Participation in the Offer is entirely voluntary. All New Units issued under the Offer will rank equally with existing fully paid Units and will carry the same voting rights and entitlement to receive the distributions.

TERMS OF THE OFFER

THE OFFER

Eligible Unitholders will each have the opportunity to participate in the Offer by subscribing for up to A\$30,000 of New Units at the Offer Price, without incurring brokerage or other transaction costs. Details of the Offer and how to participate are set out below.

The Offer will be on the same terms to all Eligible Unitholders.

OFFER TIMETABLE

This Offer is dated, and taken to be made on Thursday, 4 November 2021.

The Offer opens at 9.00am (Sydney, Australia time) on Thursday, 4 November 2021 (**Opening Date**) and closes at 5.00pm (Sydney, Australia time) on Tuesday, 30 November 2021 (**Closing Date**). Application Forms and cheques, bank drafts, money orders, BPAY or EFT payments may not be processed and may not be valid if they have not been received by the Closing Date. You must allow adequate time for Application Forms and cheques, bank drafts or money orders forwarded by post to be received by the Unit Register.

Applications cannot be processed before Thursday, 4 November 2021, being the Opening Date.

Any reduction in allotments of New Units under the Offer is proposed to be announced on the Scale Back Date (**Scale Back**).

The New Units will be issued on the Issue Date.

ELIGIBLE UNITHOLDERS

You are eligible to participate in the Offer (an **Eligible Unitholder**) if you were a registered holder of Units at 7.00pm (Sydney, Australia time) on Wednesday, 27 October 2021 with an address on the Unit Register in Australia or New Zealand, subject to the terms and conditions of the Offer. The Responsible Entity has determined that it is not practical for holders of Units with addresses on the Unit Register in other jurisdictions to participate in the Offer.

In applying for New Units, each Eligible Unitholder must comply with the terms of the ASIC Instrument to the extent that it applies to them. What is required in order to comply with the ASIC Instrument is set out in this Offer Booklet.

If you are the only registered holder of a holding of Units, but you receive more than 1 offer under the Offer (due to multiple

registered holdings), you may only contribute a maximum of A\$30,000 in applying for New Units.

If two or more persons are recorded in the Unit Register as jointly holding Units, they are taken to be a single registered holder of Units for the purposes of the Offer and they are entitled to participate in the Offer in respect of that single holding only. If as joint holders you receive more than one offer under the Offer due to multiple identical holdings, you may still only contribute a maximum of A\$30,000 in applying for New Units under the Offer. An agreement, representation, acknowledgement or certification given by any joint holder of Units is taken to be an agreement, representation, acknowledgement or certification given by all joint holders.

If you are a custodian, trustee or nominee within the definition of "custodian" in *ASIC Corporations Instrument 2019/547 (ASIC Instrument) (Custodian)*, you may contribute a maximum of A\$30,000 under this offer in applying for Units for each participating beneficiary on whose behalf you or a downstream custodian holds Units (but joint holders are taken to be a sole unitholder). This is subject to providing the Responsible Entity with a certificate in accordance with the ASIC Instrument by emailing it promptly to custodialcertificates@automicgroup.com.au. If you are not a Custodian, the rules for multiple single holdings apply and you may only contribute a maximum of A\$30,000 in applying for New Units under this offer. You are not eligible to participate on behalf of a person who resides outside Australia and New Zealand.

The Offer is made on the same terms and conditions to each Eligible Unitholder (whether you are a Custodian or hold Units on your own account).

To the extent that an Eligible Unitholder holds Units on behalf of another person resident outside Australia or New Zealand, it is their responsibility to ensure that any acceptance of the Offer complies with all applicable foreign laws.

In order to comply with relevant securities laws, the New Units to be issued under this Offer may not be offered to Unitholders located in the United States or to Unitholders who are, or who are acting for the account or benefit of, U.S. Persons (as defined in Regulation S under the U.S. Securities Act). Because of these legal restrictions, you must not send copies of this Offer Booklet or any other material relating to the Offer to any person resident in the United States or who are, or are acting for the account or benefit of, U.S. Persons.

Participation in the Offer is entirely optional. If you are an Eligible Unitholder, you can choose whether or not to participate. If you are a Custodian, you can choose whether to extend the offer to your beneficiaries.

NON-TRANSFERABLE RIGHT TO PARTICIPATE IN THE OFFER

The Offer to each Eligible Unitholder is non-renounceable (i.e. Eligible Unitholders may not transfer their right to apply for New Units under the Offer to anyone else).

