily purchased and more liquid securities than those included in the All Ordinaries Index. The S&P/ASX 200 has been selected by the ASX 24 as the basis for its new Share Price Index futures contracts.

The level of the S&P/ASX 200 and related futures contracts is available online from information vendors such as Bloomberg and Reuters and the ASX website. Information about the index can also be found in the financial section of various financial newspapers including The Australian Financial Review.

Extraordinary Events

Citi may declare any of the following events to be an Extraordinary Event for the purposes of the CitiFirst Warrants, which then may be declared to be an Extraordinary Termination Event:

- the cessation or suspension of the publication of the Index or the Closing Index Level;
- the suspension of, or a material limitation in the trading in the securities which together comprise a material percentage of the weight of the Index;
- the suspension of, or a material limitation in the trading of securities on the ASX;
- the suspension of, or a material limitation in the trading of the futures contracts relating to the Index as trading on the ASX 24 or any similar futures exchange;
- a material change in the method of calculating the Index;
- any event which causes the CitiFirst Warrants to cease to be CHESS Approved Financial Products;
- any event which may reasonably be expected by the Issuer to lead to a material limitation of the ability of the Issuer to hedge or to maintain a secondary market in the CitiFirst Warrants;
- the occurrence of an event which renders the performance of Citi's obligations under the CitiFirst Warrants unlawful or illegal; or
- the withdrawal of admission to trading status of the CitiFirst Warrants or the suspension of trading of the CitiFirst Warrants.

In such circumstances, the CitiFirst Warrants will terminate and Holders will be paid the Termination Value of the CitiFirst Warrant (if any), calculated in accordance with clause 2.5 of the Terms of Issue.

Dividends and other Distribution Rights

A Holder is not entitled to any dividends, distributions or other rights that may relate to the securities that comprise the Index.

Voting Rights

A Holder is not entitled to any voting rights that may relate to the securities that comprise the Index.

Citi (or an associate) may from time to time hold the securities that make up or those that relate to the Index. Citi (or an associate) may in its absolute discretion exercise any voting rights it may have in relation to those securities with regard to its interests alone.

SECTION 3 – ISSUER AND GROUP DETAILS

The CitiFirst Warrants issued under this PDS will be issued by Citigroup Global Markets Australia Pty Limited which is a wholly owned subsidiary of Citigroup Inc., and a member of the Citigroup Inc. group of companies (**Group**).

The Group has been in the Asia Pacific region for more than 100 years and today provides more services in more markets for more clients than any other financial institution.

Citi in Australia and New Zealand

The Group established a presence in Australia in 1971 and in New Zealand in 1982. In 1984, the Group's securities and investment banking business commenced operations and in 1985 Citibank Pty Limited (now Citigroup Pty Limited) became the first foreign bank to be granted an Australian banking licence.

Today, the Group provides financial services to more than 1 million consumers and over 900 corporate clients in Australia and New Zealand.

Financial Information about Citi

The net asset position of Citi as stated in its audited financial statements was \$326.2 million as at 31 December 2021.

Copies of financial statements of Citi can be obtained free of charge by calling Citi on 1300 30 70 70.

Due to the current regulatory environment, most credit rating agencies are no longer consenting to the inclusion of credit rating information in retail disclosure documents issued in Australia. As a consequence, Citi is not able to provide information in relation to its credit rating.

Disclaimer

No circumstance has arisen and no information has become available except as disclosed in this PDS or to the ASX that would materially affect an investor's decision for the purpose of making an informed assessment of the capacity of Citi to fulfil its obligations under the Terms of Issue, or the risks, rights or obligations associated with the CitiFirst Warrants since 31 December 2021.

SECTION 4 – RISK FACTORS

SUBSCRIPTION FOR OR THE PURCHASE OF THE CITIFIRST WARRANTS IS CONSIDERED BY CITI TO BE SUITABLE ONLY FOR INVESTORS WITH EXPERIENCE IN, OR ON THE ADVICE OF PROFESSIONAL ADVISERS WITH EXPERIENCE IN, DERIVATIVE TRANSACTIONS. POTENTIAL INVESTORS SHOULD REACH AN INVESTMENT DECISION ONLY AFTER CAREFULLY CONSIDERING, WITH THEIR ADVISERS, THE SUITABILITY OF THE CITIFIRST WARRANTS IN LIGHT OF THEIR PARTICULAR CIRCUMSTANCES, TAKING INTO ACCOUNT THE RISK FACTORS RELATING TO THE CITIFIRST WARRANTS SET OUT BELOW.

