("Kore Potash" or the "Company")

Webinar and Q&A: Potash

Kore Potash Plc, the potash development company with 97%-ownership of the Kola and DX Potash Projects in the Sintoukola Basin, located within the Republic of Congo ("RoC"), is pleased to announce it will be hosting a Potash webinar on **Tuesday, January 25, 2022, at 10:00 BST**.

The webinar will include a presentation on the international Potash markets, recent pricing trends, and the fundamental uses of potash in fertilisers. A question and answer session will be available following the presentation. Questions can be submitted through the webinar platform, or via email to kore@tavistock.co.uk no later than two hours prior to the scheduled start time.

A recording of the webinar, including the presentation slides, will be made available on the Company's website at www.korepotash.com following the event.
