

DELOREAN APPOINTS CHIEF FINANCIAL OFFICER

Delorean Corporation Limited (**ASX: DEL**) (“**Delorean**” or “**the Company**”) is pleased to announce the appointment of Mr. Aidan Flynn as Chief Financial Officer of the Company, following an extensive executive search and recruitment process. Aidan is the second senior executive to join the Company’s leadership team this financial year.

Aidan will lead and manage the finance function of the Company, including debt financing, treasury requirements, accounting and tax planning/compliance, cashflow management, corporate governance and risk management. Aidan brings over 25 years of comprehensive financial experience, including 18 years in CFO positions and extensive ASX experience blending technical, operational, and strategic acumen. He has a strong background in renewable energy and the construction industry and long standing roles of securing and supporting debt finance for growing companies.

Aidan holds a Bachelor of Commerce (Accounting), a Bachelor of Science (Physics), a Post Graduate Diploma in Renewable Energy and a Graduate Diploma of Applied Corporate Governance. He is a Certified Practising Accountant (CPA) and is a Graduate of the Australian Institute of Company Directors (AICD).

Comment from Delorean Managing Director, Joe Oliver:

“Delorean is continuing to mature as our project pipeline both develops and grows. To support our growth plan we have again bolstered our leadership team with the addition now of a Chief Financial Officer. Aidan’s background in supporting renewable energy project development through securing debt finance and utilising government grants and R&D tax mechanisms will help drive and accelerate our transition to a Build Own Operate infrastructure model. On behalf of the Board and the team at Delorean I am very pleased to welcome him to the Company.”

Comment from Delorean Chief Financial Officer, Aidan Flynn:

“I am very excited to be joining Delorean at such a pivotal point in the Company’s growth. The Company has put together a great team and an extensive portfolio of renewable energy projects. Delorean is perfectly positioned to lead and grow the bioenergy industry in Australia, which still remains largely untapped. Delorean has the capability to apply this mature

bioenergy technology in numerous locations across Australia and I am looking forward to being part of the bioenergy industry expansion."

Authorised on behalf of the Delorean Corporation Board of Directors by Hamish Jolly, Executive Chair.

About Delorean Corporation Limited

Delorean Corporation is a leading Australian bioenergy company. Delorean specialises in the design, build, ownership, and management of bioenergy infrastructure. In addition to bioenergy power and renewable gas generation, Delorean also operates in the energy retail market. Delorean Corporation is a vertically integrated company positioned in two high growth industries; renewable energy and waste management.

Delorean Corporation comprises an Engineering Division, Infrastructure Division, and Energy Retail Division. Through these divisions Delorean Corporation has the inhouse capability to deliver bioenergy projects across the full lifecycle, from project conception to completion, processing organic waste, generating renewable energy, and monetising the sale of green electricity, heat, and gas.

DEL's projects produce renewable energy whilst reducing the volume of organic waste going to landfill, utilising a model that generates multiple revenue streams.