OFFER PRICE PAYABLE TO ACQUIRE NEW UNITS UNDER THE OFFER

The Offer Price of New Units under the Offer will be A\$2.00 per New Unit.

The Offer Price may differ from the market price of Units on the day New Units are issued to you under the Offer.

Units in the Metrics Master Income Trust last traded at A\$2.060 on the Record Date.

Unitholders should note that there is a risk that the market price of Units may rise or fall between the date of the Offer and the date when the New Units are issued. This means that the price you pay per New Unit pursuant to this Offer may be either higher or lower than the Unit price at the date the New Units are issued to you under the Offer. It is possible that you may be able to buy Units at a lower price than the offer price under the Plan. No cooling-off regime applies in relation to the application for or acquisition of New Units under the Plan.

UNIT PARCELS

Each Eligible Unitholder may participate in the Offer by applying for one of the following amounts of New Units from a minimum of A\$2,500 worth of New Units up to the a maximum of A\$30,000 worth of New Units (subject to scale back) (**Unit Parcels**):

| APPLICATION AMOUNT |
|--------------------|
| A\$2,500 |
| A\$5,000 |
| A\$7,500 |
| A\$10,000 |
| A\$12,500 |
| A\$15,000 |
| A\$20,000 |
| A\$25,000 |
| A\$30,000 |

If an Eligible Unitholder applies for any amount other than those specified in the table above their application may be considered defective and may be rejected by the Responsible Entity.

The number of New Units an Eligible Unitholder will receive, at each of the available levels, is dependent on the final calculation of the Offer Price and the extent of any Scale Back. Where applicable, the number of New Units issued under each Unit Parcel will be rounded down to the nearest whole number of New Units.

PARTICIPATION BY ELIGIBLE UNITHOLDERS

The following rules apply to participation by Eligible Unitholders in the Offer:

Sole Unitholders

Unless a Unitholder is a Custodian, each Eligible Unitholder is entitled to apply under the Offer for up to a maximum amount of A\$30,000 worth of New Units (irrespective of whether the Unitholder receives multiple Offer documents, for example, due to multiple registered sole or joint holdings), subject to the Unitholder certifying that the total of the application price for the following does not exceed A\$30,000:

- (a) the New Units that are the subject of the application;
 - (b) any other New Units applied for by the Unitholder under the Plan or any similar arrangement in the 12 months before the application;
 - (c) any other New Units which the Unitholder has instructed a Custodian to acquire on their behalf under the Plan; and
 - (d) any other New Units issued to a Custodian under an arrangement similar to the Plan in the 12 months before the application as a result of an instruction given by the Unitholder to the Custodian or another Custodian which resulted in the Unitholder holding beneficial interests in those New Units.
- (b) is exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
 - (c) holds an Australian financial services licence covering the operation of an IDPS or is a responsible entity of an IDPS-like scheme;
 - (d) is a trustee of a self-managed superannuation fund or a superannuation master trust; or
 - (e) is a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

By completing and submitting an Application Form for New Units under the Offer, a Unitholder certifies the above.

Joint Unitholders

Unless a Unitholder is a Custodian, if an Eligible Unitholder is recorded with one or more other persons as a joint holder of Units, that joint holding is considered to be a single registered holding for the purpose of the Offer and certifications or representations given by a joint holder are taken to have been given by all joint holders. Joint holders are only entitled to participate in the Offer in respect of that single holding. If the same joint holders receive more than one Offer document due to multiple identical holdings, the joint holders may only apply for one maximum amount of A\$30,000 worth of New Units.

Custodians

If an Eligible Unitholder holds Units as a Custodian, the Offer is made to the Custodian and, subject to certain conditions, the Custodian has the discretion to extend the Offer to the beneficiaries. The Custodian may apply for up to a maximum amount of A\$30,000 worth of New Units in respect of each beneficiary. However, the Responsible Entity will not allocate New Units under the Offer to the Custodian unless the Custodian certifies the matters set out in a Custodian Certificate.

Under the ASIC Instrument, you are a custodian if you are a person that provides a custodial or depository service in relation to shares of a body or interests in a registered scheme and who:

- (a) holds an Australian financial services licence covering the provision of a custodial or depository service;
- (b) is exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
- (c) holds an Australian financial services licence covering the operation of an IDPS or is a responsible entity of an IDPS-like scheme;
- (d) is a trustee of a self-managed superannuation fund or a superannuation master trust; or
- (e) is a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

Custodians wishing to participate in the Offer on behalf of one or more beneficiaries should contact Automic Pty Ltd on 1300 288 664 (within Australia) or +61 2 9698 5414 (outside Australia) to obtain further information on how to apply and how to obtain a Custodian Certificate. If a Custodian holds Units jointly on behalf of two or more beneficiaries, the A\$30,000 limit applies jointly in relation to those beneficiaries as if the Custodian held the Units on behalf of a single person.