Factors Affecting CitiFirst Warrant Value

The value at which a CitiFirst Warrant may be bought or sold on ASX is expected to be dependent upon such factors as the level of the Index, the volatility of the Index, the Strike of the CitiFirst Warrants, the time remaining to expiry, interest rates and risks applicable to stock markets generally.

Investment in the CitiFirst Warrants is speculative. The CitiFirst Warrants may be significantly less valuable on the Relevant Expiry Date or may expire worthless. This means that Holders may either lose money or sustain a total loss on their investment.

Investors should note that the CitiFirst Warrants may terminate early, and the Relevant Expiry Date may be postponed, in the circumstances described in clauses 1.4, 2.3 and 2.4 of the Terms of Issue. Postponement or early termination may affect the value of the CitiFirst Warrants and may result in a partial or total loss of the investment.

Performance of Obligations by Citi

The value of the CitiFirst Warrants depends on, amongst other things, the ability of Citi to fulfil its obligations under the Terms of Issue on exercise, early termination or expiry.

If you invest in CitiFirst Warrants, you will be exposed to counterparty risk and credit risk of (and the credit worthiness of) Citi. You should be aware that between the date of the PDS and the date on which you acquire CitiFirst Warrants, Citi's financial position may change and it may undertake corporate actions that may detrimentally affect its credit worthiness.

Citi's obligations in relation to CitiFirst Warrants are not guaranteed and are unsecured and will rank equally with its other unsecured obligations. More information in relation to Citi is provided in section 3 of this PDS.

Investors must make their own assessment of the ability of Citi to meet its obligations in respect of the CitiFirst Warrants. Nothing in this PDS is, or may be relied upon as being, a representation as to any future event or a promise as to the future of Citi's ability to perform its obligations or its financial position.

Possible Illiquidity of Trading Market

Investors should be aware that there is no firm indication as to how the CitiFirst Warrants will trade in the secondary market. Nor is there any guarantee as to the size or liquidity of that market.

Citi is an ASX participant and will conduct market making activities in relation to the CitiFirst Warrants by the provision of bids and offers made in a spread around the prevailing market price to help ensure liquidity in the market for the CitiFirst Warrants.

However, there are no spread obligations applied to the market making requirements. The quality of market making will depend on competitive pressures. In times of extreme volatility the ability of market makers to maintain a market will be put under stress. Potential investors should be aware that in these situations, the presence of quotes suitable to your particular requirements in the market cannot always be assured.

General Market Risks

General movement in local and international stock markets, prevailing and anticipated economic conditions and interest rates, investor sentiment and general economic conditions could all affect the market price of CitiFirst Warrants (in the same way that they affect other investments).

Investors are warned that the price of a CitiFirst Warrant may fall in value as rapidly as it may rise and Holders may sustain a total loss of their investment. Prospective investors should therefore ensure that they understand the nature of the CitiFirst Warrants and carefully study the risk factors set out in this PDS before they invest in the CitiFirst Warrants.

Volatility of Index

Past performance of the Index is not necessarily a guide to future performance. Movements in the Index can be volatile.

Investment Decisions

The information in this PDS is intended to provide investors and their professional advisers with the information they would reasonably require and reasonably expect to find for the purpose of making an informed assessment of whether to acquire a CitiFirst Warrant and of the capacity of Citi to fulfil its obligations under the CitiFirst Warrants and the risks, rights and obligations

associated with the CitiFirst Warrants. It is impossible in a document of this type to take into account the investment objectives, financial situation and particular needs of each investor. Accordingly, nothing in this PDS should be construed as a recommendation by Citi or any associate of Citi or any other person concerning investment in the CitiFirst Warrants.

Readers should not rely on this PDS other than in respect of those matters referred to above, and should not rely on it as the sole basis for any investment decision in relation to CitiFirst Warrants, or any other security.

Exercise of Discretion by Citi and the Calculation Agent

Investors should note that a number of provisions of the Terms of Issue confer discretions on Citi and the Calculation Agent which could affect the value of the CitiFirst Warrants. These include the powers to nominate Extraordinary Postponing Events and Extraordinary Termination Events, to determine whether rights offered have value and to calculate or modify the method of calculation of the Strike or the nature of the Index.

Holders do not have the power to direct Citi and the Calculation Agent concerning the exercise of any discretion.

The fact that CitiFirst Warrants may become significantly less valuable over their term and in certain circumstances automatically terminate or expire worthless, means that the purchaser of a CitiFirst Warrant may lose some or all of the purchase price paid for the CitiFirst Warrants.

