**About SelfWealth**

Established in 2012, SelfWealth is a unique, peer-to-peer share trading platform is comprised of two offerings – SelfWealth TRADING and SelfWealth PREMIUM – with a focus towards self-directed investors. SelfWealth's proprietary software platform SelfWealth TRADING offers a low, \$9.50 commission-free flat fee ASX brokerage service, regardless of trade size.

SelfWealth PREMIUM, introduced in 2017, is a social investment network that allows users to compare and construct portfolios with others on the platform – for the first time in Australia. Combining cloud capabilities, the PREMIUM network uses proprietary diagnostic tools to measure investment performance and diversification, providing users with a Wealth Check Score and Safety Rating that can be benchmarked against others on the platform.