A Custodian must not participate in the Offer if their participation in the Offer would breach the ASIC Instrument.

The Offer opens on Thursday, 4 November 2021 and under the Offer you may apply for New Units from a minimum of A\$2,500 of New Units up to the maximum of A\$30,000 of New Units within the nominated Unit Parcels. The Unit Parcel you apply for under the Offer may be subject to Scale Back and rounding.

If you are an Eligible Unitholder and wish to apply for New Units under the Offer, you can either:

- (a) for Eligible Unitholders with an Australian bank account, make a BPAY payment on the internet or by telephone banking by using the personalised customer reference number shown on your personalised Application Form, which is required to identify your holding. If paying by BPAY or EFT you do not need to return your Application Form;
- (b) complete the enclosed personalised Application Form and return it together with your cheque, bank draft or money order made payable to 'Metrics Master Income Trust – UPP' drawn on an Australian bank and in Australian dollars, by post to the Unit Registry; or

- (c) make an EFT payment by using the unique reference shown on your personalised Application Form, which is required to identify your holding. If applying by EFT, you need to ensure your payment is received by the Unit Registry no later than 5.00pm (Sydney, Australia time) on Tuesday, 30 November 2021.

Do not forward cash. Receipts for payment will not be issued.

Funds paid via BPAY or EFT or Application Forms (with application payments) must be received by the Unit Registry by 5.00 pm (Sydney, Australia time) on Tuesday, 30 November 2021. The Responsible Entity may reject applications received after this time. If your cheque does not clear, your application will not be accepted and you are responsible for any dishonour fees or other costs incurred. If your cheque is dishonoured, it will not be re-presented. If you are paying by BPAY applicants should be aware that their own financial institution may implement early cut off times with regards to electronic payments and therefore should take this into consideration when making payment. It is the responsibility of the applicant to ensure that funds submitted through BPAY or EFT are received by the close of the Offer.

If your Application Form is incomplete, contains errors or is otherwise invalid or defective, the Responsible Entity may, in its sole discretion, accept, reject, correct or amend your application, issue such number of New Units to you as it determines, refund your application money, or take any combination of these actions. Any refund will be paid to you shortly after the allotment of New Units under the Offer. No interest will be paid to applicants on any refunded money. Any application monies refunded by the Responsible Entity will be paid by direct credit to your nominated bank account (as recorded on the Unit Register) or by cheque to your address shown on the Unit Register as determined by the Responsible Entity in its absolute discretion in Australian currency.

Applications and payments under the Offer may not be withdrawn once they have been received. Application money will not bear interest as against the Responsible Entity under any circumstances. Please read the enclosed Application Form for further details on how to apply for New Units under the Offer.

PARTICIPATION IS OPTIONAL

Participation in the Offer is entirely optional (subject to the eligibility criteria set out in this Offer Booklet). The offer to acquire New Units is not a recommendation. If you are in any doubt about the Offer, whether you should participate in the Offer or how participation will affect you, you should consider seeking independent financial and taxation advice before making a decision as to whether or not to apply for New Units under the Offer.

The Responsible Entity also recommends that you monitor the Metrics Master Income Trust's announcements to ASX and the price at which Units traded on ASX, which can be found on the ASX website at www.asx.com.au (ASX Code: MXT) and on the Manager's website at www.metrics.com.au/mxt.

If you do not wish to participate in the Offer, you do not need to do anything.

ISSUE OF NEW UNITS

In the absence of a Scale Back as described below, the Responsible Entity will divide the application money of an Eligible Unitholder by the Issue Price in order to determine the number of New Units for which they have applied, rounded down to the nearest number of New Units.

If the Responsible Entity receives an amount that is not exactly divisible by the Issue Price or that exceeds A\$30,000, the Responsible Entity may either:

- (a) reject the application and refund in full the application money (without interest) to the Eligible Unitholder; or
- (b) apply the dollar amount of the payment to the highest whole New Unit that is less than the amount of the payment and refund the excess application money (without interest) to the Eligible Unitholder.

