1. The meeting ID, which is 300-547-513-834.
2. Your username, which is your Voter Access Code (located either on your proxy and question form, Notice of Meeting email or by logging onto [www.investorserve.com.au](http://www.investorserve.com.au)).

4. If you have been nominated as a third party proxy, please contact Boardroom on 1300 420 372.

More information regarding participating in the AGM online can be found by visiting [www.wilsonassetmanagement.com.au](http://www.wilsonassetmanagement.com.au) or at the end of this Notice of Meeting.

In accordance with the Company's Constitution, the Chairman intends to demand a poll on each resolution proposed at the AGM. Voting on each resolution considered at the AGM will be conducted by a poll rather than a show of hands.

The Chairman considers voting by poll to be in the interests of shareholders as a whole particularly as the

AGM is being conducted as a hybrid meeting and is a way to ensure the views of as many shareholders as possible are represented and offered an opportunity to participate at the AGM.

### **Optional question for the Chairman or Auditor**

We aim to provide shareholders with the best opportunity to ask questions about the Company and its external audit at the AGM. If you would like to ask a question ahead of the meeting, please log onto <http://www.votingonline.com.au/wamresearchagm2024>. Alternatively, shareholders can complete the optional question for the Chairman or Auditor on the proxy and question form and return it to Boardroom Pty Limited. ## Explanatory Memorandum

This Explanatory Memorandum sets out further information regarding the proposed resolutions to be considered by shareholders of WAM Research Limited (the Company) at the 2024 Annual General Meeting (AGM) to be held at 8:30am (AEDT) on Thursday 21 November 2024 at Museum of Sydney, Warrane Theatre, Corner of Bridge Street & Phillip Street, Sydney NSW 2000, and online via <https://meetings.lumiconnect.com/300-547-513-834>

The Directors recommend that shareholders read this Explanatory Memorandum before determining whether or not to support the resolutions.

### Resolution 1: Adoption of Remuneration Report

The Company's Remuneration Report sets out the remuneration arrangements for the Directors and key management personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report of the Company for the financial year ended 30 June 2024.

The Corporations Act requires that at a listed company's AGM, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company. The Board will take the outcome of the vote into account when considering the future remuneration arrangements of the Company.

Shareholders will be given reasonable opportunity at the AGM to ask questions about, and make comments on, the Remuneration Report.

*The Directors unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 1. The Chairman of the AGM intends to vote all available proxies FOR Resolution 1.*

### Resolution 2: Re-election of Director

#### – Geoff Wilson AO

BSc CMQ FFINSIA FAICD

Geoff Wilson has been a Director of the Company since June 2003. Geoff has over 44 years' direct experience in investment markets having held a variety of senior investment roles in Australia, the UK and the US. Geoff founded Wilson Asset Management in 1997. Geoff is currently Chairman of WAM Capital Limited, WAM Active Limited, WAM Leaders Limited, WAM Microcap Limited, WAM Global Limited and WAM Strategic Value

Limited. He is the founder and Director of Future Generation Australia Limited and Future Generation Global Limited, and Director of WAM Alternative Assets Limited, Staude Capital Global Value Fund Limited and Hearts and Minds Investments Limited.

Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. If Resolution 2 is passed, Mr Wilson will be re-elected as a director of the Company and if Resolution 2 is not passed, Mr Wilson will cease to be a director of the Company.

*The Directors (excluding Mr Wilson) strongly support the re-election of Mr Wilson and unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 2. The Chairman of the AGM intends to vote all available proxies FOR Resolution 2.*

### Resolution 3: Approval of additional 10% placement capacity

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is currently an eligible entity for these purposes.

If on the date of the AGM, the Company's market capitalisation exceeds \$300 million, or it has been included in the S&P/ASX 300 Index, then the Company will not be an eligible entity for these purposes and Resolution 3 will be withdrawn.

Resolution 3 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If Resolution 3 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

The following additional disclosure is provided as required by Listing Rule 7.3A:

- a) *Date of issue*: the period for which the mandate to issue equity securities under Listing Rule 7.1A is valid is the period commencing on the date of the AGM and expiring on the first to occur of the following:
  - i. 12 months after the date of the AGM;
  - ii. the time and date of the next AGM of the Company; and
  - iii. the time and date of approval by shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).
- b) *Minimum price*: the Company will only issue securities under the 10% placement capacity for cash consideration. Any securities issued must be in an existing quoted class of the Company's equity securities and be issued at a minimum price of 75% of the volume weighted average market price of equity securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:
  - i. the date on which the price at which the equity securities are to be issued is agreed; or
  - ii. if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.
- c) *Purpose of issue*: while the Company does not have any immediate plans to issue equity securities, the purposes for which equity securities may be issued pursuant to Resolution 3 may include the raising of capital for investment purposes in line with the Company's investment policy. In accordance with Listing Rule 7.3A.3, equity securities issued following approval of Resolution 3 will only be issued for cash consideration.
- d) *Risk of economic and voting dilution*: shareholders should be aware there is a risk of economic and voting dilution that may result from an issue of

equity securities under Listing Rule 7.1A, including the risk that:

- i. the market price for equity securities in that class may be significantly lower on the issue date than on the date of the AGM where approval is being sought; and
- ii. the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the date of issue.