Extraordinary Events

Citi may terminate the CitiFirst Warrants before their Relevant Expiry Date on the occurrence of an Extraordinary Event, which is held to be an Extraordinary Termination Event. Extraordinary Events are discussed in section 2.

The Relevant Expiry Date may also be postponed for up to 10 Business Days if an Extraordinary Event has occurred and is continuing on the Relevant Expiry Date. This is known as an Extraordinary Postponing Event.

Legislative Risks

A number of risks may exist and impact on a Holder of a CitiFirst Warrant as a result of Australian legislation, including taxation law. Prospective Holders should seek independent professional advice on the nature of these risks.

Tax Changes

Section 5 of this PDS contains a taxation summary based on current Australian taxation laws. Prospective Holders should read this carefully and also monitor any taxation changes.

National Guarantee Fund – not a Guarantor in all cases

Claims against the National Guarantee Fund may only be made in respect of secondary trading in CitiFirst Warrants between brokers on ASX and cannot be made in relation to the primary issue of CitiFirst Warrants by Citi.

The capacity of Citi to settle all outstanding CitiFirst Warrants is not guaranteed by ASX, the National Guarantee Fund or ASX Settlement.

Potential Conflicts of Interest

Companies in the Citigroup Inc. group of companies and Citi itself may, in their absolute discretion, buy and sell CitiFirst Warrants, securities that make up the Index and other interests relating to the CitiFirst Warrants or the securities that make up the Index, either as principal or agent. This trading may impact positively or negatively on the price at which the CitiFirst Warrants trade on ASX.

In addition, companies in the Citigroup Inc. group of companies and Citi itself may have material price sensitive information relating to securities that make up the Index, where the individuals conducting market making activities in relation to the CitiFirst Warrants are prevented from knowing or taking into account such information by reason of information barriers. Citi may have a potential conflict of interest of which you are not aware and which it is unable to disclose to you.

The rights of Holders against Citi are set out in the Terms of Issue. Citi is not in a fiduciary relationship with Holders. Any profits earned and losses incurred by Citi in its trading activities in CitiFirst Warrants will accrue entirely to it independent of Citi's obligations to Holders.

Suspension of CitiFirst Warrant Trading

Trading of CitiFirst Warrants on the stock market conducted by ASX may be halted or suspended by ASX. This may occur whenever ASX deems such action appropriate in the interests of maintaining a fair and orderly market in CitiFirst Warrants or otherwise deems such action advisable in the public interest or to protect investors. Matters that may be considered by ASX also include circumstances where Citi becomes unable or unwilling or fails to comply with the ASIC Market Integrity Rules or the Operating Rules or if ASX in its absolute discretion thinks fit.

Except where it is determined to be an Extraordinary Termination Event, the CitiFirst Warrants will continue notwithstanding any delisting, withdrawal of trading status or suspension of the CitiFirst Warrants from ASX.

SECTION 5 – TAXATION CONSIDERATIONS

This section is intended only as a general summary of some of the taxation consequences arising for potential investors who are Australian resident taxpayers including individuals, companies and complying superannuation funds.

This section is necessarily general in nature and does not take into account the specific taxation circumstances of each potential investor. Potential investors should not rely on this section and should obtain specific taxation advice referable to their own circumstances prior to making any investment decision.

This advice is based on law and Australian Taxation Office (ATO) practice that is current as at the date of this PDS. Potential investors should seek their own advice on any changes after the date of this PDS to any law or administrative interpretation which may affect the tax consequences of investing in the CitiFirst Warrants.

Whether a Holder holds the CitiFirst Warrants on capital or revenue account will potentially affect the tax implications arising for a Holder of investing in the CitiFirst Warrants.

Holders who acquire the CitiFirst Warrants for the purpose of disposing of them at a profit will typically hold the CitiFirst Warrants on revenue account for tax purposes. Certain other Holders may hold the CitiFirst Warrants on revenue account, depending on their particular circumstances.

The CitiFirst Warrants may be trading stock of a Holder if they are acquired for the purposes of sale or exchange in the ordinary course of the Holder's business. If so, specific trading stock provisions, which are not covered in this section, will apply. Potential investors should seek specific advice if the CitiFirst Warrants are likely to be held as trading stock.

Holders who acquire CitiFirst Warrants otherwise than as described above (eg, if they acquire the CitiFirst Warrants to hedge shares that they hold on capital account) will likely hold the CitiFirst Warrants on capital account for tax purposes.