If you have more than one holding of Units and consequently receive more than one Application Form, when applying for New Units in respect of one of those Unitholdings you must only use the customer reference number specific to that Unitholding as set out in the relevant Application Form. Do not use the same customer reference number for more than one of your Unitholdings. This can result in your application monies being applied to your application in respect of only one of your Unitholdings (with the result that any application in respect of your remaining Unitholdings will not be recognised as valid).

If one or more Application Forms are received under the Offer from an Eligible Unitholder in relation to New Units with a value greater than A\$30,000 in any 12 month period, the Unitholder will be issued with the maximum number of New Units permitted by the Offer and the terms of the Offer. Any excess application monies will be refunded to the Eligible Unitholder (without interest) as soon as reasonably practicable following the Issue Date.

If an Eligible Unitholder subscribes for an amount which is not exactly divisible by the Issue Price, in calculating the number of New Units to be issued, all fractional entitlements will be rounded down to the nearest whole number of New Units. The Responsible Entity will refund any resulting small excess in application monies, save where that amount is less than the Issue Price of one New Unit.

RESPONSIBLE ENTITY DISCRETIONS REGARDING APPLICATIONS

Despite any other provision of these terms and conditions, the Responsible Entity may, at its sole and absolute discretion, accept, reject, correct or amend your application under the Offer, including without limitation, if:

- (a) the Responsible Entity considers that the application (whether alone or in conjunction with other applications) does not comply, or it is not reasonably satisfied that the application (whether alone or in conjunction with other applications) complies, with the requirements of the ASIC Instrument or any requirements in the ASX Listing Rules or the Corporations Act;
- (b) the Application Form is incomplete, incorrectly completed or accompanied by a cheque, bank draft or money order which is not paid in full on first presentation;
- (c) an Application Form is received after the Closing Date of Tuesday, 30 November 2021;
- (d) the BPAY payment received in respect of your application is for less than the full, requisite amount or is incomplete or invalid;
- (e) the EFT payment received in respect of your application is for less than the full, requisite amount or is incomplete or invalid; or
- (f) unless you are applying as a Custodian, it appears that you are applying to buy more than \$30,000 (in aggregate) of New Units under the Offer;

- (g) you are a Custodian, the Responsible Entity is not satisfied with your certification for any reason, or if you have not provided Custodian Certificate;
- (h) cleared funds are not received until after the Closing Date. While the Responsible Entity has the discretion to accept late Application Forms, cheques, bank drafts, money orders, BPAY or EFT payments, there is no assurance that it will do so. Late Application Forms and cheques, bank drafts or money orders, if not processed, will be returned to you at your registered address. Late BPAY or EFT payments may be returned to you by cheque (or any other method as the Responsible Entity determines) to your registered address; or
- (i) the Responsible Entity has reason to believe that you are not an Eligible Unitholder (subject to compliance with any applicable ASIC or ASX requirements).

The Responsible Entity must reject applications if required to do so under the ASIC Instrument.

SCALE BACK

Save as set out below, the Responsible Entity has determined that the amount raised through the Offer is capped at A\$441,552,886 (**Cap**) and accordingly if demand exceeds the Cap the Responsible Entity will have the discretion to Scale Back.

The Responsible Entity may (in its absolute discretion) decide to increase the Cap to reduce or eliminate the need for Scale Back. If there is a Scale Back you may not receive all of the New Units for which you have applied. Each applicant will be treated equally and scaled back on a pro rata basis based on the Unit Parcel applied for. If a Scale Back produces a fractional number when applied to your Unit Parcel, the number of New Units you will be issued will be rounded down.

If there is a Scale Back, the Responsible Entity will refund to you the difference between your application money and the total Offer Price for the New Units issued to you (provided that you will not receive a refund for an amount which is less than the Offer Price of one New Unit). These amounts will be refunded to the nominated bank account on your Application Form, or where no bank account has been nominated, the nominated account you have provided for the receipt of distributions. If the Responsible Entity does not have any bank account details for you, the refund will be by cheque mailed to the address you have provided.

If you wish to nominate a different bank account or you currently participate in the distribution reinvestment plan and have not previously provided your bank account details to the Unit Registry, please contact the Unit Registry on 1300 288 664 (within Australia) or +61 2 9698 5414 (outside Australia).

The aggregate maximum number of New Units that will be issued under the Offer will not exceed 30% of the Units on issue (being the applicable maximum specified in Exception 5 in ASX Listing Rule 7.2 and Exception 4 in ASX Listing Rule 10.12). If applications from Eligible Unitholders for participation in the Offer in aggregate exceed this limit or any lower limit determined by the Board, the Board will scale back applications to the extent and in the manner that the Responsible Entity considers appropriate. Should any scale back be necessary, it is the Responsible Entity's intention that any scale back arrangements will be made having regard to the pro rata unitholdings of Eligible Unitholders as at the Record Date who apply for New Units under the Offer.

