Bisan Invests in Property Unit Trust

Bisan Limited ("Bisan" or "the Company") wishes to advise that it has invested into a commercial property based unit trust to the amount of AUD\$50,000.

The Board's decision to invest into the unit trust is representative of the continued effort to seek out investments that may provide for solid returns to the Company.

The Company continues to assess other investments and will advise the market of such, as and when, they materialise.