TOFA

The Taxation of Financial Arrangements (TOFA) regime applies on a mandatory basis from 1 July 2010 for qualifying taxpayers and financial arrangements. Where it applies, the TOFA regime may impact upon the tax character and tax timing of gains and losses arising from those financial arrangements. However, exceptions to the TOFA regime would be expected to apply to most retail investors. Investors who are subject to the TOFA regime, or who are considering electing into the TOFA regime, are advised to obtain independent tax advice as to its potential

impact upon the taxation consequences discussed in this section.

Purchasing your CitiFirst Warrants

Purchasing CitiFirst Warrants does not give rise to any immediate tax consequences for a Holder. For example, a Holder cannot deduct the purchase price of the CitiFirst Warrant. Rather, the purchase price, together with any brokerage, forms part of the cost base of the CitiFirst Warrant for capital gains tax purposes and part of the "cost" of the CitiFirst Warrants if the Holder holds the CitiFirst Warrants on revenue account. This will be relevant to the tax consequences for the Holder when the CitiFirst Warrant expires, terminates, is sold or is exercised.

Holding your CitiFirst Warrants

Holders will not receive any dividends or distributions as a result of holding the CitiFirst Warrants. Consequently, no assessable income will arise, and no franking tax offsets will be available by virtue of holding the CitiFirst Warrants.

Potential investors should be aware that acquiring CitiFirst Warrants to hedge securities may result in the "franking credit trading" provisions affecting the availability of franking tax offsets on dividends or distributions that they receive from those securities. Potential investors should obtain advice on this issue as these rules are complex and their application will depend on an investor's own specific circumstances.

Disposal of your CitiFirst Warrants

A Holder will be regarded as having disposed of a CitiFirst Warrant for the purposes of this section if it is sold, is exercised, expires unexercised or is terminated early (for example following an Extraordinary Termination Event).

Investors on capital account

Disposing of the CitiFirst Warrants is a CGT event. The Holder will make a capital gain to the extent that the capital proceeds (being the sale proceeds or the Intrinsic Value, as appropriate) exceed the cost base of the CitiFirst Warrants.

A Holder will make a capital loss if the reduced cost base of the CitiFirst Warrants exceeds the capital proceeds (being the sale proceeds or the Intrinsic Value, as appropriate). If a Holder makes a capital loss the loss can only be used to reduce the Holder's capital gains. If there are insufficient capital gains to absorb the capital losses, the Holder will have a net capital loss for the income year which can generally be carried forward to offset future capital gains.

The ATO accepts in public ruling TR 2005/18 that some investors may enter into contracts for differences (being a type of cash settled financial instrument) as a form of

recreational gambling. If so, any capital gain or loss they make from those assets is disregarded under a specific provision. Holders should seek their own advice if they consider that this ATO view may potentially apply in relation to their investment in the CitiFirst Warrants.

Investors on revenue account

If a Holder holds the CitiFirst Warrants on revenue account, then the profit calculated as the excess of the proceeds received (being the sale proceeds or the Intrinsic Value, as appropriate) over the cost of the CitiFirst Warrant will be included in the Holder's assessable income. On the other hand, any loss calculated as the excess of the cost of the CitiFirst Warrant over the proceeds received will be deductible to the Holder.

Broadly, under anti-overlap provisions, any capital gain or capital loss also arising on disposal is reduced by the amount of the assessable gain or deductible loss, as appropriate.

Goods and Services Tax (GST)

No GST will be payable by Holders on the purchase, sale, exercise, expiry or termination of the CitiFirst Warrants. This is because these supplies will either fall outside the GST provisions, or will be a "financial supply" on which no GST is payable.

Stamp Duty

The purchase, sale, expiry or termination of the CitiFirst Warrants should not be liable to stamp duty in any Australian jurisdiction. No stamp duty should be payable by the Holder on giving an Exercise Notice.

SECTION 7 – TERMS OF ISSUE

To the extent of any inconsistency between these Terms of Issue and any other part of this PDS, these Terms of Issue prevail.

1 THE CITIFIRST WARRANT

1.1 Grant of CitiFirst Warrant

In return for Citigroup Australia Holdings paying the relevant Issue Price to Citi (receipt of which is acknowledged by Citi), Citi grants the relevant CitiFirst Warrants to Citigroup Australia Holdings.

