### **Request for Trading Halt**

Pursuant to Listing Rule 17.1, Australian Vanadium Limited ("AVL" or "the Company") requests an immediate trading halt be granted by the ASX, with respect to AVL's quoted securities.

In accordance with Listing Rule 17.1, AVL advises that:

- (a) the reason for the request is to facilitate an orderly market in the Company's securities pending announcement of an updated pre-feasibility study for the Australian Vanadium Project;
- (b) it anticipates that the trading halt will remain in place until the earlier of the commencement of normal trading on Wednesday, 23 December 2020, and when the announcement regarding the updated pre-feasibility study for the Australian Vanadium Project is made to the market; and
- (c) it is not aware of any reason why the trading halt should not be granted.

Yours faithfully
