3 Resolution 1 – Remuneration Report

3.1 Overview

Subsection 250R(2) of the Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

3.2 Voting consequences

In accordance with subsection 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the Remuneration Report when reviewing the Company's future remuneration policies and practices.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

3.3 Previous voting results

The Company's Remuneration Report did not receive a Strike at the 2022 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2024 annual general meeting, this may result in the re-election of the Board.

3.4 Board recommendation

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

Resolution 1 is an ordinary resolution. The Board encourages Shareholders to vote on the adoption of the Remuneration Report.

4 Resolution 2 – Re-election of Director – Mr Robert Downey

4.1 General

Listing Rule 14.5 and Article 14.2 of the Constitution requires that one third of the Directors (excluding the Managing Director) must retire at each annual general meeting (or if that is not a whole number, the whole number nearest to one third, rounded up). Article 14.2 of the Constitution requires that the Directors to retire are those who have held their office as Director for the longest period since their last election or appointment to that office. The Constitution provides that in determining the number of Directors to retire, no account is to be taken of a Director who only holds office until the next AGM pursuant to Article 14.4 and no account is to be taken of a Managing Director.

Article 14.2 of the Constitution provides that a Director who retires in accordance with Article 14.2 is eligible for re-election.

As at the date of this Notice, the Company has three non-Executive Directors and accordingly, one Director must retire.

Non-Executive Chairman, Mr Robert Downey, was appointed to the Board on 20 May 2021 and has held office the longest since being last elected. Accordingly, Mr Downey retires by rotation at this Meeting and, being eligible, seeks re-election pursuant to Resolution 2.

Resolution 2 is an ordinary resolution.

4.2 Mr Robert Downey

Robert Downey has also held directorships with the following listed companies in the past 3 years:

Company	Appointment	Status
Zeotech Limited	2 December 2021	Current
Connexion Telematics Ltd	17 November 2022	Current
Askari Metals Ltd	18 November 2022	Current
Mt Malcolm Mines NL	25 November 2021	Current
Everest Metals Corporation Ltd	25 November 2021	Current

Mr Downey has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

If Shareholders approve Resolution 2, the Board considers Mr Downey to be an independent director, notwithstanding that he holds 3,000,000 Class A and 3,000,000 Class B Performance Rights. The Board considers that the number of Performance Rights in question is not material and the interest will not interfere, or reasonably be seen to interfere, with Mr Downey's capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole.

4.3 Board recommendation

The Board (excluding Mr Downey who has an interest in the outcome of Resolution 2) recommends that Shareholders vote in favour of Resolution 2 for the following reasons:

- (a) Mr Downey has the necessary level of experience which is relevant to the Company's phase of growth. This includes extensive experience in relation to listing rule compliance, disclosure and governance issues as a Director of many public listed and private companies;
- (b) Mr Downey is well known in the industry for his strong leadership and focus on delivering shareholder returns; and
- (c) Mr Downey is an independent director and provides valuable contributions and insight at the Board level.

5 Resolution 3 – Ratification of prior issue of Consideration Shares

5.1 General

On 18 September 2023, the Company announced that it and its wholly owned subsidiary, Kouzan Pty Ltd (ACN 097 982 235) (**Kouzan**), had entered into a binding agreement (**Acquisition Agreement**) with Firebird Metals Limited (ACN 610 035 535)(**Vendor**) pursuant to which Kouzan agreed to acquire the Ashburton prospect (E09/2543) (**Asset**) in consideration for 7,413,140 Shares (**Consideration Shares**).

The Company issued the Consideration Shares to the Vendor (or its nominees) on 29 September 2023 within the 15% annual limit permitted under Listing Rule 7.1, without the need for Shareholder approval.

Resolution 3 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue the Consideration Shares.

Resolution 3 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 3.

5.2 Listing Rules 7.1 and 7.4

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.4 sets out an exception to Listing Rules 7.1 and 7.1A. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rules 7.1 and 7.1A (and provided that the previous issue did not breach Listing Rule 7.1 and 7.1A), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1 and 7.1A.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issues under Listing Rules 7.1 and 7.1A. To this end, Resolution 3 seeks shareholder approval for the issue of the Consideration Shares under and for the purposes of Listing Rule 7.4.

If Resolution 3, is passed, the Consideration Shares will be excluded in calculating the Company's 15% limit under Listing Rule 7.1 and 10% limit under Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12 month period following the date of issue of the Consideration Shares (being 29 September 2023).

If Resolution 3 is not passed, the Consideration Shares will be included in calculating the Company's 15% limit under Listing Rule 7.1 and 10% limit under Listing Rule 7.1A, effectively decreasing the number of Securities it can issue without Shareholder approval over the 12 month period following the date of issue of Shares (being 29 September 2023)

5.3 Specific information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Consideration Shares:

- (a) a total of 7,413,140 Consideration Shares were issued on 29 September 2023;
- (b) the Consideration Shares were issued for nil cash consideration, as full consideration for the acquisition of the Asset;
- (c) the Consideration Shares issued were fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue;
- (d) the Consideration Shares were issued to the Vendor (or its nominees), none of whom is a related party of the Company;
- (e) no funds were raised from the issue of the Consideration Shares as the Consideration Shares were issued as consideration for the acquisition of the Asset by the Company;
- (f) the material terms on which the Consideration Shares were issued are set out in section 5.1; and
- (g) a voting exclusion statement is included in the Notice.

