## **Service Stream extends its OMMA contract with nbn**

Leading essential network services company Service Stream Limited (ASX: SSM) is pleased to announce that it has extended its Operations and Maintenance Master Agreement with **NBN Co. (nbn)**.

The OMMA contract has been extended for an additional 12-month term to 21 December 2020.

Under the OMMA contract, which was initially executed in December 2015, Service Stream will continue to be responsible for performing operations and maintenance field services for **nbn** including service activations, service assurance and preventative maintenance activities across **nbn's** fixed-line multi-technology network.

Service Stream's revenue under the OMMA contract was approximately \$275 million in FY19 and \$215 million in FY18.

Managing Director, Leigh Mackender said: *"We are delighted that by extending the OMMA contract, **nbn** has demonstrated continued confidence in Service Stream's ability to support its national operations and the enhancement of its customers' experience as they connect to the National Broadband Network. We look forward to continuing as **nbn's** leading operations and maintenance delivery partner."*
