DISCLAIMER

This presentation has been prepared and approved for release by the Board of I Synergy Group Ltd (ABN 51 613 927 361) (ASX:IS3).

This presentation provides a summary about I Synergy Group's activities current as at the date of this presentation. The information is given in summary and does not purport to be complete. The presentation should be read in conjunction with I Synergy Group's other continuous announcements which are available at www.asx.com.au.

The presentation does not constitute as financial product or investment advice or a recommendation to acquire securities at I Synergy Group Ltd.

I Synergy Group makes no representation or warranty, express or implied as to the accuracy or reliability of any statements, representations, estimates or opinions or other information contained in this presentation. To the maximum extent permitted by law, each of I Synergy Group and its subsidiaries, and their respective directors, employees or advisors shall have no liability, including liability to any person by reason of negligence or negligent misstatement or statements, opinions, information or matters, express or implied, arising out of, contained or derived from, or any of the omissions from this Presentation as they do not accept any liability for any loss or damage which may be suffered by a person through a use of reliance on any statement made in, or omitted from, this presentation.

Before acting on any information and making an investment decision, each recipient of this presentation should consider the appropriateness of the information having regard to these matters and make their own individual evaluation of an investment in the Company and consult their own independent advisors for advice in connection with any acquisition of securities or interest in I Synergy Group.

In particular you are cautioned not to place undue reliance on any forward-looking statements regarding I Synergy Group's belief, intent or expectations with respect to I Synergy Group's business, market conditions, and/or results of operations. Although due care has been used in the preparation of statements, actual results may vary in a material manner. No representation or warranty or assurance (express or implied) is given or made in relation to any forward-looking statement by any person (including I Synergy Group). Subject to any continuing obligations under applicable law or any relevant listing rules of the Australian Securities Exchange, I Synergy Group disclaims any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements in this presentation to reflect any change in expectations in relation to any forward-looking statements or any change in events, conditions or circumstances on which any such statement is based. Nothing in this presentation shall under any circumstances create an implication that there has been change in the affairs of I Synergy Group since the date of these materials.

This presentation may contain forward-looking statements, guidance, forecasts, estimates, prospects, projections or statements in relation to future matters ('Forward Statements'). Forward Statements can generally be identified by the use of forward-looking words such as "anticipate", "estimates", "will", "should", "could", "may", "expects", "plans", "forecast", "target" or similar expressions. Forward Statements including indications, opinions, projections, guidance or outlook on possible future revenues, distributions or financial position and performance or return or growth in underlying investments are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. Should one or more of the risk or uncertainties materialise, or should assumptions prove incorrect, there can be no assurance that actual policies will not differ materially from these statements. Forward looking statements, opinions or estimates are based on assumptions and contingencies which are subject to certain risks, uncertainties and change without notice, as are statements about market and industry trends, which are based on interpretations of current market conditions.

No independent third party has reviewed the reasonableness of any such statements or assumptions. No member of I Synergy Group Ltd represents or warrants that such Forward Statements will be achieved or will prove to be correct or gives any warranty, express or implied, as to the accuracy, completeness, likelihood of achievement or reasonableness of any Forward Statement contained in this presentation. Except as required by law or regulation, I Synergy Group Ltd assumes no obligation to release updates or revisions to Forward Statements to reflect any changes.

Information in this presentation, including any forecast financial or other information, should not be considered as advice or a recommendation to investors or potential investors in relation to holding, purchasing or selling securities. Recipients of this presentation should also be aware that the Company makes no representation as to revenue that may or may not accrue and the materiality of any revenue obtained from wyde is not able to be quantified.

MODERN MARKETPLACE

Payment Gateway Facility

wyde is planning to offer a payment gateway facility for online merchants subject to all required regulatory approvals in the relevant operating jurisdiction. The eWallet for customers will facilitate value added services to be built over time. The long term goal of the Company is to be a leader in the Web 3.0 space.

There will be the ability to buy products and services using digital wallets online and in store, and make payments across networks including everyday transactions and supplier payments. The Company anticipates it will spend the first half of 2023 developing this facility and will update the market on progress.