1.2 Nature of CitiFirst Warrant

Subject to these Terms of Issue, each CitiFirst Warrant is an option which:

- (a) confers on the Holder the right, but not the obligation, to give Citi, by delivering to Citi during the Exercise Period, an Exercise Notice, which is irrevocable and will become effective on the Exercise Date on which Citi has received it prior to Closing Time; and
- (b) on exercise of the right conferred by clause 1.2(a) in accordance with these Terms of Issue, requires Citi to pay to a Holder within 10 Business Days of the Exercise Date the Intrinsic Value of the CitiFirst Warrants the subject of the Exercise Notice.

1.3 Determination of Intrinsic Value

The Intrinsic Value of a CitiFirst Warrant is an amount calculated in accordance with this clause 1.3 as follows:

- (a) In the case of a Call Warrant where the Closing Index Level is greater than the Strike for a particular Series of CitiFirst Warrants on the Exercise Date:

$$IV = IM \times (CL - S)$$

where:

IV = Intrinsic Value

IM = Index Multiplier

CL = Closing Index Level

S = Strike

- (b) In the case of a Put Warrant, where the Closing Index Level is less than the Strike for a particular Series of CitiFirst Warrants on the Exercise Date:

$$IV = IM \times (S - CL)$$

where:

IV = Intrinsic Value

IM = Index Multiplier

S = Strike

CL = Closing Index Level

1.4 Postponement of Exercise Date or Relevant Expiry Date

An Exercise Date or the Relevant Expiry Date may, at Citi's option, be postponed if there is an Extraordinary Postponing Event declared under clause 2.3, and in such circumstances Citi shall give a notice to Holders in accordance with clause 5.1.

1.5 Early Termination of CitiFirst Warrant

CitiFirst Warrants in a particular Series automatically terminate if:

- (a) there is an Extraordinary Termination Event declared under clause 2.4; or
- (b) they are cancelled by Citi pursuant to clause 1.8.

In circumstances of a termination pursuant to clause 1.5(a), Citi will pay to Holders the Termination Value of the CitiFirst Warrants, calculated in accordance with clause 2.5.

1.6 Failure by a Holder to Exercise

- (a) If a CitiFirst Warrant has not been exercised by Closing Time on the Relevant Expiry Date, or if a CitiFirst Warrant has been exercised by Closing Time on the Relevant Expiry Date, but the Exercise Notice is invalid, Citi will pay to the Holder the Intrinsic Value (if any) within 10 Business Days of the Relevant Expiry Date.
- (b) Any dispute in relation to the calculation of Intrinsic Value for the purposes of clause 1.6(a) will be referred to ASX for resolution whose resolution will be binding.

1.7 Buy-Backs

Citi may buy back a CitiFirst Warrant and become the Holder of the CitiFirst Warrant, which shall not terminate when bought back. The CitiFirst Warrant may be subsequently resold by Citi.

1.8 Cancellation

Citi may cancel any CitiFirst Warrant if Citi is the Holder of the CitiFirst Warrant, by recording the cancellation in the Register.

1.9 Register

Citi at its cost will arrange for the establishment and maintenance of a register of Holders which complies with the Corporations Act and the Listing Rules as if the CitiFirst Warrants were shares in a company.

1.10 Holding Statements

Citi will comply with the Listing Rules in relation to the issue and despatch of holding statements for the CitiFirst Warrants as if the CitiFirst Warrants were shares in a company.

1.11 Transfer

- (a) A CitiFirst Warrant may be transferred if and only if the transfer is in the manner prescribed by or under the Corporations Act, the Operating Rules and the ASX Settlement Operating Rules (as applicable).
- (b) The transferor of a CitiFirst Warrant is regarded as remaining the owner of the CitiFirst Warrant the subject of the instrument of transfer until the name of the transferee is entered in the Register in respect of that CitiFirst Warrant.

1.12 Joint Holders

There must not be more than 3 joint Holders of a CitiFirst Warrant except in the case of the legal representatives of a deceased Holder. All notices, payments and other correspondence to joint Holders may be directed, given or made to the first-named joint Holder on the Register. If there are joint Holders of any CitiFirst Warrant and one of these joint Holders dies, the survivors shall be the only persons recognised by Citi as having any title or interest in the CitiFirst Warrant.

1.13 Registration of Transfer of CitiFirst Warrants

Citi:

- (a) must deal with, certify and register a transfer of a CitiFirst Warrant which complies with clause 1.11 in accordance with the Operating Rules and the ASX Settlement Operating Rules; and
- (b) may refuse to register such a transfer in any of the circumstances where such refusal is permitted by, and in accordance with any procedures prescribed by the Operating Rules and the ASX Settlement Operating Rules.

