SEEK's response to Zhaopin media speculation

SEEK notes media speculation in relation to potential corporate activity involving our Chinese employment platform, Zhaopin Limited ("Zhaopin").

In line with SEEK Investments' previously disclosed strategy, SEEK regularly assesses strategic options to maximise the long term growth aspirations of its investments.

In this context, Zhaopin and its shareholders are holding discussions with a number of parties to assess whether the introduction of new investors could better support Zhaopin's long term growth aspirations. These discussions may or may not lead to changes with respect to Zhaopin.

SEEK confirms that it is in compliance with the Listing Rules and will continue to keep the market informed in accordance with its disclosure obligations.
