ASX Announcement  
ASX: CRB

21 May 2025

## Entitlement Offer

- ◆ **Entitlement offer on 2:3 basis at \$0.003 per share to eligible shareholders registered on record date of 27 May 2025 to raise up to \$1,103,476 (before costs)**
- ◆ **Proceeds will be used to continue activities at Muchea West and Down South Silica Sand Projects**

**Carbine Resources Limited (ASX: CRB) (Carbine, the Company)** is pleased to announce it will be undertaking a pro-rata non-renouncement entitlement offer to raise up to \$1,103,476 (before costs), where eligible shareholders will have the opportunity to subscribe for two (2) new shares for every three (3) shares held at the record date at a price of \$0.003 per share (**Entitlement Offer**).

The Company currently has 551,737,756 shares on issue. Accordingly, up to approximately 367,825,171 new shares may be issued under the Entitlement Offer.

Eligible shareholders are shareholders with a registered address in Australia, New Zealand, China or Singapore on 27 May 2025.

The Company has today lodged a prospectus for the Entitlement Offer (**Prospectus**) with ASIC, which will be dispatched or made available to eligible shareholders on 30 May 2025. The Entitlement Offer is expected to open on 30 May 2025 and close at 5pm (WST) on 11 June 2025 (unless otherwise extended by Carbine).

Further details of the Entitlement Offer, including the terms of new shares to be issued, the effect of the Entitlement Offer on the capital structure and financial position of the Company, the risks of investing in the Company and the expenses of the Entitlement Offer are set out in the Prospectus.

The Entitlement Offer is not underwritten. Accordingly, any entitlements not taken up under the Entitlement Offer will form the shortfall under the Entitlement Offer. The Company reserves the right to place any shortfall subject to compliance with the ASX Listing Rules and the Corporations Act. The Directors have advised that they intend to participate in the shortfall for a total of \$120,000 worth of shares (representing 40,000,000 shares), subject to shareholder approval.

All new shares issued under the Entitlement Offer will rank pari passu with the Company's existing shares on issue.

Eligible shareholders should consider the Prospectus carefully in deciding whether to acquire new shares under the Entitlement Offer and will need to complete the personalised entitlement and acceptance form that will accompany the Prospectus and be made available to eligible shareholders.

### **James Pearse, Carbine's Non-Executive Director commented:**

*"Providing existing shareholders with the opportunity to participate in a capital raise at this stage of the Company's development and given our share price was a key consideration for this funding round."*

*"After achieving our recent project milestones, including the grant of a mining lease at the Muchea West Silica Sand Project and access agreements being secured at our Down South Silica Sand Project, we look forward to progressing with our ongoing project development activities at Muchea and a maiden on-ground exploration campaign Down South."*

*"We thank shareholders for their patience over what has been a challenging period for the Company. We also take the opportunity to thank our regulatory and private project stakeholders for their continued support and assistance."*
