Digimatic Media Runs Successful Large Scale Wealth Convention

HIGHLIGHTS:

- Digimatic Media via its sub-brand Ace Profits Academy holds successful Wealth Convention at Furama City Centre Hotel in Singapore on 8th October 2016.
- The Convention was oversubscribed with more than 700 guests attending the full day seminar, filling the hall to its maximum capacity.

Digimatic Group Ltd (ASX:DMC) (the “Company” or “DMC”) has successfully run its first large-scale convention – Ace Wealth Convention 2016, at Furama City Centre Hotel in Singapore on 8th October 2016.

The 10-hour event that ran from 9am to 7pm, saw a crowd of more than 2500 online registrants and a total of more than 700 attendees at the actual event to learn more about wealth creation and personal well-being for success.

Ace Profits Academy and Ace Wealth Convention

Ace Profits Academy (“Ace”) is a brand under Digimatic Media Pte Ltd which runs wealth creation and personal development workshops and seminars for the public. The company has recently expanded its operations to Kuala Lumpur, Malaysia.

As a natural extension of the activities that they have been running, and to help provide the public a consolidated overview of how they can benefit from the various workshops and seminars, Ace runs an annual mega event – Ace Wealth Convention, to bring together the best speakers in their field to share on how people can invest in their own future by taking action in learning skillsets that will benefit them as well as the people around them by educating in themselves.

Amongst the key speakers they invited were Dr Bernard Yeo, a numerology wealth expert and Mr Dominic Tay, an internet entrepreneur and Amazon passive income creator. Also gracing the event was Mr Terence Tan, Asia’s