1.14 Status of CitiFirst Warrants

The CitiFirst Warrants establish general, immediate and unsecured contractual obligations of Citi, which have equivalent rank to each other and to the other existing, unsecured and non-subordinated obligations of Citi (except for any obligations which have precedence by force of law).

2 EXTRAORDINARY EVENTS

2.1 Definition

Citi may, on any Business Day nominate as an Extraordinary Event:

- (a) the cessation or suspension of publication of the Index or the Closing Index Level;
- (b) the suspension of or a material limitation in the trading in securities which together comprise a material percentage of the weight of the Index;
- (c) the suspension or a material limitation of trading in securities generally on the ASX;
- (d) the suspension or a material limitation of trading in the futures contracts relating to the Index traded on the ASX 24 or any similar futures exchange;
- (e) a material change in the formula or method of calculation of the Index;
- (f) any event which causes the CitiFirst Warrants to cease to be CHES Approved Financial Products;
- (g) any event which may reasonably be expected by the Issuer to lead to a material limitation of the ability of the Issuer to hedge the CitiFirst Warrants or to maintain a secondary market in the CitiFirst Warrants;
- (h) determination by Citi in good faith that the performance of its obligations with respect to the respective Series of CitiFirst Warrants will become, in circumstances beyond the reasonable control of Citi, impossible, unlawful, illegal or otherwise prohibited, as a result of compliance with any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative or judicial authority or power; or
- (i) on the withdrawal of admission to trading status or suspension of that Series of CitiFirst Warrants, unless such withdrawal or suspension is caused by Citi,

however, a limitation on the hours and number of days of trading will not constitute an Extraordinary Event if it results from an announced change in the regular days or hours of trading of the relevant exchange.

2.2 Citi's Discretion to Nominate

Where Citi has nominated an Extraordinary Event under clause 2.1 but the CitiFirst Warrant has yet to terminate under clause 1.5(a), Citi may withdraw that nomination at any time prior to the termination of the CitiFirst Warrants.

2.3 Extraordinary Postponing Events

If an Extraordinary Event has occurred and is continuing on an Exercise Date or Relevant Expiry Date, then the Exercise Date or Relevant Expiry Date may, at Citi's option, be postponed to the next Business Day in respect of which there is, in the reasonable opinion of Citi, no Extraordinary Event continuing (an **Extraordinary Postponing Event**).

In no circumstance shall the Exercise Date or Relevant Expiry Date be postponed to a date later than 10 Business Days after the original Exercise Date or Relevant Expiry Date, provided that if, in the reasonable opinion of Citi, an Extraordinary Event is continuing on that day, the Exercise Date or Relevant Expiry Date shall be that day.

2.4 Extraordinary Termination Events

If an Extraordinary Event has occurred and, in the reasonable opinion of Citi, is continuing and is likely to continue, Citi may terminate a Series of CitiFirst Warrants (an **Extraordinary Termination Event**), with that termination taking effect as and from the date on which that determination is made (the **Termination Date**).

As soon as reasonably possible after an Extraordinary Termination Event, Citi shall give notice to Holders in accordance with clause 5.1 and publicly announce the termination of the applicable Series of CitiFirst Warrants and the Termination Date in a manner reasonably satisfactory to ASX.

2.5 Appointment of Calculation Agent

- (a) Upon the occurrence of an Extraordinary Termination Event or as otherwise provided by these Terms of Issue, Citi shall use its reasonable endeavours to appoint a Calculation Agent, (which may be an associate of Citi), to make such calculations and do such other things as may be required to determine the fair market value (which will include an intrinsic value component), if any, of the applicable Series of CitiFirst Warrants, with such determination to be made, if applicable, in accordance with clause 3, on the Termination Date, if applicable (the **Termination Value**).
- (b) The Calculation Agent shall act as an independent expert and not as agent for Citi and its calculations and determinations shall (except in the event of manifest error) be final and binding on the Holders and Citi.
- (c) If, within 10 Business Days of the Termination Date, no Calculation Agent has been appointed, Citi shall, within a further 5 Business Days determine the Termination Value.

- (d) Within 5 Business Days of the Termination Value being determined as set out above and, if applicable, notified to Citi, Citi must:
 - (i) if the Termination Value is greater than zero, notify and pay to each Holder of such CitiFirst Warrants the Termination Value of all such CitiFirst Warrants held by such Holder; or
 - (ii) if the Termination Value is zero, notify each Holder of such CitiFirst Warrants in writing of the Termination Value.

