## **About Apiam Animal Health Limited**

Apiam Animal Health Limited is one of Australia's leading rural veterinary businesses made up of more than 80 veterinary clinic sites and additional ancillary business sites. The Company is supported by a strong team of highly experienced veterinarians and other dedicated professionals, employing more than 1000 employees. Apiam's vet clinics, production animal and allied businesses are spread Australia-wide reaching into many regional towns and fast-growing peri-urban areas.

Apiam Animal Health is committed to providing best in class care for its clients, the animals in their care and the communities where people live and work. The Company's purpose, to enrich the lives of animals, people and communities, is applied across all business operations from vet clinics to production animal consultancy, logistics and laboratory with vets and allied staff sharing expertise and specialist knowledge. Apiam is focused on meeting the needs of its clients and shaping the future of the industry to deliver best practice animal health and welfare at a local level and nationally.
