- Online report – Stolen and lost property details uploaded to PropertyVAULT insurance portal
- Locate – Identify possible match via PropertyVAULT's search mechanisms and investigations
- Recovery – Verify match and manage police liaison to facilitate recovery
- Salvage – Assist insurers to facilitate salvage and sale

Progress in Property**VAULT** Insurance Services

12

Tier 1 Insurance Company Proof of Concept (POC) Trial – Progress

- Half-way through a six-month POC with a Tier 1 insurer.
- Targeting the recovery of paid-out insurance claim assets.
- Pleasing progress to date, with multiple recoveries, programming insights achieved and implemented and pending revenues from asset salvage.
- If POC successful, could be scaled up – with growing revenue potential.

Looking Forward – Business Growth

13

- Capitalise on POC and current international development opportunities
- Discussions continuing with major and class specific insurance companies and hire companies covering general insurance, marine, motorcycle and plant hire to secure formal data exchange and commercial agreements.
- Continue Leveraging PV's on-line traffic to grow direct-to-consumer sales security products & insurance sales.

Looking Forward – Capital Management

14

- Maintain healthy cash position with no interest -bearing debt.
- Board will consider trading environment before making significant capital decisions.
- Board's long-term preference is to achieve a steady dividend stream.