6 Resolution 4 – Approval of the Additional 10% Placement Capacity

6.1 General

Listing Rule 7.1A provides that an 'eligible entity' may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital at the time of issue calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 (**Additional 10% Placement Capacity**) without using that company's existing 15% annual placement capacity under Listing Rule 7.1 and without requiring further shareholder approval prior to the issue.

The Company is seeking approval under Resolution 4 to have the flexibility to issue additional Equity Securities under the Additional 10% Placement Capacity. As at the date of this Notice, no decision has been made by the Company to undertake any issue of Equity Securities under the Additional 10% Placement Capacity if Shareholders approve this Resolution.

Resolution 4 seeks Shareholder approval by way of a special resolution to provide the Company the ability to issue Equity Securities under the Additional 10% Placement Capacity during the Additional 10% Placement Period (refer to section 6.3(a) below). The number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 4 is passed, the Company will effectively be able to issue equity securities up to a combined annual placement capacity of 25% under Listing Rules 7.1 and 7.1A (subject to certain restrictions) without necessarily requiring prior Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the Additional 10% Placement Capacity to issue equity securities without Shareholder approval. This means the Company will only have access to the 15% annual placement capacity for issuing equity securities without necessarily requiring prior Shareholder approval under Listing Rule 7.1.

The Board recommends that Shareholders vote in favour of Resolution 4.

6.2 Listing Rule 7.1A

(a) Eligible Entity

Under the Listing Rules, an 'eligible entity' is an entity which, as at the date of the relevant resolution, is not included in the S&P / ASX300 Index and has a market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) equal to or less than \$300 million. The Company has a market capitalisation of approximately \$44,570,826 and is currently an 'eligible entity'.

(b) Special resolution

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

(c) Type of Securities which may be issued

Any Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the company.

As at the date of the Notice, the Company has on issue two quoted class of Equity Securities, being Shares (ASX:RR1) and quoted options (ASX:RR1O).

(d) Interaction with Listing Rule 7.1

The Additional 10% Placement Capacity under Listing Rule 7.1A is in addition to the Company's 15% placement capacity under Listing Rule 7.1. Therefore, approval of this Resolution will enable the Company to issue Equity Securities under Listing Rule 7.1A without using its placement capacity under Listing Rule 7.1.

(e) Effect of Resolution 4

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the Additional 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

6.3 Information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the Additional 10% Placement Capacity:

(a) Effective period

Shareholder approval of the Additional 10% Placement Capacity is valid from the date of the Meeting and expires on the earlier of:

- (i) the date that is 12 months after the Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the date that Shareholders approve a transaction under Listing Rule 11.1.2 (significant change to nature or scale of activities) or 11.2 (change involving main undertaking),

(Additional 10% Placement Period).

(b) **Minimum issue price**

The issue price of Equity Securities issued under the Additional 10% Placement Capacity must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the issue price is agreed for Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued,

(Minimum Issue Price).

The Company will disclose this information when Equity Securities are issued under the Additional 10% Placement Capacity.

(c) **Purpose of issue**

The Company may only issue Equity Securities under the Additional 10% Placement Capacity for cash consideration, which it may do to fund any one or more of the following:

- (i) general working capital expenses;
- (ii) activities associated with its current assets, including generally with respect to its tenements in the resource rich Gascoyne Mineral Field;
- (iii) repayment of debt; and
- (iv) acquisition and investment in new assets (including associated expenses).

The Company will disclose this information when Equity Securities are issued under the Additional 10% Placement Capacity.

(d) **Economic and voting dilution risks**

If Equity Securities are issued under the Additional 10% Placement Capacity, there is a risk of economic and voting dilution of Shareholders, including:

- (i) the market price for Equity Securities in the class of securities issued under the Additional 10% Placement Capacity may be significantly lower on the issue date than on the date of approval under Listing Rule 7.1A (i.e. the date of the Meeting); and
- (ii) the Equity Securities may be issued under the Additional 10% Placement Capacity at a discount to the market price for those Equity Securities on the issue date,

which may have an effect on the amount of funds raised from the issue of the Equity Securities.

The table below illustrates:

- (i) the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice (**Variable A**);
- (ii) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue as at the date of this Notice. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (e.g. a pro rata entitlement offer or securities issued under a takeover offer) or future specific

placements under Listing Rule 7.1 that are approved at a future general meeting;
and

- (iii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 4 October 2023.

- The Company issues the maximum possible number of Equity Securities under the Additional 10% Placement Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes new Options, it is assumed that those new Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The calculations do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(e) Allocation policy

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional 10% Placement Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional 10% Placement Capacity, including whether the Company will engage with new investors or existing Shareholders and, if so, the identities of any such persons.

However, when determining the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

- (i) prevailing market conditions;
- (ii) the purpose for the issue of the Equity Securities;
- (iii) the financial situation and solvency of the Company;
- (iv) impacts of the placement on control;
- (v) other methods of raising capital; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties who would otherwise require Shareholder approval under Listing Rule 10.11.

(f) **Previous approval and issues under Listing Rule 7.1A**

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 11 November 2022.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has issued 456,500,000 Equity Securities (of which 182,500,000 have subsequently been approved by the Company's shareholders for the purposes of Listing Rule 7.4 on 5 April 2023) under Listing Rule 7.1A.2. This represents 14.29% of the total number of Equity Securities on issue at the commencement of that 12 month period.

Details of each issue of Equity Securities by the Company during the 12 months preceding the date of the Meeting are set out in Schedule 2.

(g) **Voting exclusion statement**

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.