INTEREST

No interest will be paid on any application money returned to you.

UNDERWRITING

The Offer is not underwritten.

ISSUE AND TRADING DATES

RIGHTS ATTACHED TO NEW UNITS

New Units will rank equally with existing Units and carry the same voting rights, distribution rights and other entitlements as at the Issue Date. The Responsible Entity will apply for the New Units to be quoted on ASX.

New Units issued under the Offer will be eligible to receive the distribution for the month ending 31 December 2021.

New Units issued under the Offer will be registered on the Unit Register.

COSTS OF PARTICIPATION IN THE OFFER

No brokerage, commission or other transaction costs are payable by you in respect of the issue of New Units under the Offer.

RISKS

There are risks associated with any stock market investment and we recommend that you obtain your own independent financial advice in relation to the Offer. There are a number of other risks associated with an investment in units in the Trust. Further details about these risks can be found in the PDS. The Trust is a disclosing entity for the purposes of the Corporations Act. Under the Corporations Act and the ASX Listing Rules the Trust is subject to reporting and disclosure obligations. The Responsible Entity recommends that you monitor the price of Units and any of the Responsible Entity's announcements relating to the Trust which can be obtained from the ASX website by searching for "MXT" in the prices search screen or visiting the Manager's website at www.metrics.com.au/mxt.

There is a risk that the market price of Units may change between the date of the Offer and the Issue Date. This means it is possible that, up to or after the Issue Date, you may be able to buy Units at a lower price than the Offer Price.

REFUNDS

By applying for New Units under this Offer, you apply for a certain Australian dollar amount, rather than a certain number of New Units. The number of New Units to be issued to you will be calculated by dividing the amount you subscribe by the Offer Price, rounded down to the nearest whole number of New Units. This could result in a small amount of excess (which will always be less than the Offer Price for one New Unit under the Offer) (**Excess Amount**).

Refunds under the Offer may be paid under various circumstances, including:

- (a) If allocations are scaled back you will receive a refund of:
 - (i) the scaled back amount; and
 - (ii) the Excess Amount.
- (b) If allocations are not scaled back you will not receive a refund of the Excess Amount. The Excess Amount will be retained by the Metrics Master Income Trust.
- (c) If your application is rejected, your application amount will be refunded in full.

If a refund is made, you will not receive any interest on funds refunded to you.

DISPUTE RESOLUTION

The Responsible Entity may settle in any manner it thinks fit, any difficulties, anomalies or disputes that may arise in connection with or by reason of the operation of this Offer.

The decision of the Responsible Entity is conclusive and binding on all Unitholders and other persons to whom the determination relates.

WAIVER, AMENDMENT, MODIFICATION, SUSPENSION AND TERMINATION

The Responsible Entity may waive compliance with any provision of the terms and conditions of the Offer, amend, modify or vary the terms and conditions of the Offer or suspend, withdraw or terminate the Offer at any time. Any such action is binding on all Eligible Unitholders even where the Responsible Entity does not notify you. The Responsible Entity is not liable for loss arising out of any exercise of its discretions.

ASIC RELIEF

The Offer is made in accordance with the ASIC Instrument and, as a consequence, the Responsible Entity is relieved from the requirement to prepare a product disclosure statement for the offer of New Units under the Offer. The ASIC Instrument grants relief from the requirement to prepare a product disclosure statement for the offer of up to A\$30,000 of New Units subject to certain terms.

TAXATION

The Responsible Entity makes no representations or warranties in respect of, and accepts no responsibility for, the liability of Eligible Unitholders to pay, any tax (including income tax and withholding tax) in respect of any issue of New Units, payment or other transaction under this Plan.

GOVERNING LAW

The terms and conditions of the Offer are governed by the laws in force in New South Wales.

BINDING TERMS

By accepting this Offer you are bound by the terms and conditions set out in this Offer Booklet, the Application Form, the ASIC Instrument and the constitution of the Metrics Master Income Trust.

PRIVACY

Chapter 2C of the Corporations Act requires information about Unitholders (including name, address and details of the Units held) to be included in the Trust's public register. If a Unitholder ceases to be a Unitholder, Chapter 2C of the Corporations Act requires this information to be retained in the Trust's public register. These statutory obligations are not altered by the *Privacy Act 1988* (Cth) as amended. Information is collected to administer Unitholders' security holdings.
