Let's get things straight.

We're anti-messy processes.
Anti 'where is that doc?'

Anti unprotected files that are untracked
and being shared and forwarded
like the latest all staff email.

We're anti antiquated processes
stuck in the past.

Anti overcomplicating things
when they could be
simpler and smarter.

Anti risk when it things could be safer.

Anti anxiety when people could feel confident.

We're Ansarada.
The antidote to chaos.

Footnotes

1 Audited AASB Revenue for year ending 30 June 2022. Last twelve months (LTM) measures the accumulation of the prior 12 months AASB revenue.

2 Customers refers to active customers and includes consolidated customers numbers for both Ansarada NewCo Pty Ltd and Ansarada Group Limited (formerly thedocyard) including periods prior to the merger plus TriLine GRC in Q2 FY22 only. Active customers includes any subscription/contract with an active platform. Customers may have more than one deal platform, board portal or governance solution open at any given time. Customer numbers include customers acquired through the freemium strategy.

3 Cash Flow From Operations is the amount of cash generated by the regular operating activities of a business for the specified time period. Adjusted Cash Flow From Operations ('Cashflow (ADJ)') adjusted for one time costs including business combination costs and restructure payments.

4 EBITDA represents earnings before interest, tax, depreciation and amortisation. Adjusted EBITDA ('EBITDA (ADJ)') equals EBITDA excluding non-cash share-based expense, business combination costs, capital raising and restructure expenses.

5 Deferred revenue consists of Platform Subscription and Transactional Usage which are expected to be recognised on a straight-line basis over the remaining life of the contract.

6 Total worldwide AASB Revenue excluding Australia and New Zealand

7 Gross margin represents operating revenue less cost of revenue. Cost of revenue primarily relates to sales commissions for sales employees and third-party fees for software used to provide product features and VDR archive expenses.

8 Subscriber refers to active paid subscription contracts/customers at period end, and TriLine GRC from Q2 FY22 onwards.

9 ARPA represents the average monthly revenue generated from customers on subscription-based contracts (includes Ecommerce channel in all periods and Trillne GRC from Q2 FY22 onwards)

10 As at 30 June 2022, refers to unique data room user profiles (unique profiles excludes those deleted or disabled).

11 6.5 Compound annual growth rate (CAGR) of active customers for the period from 31 Dec 2015 to 30 Jun 2022

12 <https://www.grandviewresearch.com/industry-analysis/enterprise-governance-risk-compliance-egrc-market>

13 Sales and marketing expenses (excluding depreciation) consist of personnel and related costs (including salaries, benefits, bonuses, commissions and payroll tax) directly associated with sales, customer service and marketing team activities to acquire new customers and grow revenue from existing customers. Other costs included are external advertising costs, marketing costs and promotional event costs as well as allocated overheads

14 Product design and development expenses (excluding depreciation and amortisation) consist of personnel and related costs (including salaries, benefits, payroll tax) and third-party costs associated with product design and development. Includes costs associated with Ansarada's Vietnam product design and development capabilities that in 1H FY22 operates under a Build Operate Transfer (BOT) model however as a result of the acquisition in 2H FY22, it is directly under the Group. Includes relevant software licences, security testing and hosting costs.

15 General and administration expenses (excluding depreciation) consist of personnel and related costs (including salaries, benefits and payroll tax) for the Company's and Ansarada's management team, finance, legal, human resources, operations and administration employees. These expenses also include professional fees for legal, accounting, tax and other services and occupancy, travel and entertainment, administration and board costs.