Any issue of equity securities under Listing Rule 7.1A will dilute the interests of shareholders who do not receive any equity securities under the issue.

- e) *Allocation under Listing Rule 7.1A*: the allottees of the equity securities to be issued under Listing Rule 7.1A have not yet been determined. However, the allottees of equity securities could consist of current shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under Listing Rule 7.1A, having regard to the following factors:

- i. the purpose of the issue;
  - ii. alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing shareholders may participate;
  - iii. the effect of the issue of the equity securities on the control of the Company;
  - iv. the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
  - v. prevailing market conditions; and
  - vi. advice from corporate, financial and broking advisers (if applicable).
- f) *Previous approval under Listing Rule 7.1A*: the Company obtained shareholder approval under Listing Rule 7.1A at the 2023 AGM held on 25 October 2023. In the 12 months since the date of that AGM, the Company has not issued any shares using the 10% placement capacity approved by shareholders under Listing Rule 7.1A.

If Resolution 3 is approved by shareholders and the Company issues the maximum number of equity securities available under the 10% placement capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the potential dilution of existing shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the market price of the Shares as at 30 September 2024 and the number of Shares on issue as at 30 September 2024. The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% placement capacity.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.60 50% decrease in Issue Price	\$1.20 Issue Price	\$2.40 100% increase in Issue Price
204,069,123				
<b>Current Variable A</b>	10% Voting dilution	20,406,912 Shares	20,406,912 Shares	20,406,912 Shares
	Funds raised	\$12,244,147	\$24,488,294	\$48,976,588
306,103,685				
<b>50% increase in current Variable A</b>	10% Voting dilution	30,610,369 Shares	30,610,369 Shares	30,610,369 Shares
	Funds raised	\$18,366,221	\$36,732,443	\$73,464,886
408,138,246				
<b>100% increase in current Variable A</b>	10% Voting dilution	40,813,825 Shares	40,813,825 Shares	40,813,825 Shares
	Funds raised	\$24,488,295	\$48,976,590	\$97,953,180

#### Notes:

1. The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with shareholder approval under Listing Rule 7.1.
2. The table above uses the following assumptions:
  - i. The current Shares on issue are the Shares on issue as at 30 September 2024.
  - ii. The issue price set out above is the closing price of the Shares on the ASX on 30 September 2024.
  - iii. The Company issues the maximum possible number of equity securities under the 10% placement capacity and any options on issue are not exercised.
  - iv. The Company has not issued any equity securities in the 12 months prior to the meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
  - v. The calculations above do not show the dilution that any one particular shareholder will be subject to. All shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
  - vi. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
  - vii. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by shareholders present or by proxy and eligible to vote at the meeting must be in favour of Resolution 3 for it to be passed.

*The Directors support the additional 10% placement capacity and unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 3. The Chairman of the AGM intends to vote all available proxies FOR Resolution 3.*

## To vote by completing the proxy and question form

### Step 1 Appointment of proxy

Indicate who you want to appoint as your proxy.

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chairman of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chairman of the Meeting will be your proxy. A proxy need not be a shareholder of the Company. Do not write the name of the issuer Company or the registered shareholder in the space.

### Appointment of a second proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional proxy and question form may be obtained by contacting the Company's share registry or you may copy this form.

To appoint a second proxy you must:

- (a) complete two proxy and question forms. On each proxy and question form state the percentage of your voting rights or the number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- (b) return both forms together in the same envelope.

### Step 2 Voting directions to your proxy

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of shares are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your shares your vote on that item will be invalid.

### Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the Company's share registry.

### Step 3 Sign the form

The form **must** be signed as follows:

**Individual:** this form is to be signed by the securityholder.

**Joint holding:** where the holding is in more than one name, all the shareholders should sign.

**Power of Attorney:** to sign under a Power of Attorney, you must have already lodged it with the share registry. Alternatively, attach a certified photocopy of the Power of Attorney to this form when you return it.

**Companies:** this form must be signed by a Director jointly with either another Director or a Company Secretary. Where the company has a Sole Director who is also the Sole Company Secretary, this form should be signed by that person. **Please indicate the office held by signing in the appropriate place.**

### Step 4 Lodgement

Proxy and question forms (and any Power of Attorney under which it is signed) must be received no later than 48 hours before the commencement of the meeting, therefore by **8:30am (AEDT) on Tuesday 19 November 2024**. Any proxy and question form received after that time will not be valid for the scheduled meeting.
