Flinders Project Update

Taruga Minerals Limited (ASX: **TAR**, **Taruga** or the **Company**) is pleased to provide an update on land access at the Woolshed and Jenkins Prospects in the northern portion of the Flinders Project, South Australia. The Company has recently completed a heritage survey with traditional owners at the two prospects and is currently awaiting further information before recommencing drilling activities.

The submitted drilling permit application for the southern portion of the Flinders Project, where an existing heritage agreement is in place with traditional owners, is currently being reviewed by the Department of Mining and Energy.

We look forward to providing a further update to the market regarding project advancement in the northern and southern Flinders Project soon.

This announcement was approved by the Board of Taruga Minerals Limited.
