

## **CYPRIUM COMMENCES TRADING ON OTCQB VENTURE MARKET**

Cyprium Metals Limited (ASX: CYM) (**Cyprium** or **the Company**) is pleased to announce that its fully paid ordinary shares have been approved to trade on the OTCQB Venture Market (**OTCQB**) in the United States of America and commenced trading at the market open on 15 October 2024 under the ticker **CYPMF**.

**Highlights include:**

- **Cyprium commenced trading at market open on 15 October under the ticker CYPMF**
- **OTCQB trading and reporting of Cyprium's ASX filings on the OTCQB platform provides efficient access for US investors and increased liquidity for shareholders**
- **OTCQB listing allows North American investors to trade and settle in trade and settlements are in US Dollars (USD) and to trade in the North American time zone**

"We are pleased to enhance the visibility and accessibility of the Company to North American individual and institutional investors," said Cyprium Executive Chair Matt Fifield. "We have reasonable inquiry from potential North American owners that can see the advantages of Australian copper, a brownfield redevelopment story and a revitalised management team that's been executing on plan. Over time, we expect that this OTCQB listing will facilitate increased liquidity in the Company's shares, to the benefit of all our shareholders."

The cross-trading of Cyprium shares on OTCQB provides enhanced easier trading access for certain investors located in the US and allows investors to access the Company's shares in USD during the North American time zone. In addition to accessing a wider reach of potential investors and other interested stakeholders, trading on the OTCQB also enable the Company to engage a broader network of data distributors and media partners through the US facing OTC Markets platform.

The ability to trade the Company's existing fully paid ordinary shares on the Australian Securities Exchange (**ASX**) will not be affected by having the OTCQB listing. No new shares have been issued. The Company will continue to make announcements and disclosures to the ASX through the Marketing Operating Rules and Listing Rule requirements.

The Company's OTCQB application was supported by Amvest Capital Inc. Berns and Berns served as the Company's Sponsor for its OTCQB quotation.

**This ASX announcement was approved and authorised by the Executive Chair.**

### About Cyprium Metals Limited

Cyprium Metals Limited (ASX: CYM, OTCQB:CYPMF) is an Australian copper company.

Its flagship property is the Nifty Copper Mine in Western Australia, which previously produced significant copper from both oxide and sulphide resources. Cyprium is focused on redeveloping Nifty, which has the advantage of significant invested capital, data from a long operating history, large-scale resources, current operational approvals, and recent investment in the property.

The Company's other assets include significant copper-focused properties in the Paterson and Murchison Provinces, including multiple defined copper resources.