3 NON PUBLICATION OR MODIFICATION OF THE INDEX

3.1 Non-Publication of Index

In the event that on any Exercise Date the Index is calculated but not published by S&P, the Exercise Date shall be postponed in accordance with clause 2.3, and the Intrinsic Value or Termination Value of the CitiFirst Warrants shall be calculated by reference to the level of the Index on the Exercise Date as obtained by Citi from such publicly available sources it considers appropriate in its absolute discretion.

3.2 Calculation of Index by Third Party

In the event that on any Exercise Date the Index is not calculated by S&P but is calculated and publicly announced by another person or party (the **Third Party**), the Intrinsic Value or Termination Value of the CitiFirst Warrants shall be calculated by reference to the value of the Index so calculated and announced by the Third Party, provided such Third Party is approved by Citi in its absolute discretion.

3.3 No Index

If neither S&P nor any Third Party is calculating and publishing the Index, the Calculation Agent shall make such calculations as it considers may be required to determine the Intrinsic Value or Termination Value using the formula and method of calculating the Index in effect on the date the Index was last calculated.

3.4 Change in Index

In the event that prior to the Exercise Date, S&P or the Third Party makes (in the reasonable opinion of Citi) a significant change in the formula for or the method of calculating the Index, the Calculation Agent shall make such calculations as it determines may be required to determine the Intrinsic Value or Termination Value of the CitiFirst Warrants using the formula for or method of calculating the Index in effect prior to such change or modification.

3.5 Advice on Calculation

Citi must, within 10 Business Days of receipt of any written request to do so, advise a Holder of any calculation made by the Calculation Agent pursuant to this clause 3 and the method of arriving at such calculation.

3.6 Calculations Final

All calculations and determinations by Citi and the Calculation Agent shall (except in the case of manifest error) be final and binding on Holders. No claim may be brought against Citi, the Calculation Agent or any other person in respect of any act or omission in relation to the calculation or publication of the Index or the calculation of the Intrinsic Value or Termination Value.

4 EXERCISE OF CITIFIRST WARRANT

4.1 Exercise Notice

- (a) A Holder of a CitiFirst Warrant may exercise the CitiFirst Warrants by delivering to Citi a duly completed Exercise Notice.
- (b) In the case of an American Style CitiFirst Warrant, an Exercise Notice can be delivered and becomes effective on any Business Day it is delivered to Citi prior to Closing Time on the Relevant Expiry Date (as determined by Citi in its absolute discretion), unless it is received after Closing Time in which case it shall become effective on the next Business Day during the Exercise Period (provided that date is before the Relevant Expiry Date) as determined by Citi in its absolute discretion.
- (c) In the case of a European Style CitiFirst Warrant, an Exercise Notice can be delivered to Citi on any Business Day prior to Closing Time on the Relevant Expiry Date. However, the Exercise Notice will be treated as having been received on the Relevant Expiry Date.

- (d) After Citi has received a valid and duly completed Exercise Notice from a Holder, the CitiFirst Warrants the subject of that Exercise Notice cannot be traded and Citi and the Registrar are under no obligation to record any transfer of those CitiFirst Warrants in the Register after delivery of that valid Exercise Notice.

4.2 Exercise by Unregistered Person

Where a person claims to be entitled to be registered as the Holder of a CitiFirst Warrant but whose name does not appear in the Register as the Holder, that person may exercise the CitiFirst Warrant by giving to Citi an Exercise Notice in respect of the CitiFirst Warrants to be exercised specifying that the person claims to be so entitled.

In those circumstances, if the person giving the Exercise Notice becomes registered or is entitled to be registered as the Holder before the Business Day which is 6 Business Days after the Exercise Date then the Exercise Notice is to be treated as having been properly given and becomes effective immediately on that person becoming so registered.

4.3 Multiple Exercise Notices

If more than one Exercise Notice which is otherwise effective is given under either or both clause 4.1 and clause 4.2 in respect of a CitiFirst Warrant, the only Exercise Notice in respect of that CitiFirst Warrant which is to be treated as being effective is that given by the person who, to the knowledge, or in the reasonable opinion of Citi, was the last of those persons who, before the Closing Time on the Exercise Date, became entitled to be registered as the Holder of that CitiFirst Warrant (which may, if that is the case, include the person entitled to be registered as the Holder at the Closing Time on the Exercise Date) and every other Exercise Notice given in respect of that CitiFirst Warrant, notwithstanding clauses 4.1 and 4.2, is of no force or effect.

4.4 Effectiveness of Exercise Notices

An Exercise Notice becomes valid and effective if and only if:

- (a) it is duly completed and in proper form;
- (b) it is received by Citi prior to Closing Time on the Relevant Expiry Date; and
- (c) the CitiFirst Warrant has not terminated under clause 1.5.

If the requirements for an effective exercise notice set out in this clause 4.4 above are not satisfied, the Exercise Notice is null and void and Citi must give a notice accompanied by the purported Exercise Notice and all documents which accompanied it (including any cheque) to the person who gave that Exercise Notice not later than the Business Day which is 10 Business Days after the day which the purported Exercise Notice was given to Citi.

Any determination as to whether an Exercise Notice is duly completed and in proper form and otherwise effective shall be made by Citi in its absolute discretion and shall be conclusive and binding on Citi and the Holder.

4.5 Agreement to Pay

Where a valid Exercise Notice is given, a contract arises on the Exercise Date or Relevant Expiry Date (whichever is the first to occur) under which:

- (a) Citi will pay the Intrinsic Value (if any) to the Holder in accordance with clause 1.2; and
- (b) the exercised CitiFirst Warrants will cease to exist and all obligations of Citi in respect of those CitiFirst Warrants (apart from the obligation arising under clause 4.6) will terminate absolutely following payment of the amount referred to in clause 4.5(a).

4.6 Interest

If Citi does not pay the amount calculated in accordance with clause 4.5 by the time specified, interest accrues on that amount at the Default Rate accruing daily from the last day on which Citi was required to pay the Holder under clause 4.5 until payment is made.

4.7 Acknowledgment

The Holder and Citi acknowledge to each other that the amounts of interest calculated under clause 4.6 is a genuine pre-estimate of the damage that the Holder would suffer from the failure of Citi to perform its obligations under clause 4.5.

4.8 Calculations and Securities

In these Terms of Issue:

- (a) all calculations will be done to no less than three decimal places; and
- (b) no rounding of numbers will occur until a Holder exercises a CitiFirst Warrant and at that time the entitlement attaching to all CitiFirst Warrants of that Holder the subject of exercise will be aggregated and that aggregate will be rounded so that all money amounts are rounded to the nearest whole cent.

4.9 Warranties by Exercising Holder on Exercise of CitiFirst Warrant

By giving an Exercise Notice, the Holder warrants that:

- (a) the Holder has good, complete and unencumbered title to the CitiFirst Warrants;
- (b) none of the CitiFirst Warrants the subject of the Exercise Notice will breach or result in a breach of any exchange control, fiscal or other laws or regulations for the time being applicable; and
- (c) the Holder is not a resident or national of any jurisdiction where the exercise of the CitiFirst Warrants is prohibited by any law or regulation or where compliance with the relevant laws or regulations would require filing or other action by Citi or any related entity of Citi,

and the Holder agrees to indemnify Citi against any loss, liability, damage, claim, cost or expense incurred as a result, directly or indirectly, of any warranty given by the Holder in this clause 4.9 proving to be untrue or incorrect.

5 NOTICES

5.1 When Notice is required

Citi must give notice to each Holder in the following circumstances:

- (a) on the termination of a CitiFirst Warrant under clause 1.5 of the Terms of Issue within 10 Business Days after the Termination Date;
- (b) on the occurrence of an Extraordinary Postponing Event;
- (c) on the occurrence of an Extraordinary Termination Event;
- (d) on the determination of the Termination Value in accordance with clause 2.5(d); or
- (e) as otherwise provided in these Terms of Issue.

5.2 Method of giving Notice

Except where otherwise provided by these Terms of Issue, all notices required or permitted to be given by Citi to a Holder pursuant to these Terms of Issue must be in writing and are treated as being duly given if:

- (a) left at the Holder's address as it appears in the Register; or

- (a) if the change is necessary or desirable in the reasonable opinion of Citi to comply with any statutory or other requirement of law or any requirement of ASX;
- (b) to accommodate transfers;
- (c) if the change is made for the purpose of curing any defect, manifest error, or ambiguity which does not materially prejudice the interests of Holders;

The failure, delay, relaxation or indulgence on the part of Citi in exercising any power or right conferred upon Citi by these Terms of Issue does not operate as a waiver of that power or right nor does any single exercise of any power or right preclude any other or further exercise of it or the exercise of any other power or right under these Terms of Issue.
