

Market Announcement

14 July 2025

Bowen Coking Coal Limited (ASX: BCB) – Reinstatement to Quotation

Description

The suspension of trading in the securities of Bowen Coking Coal Limited ('BCB') will be lifted immediately following the release to the market of BCB's response to an ASX Aware Letter dated 26 June 2025 ('Aware Letter') and an announcement by BCB entitled Market Update.

BCB requested a trading halt pursuant to Listing Rule 17.1 on Tuesday, 24 June 2025 pending an announcement by BCB concerning the status of its efforts to seek funding to support the current scale of operations in the prevailing depressed coal price environment exacerbated by the state royalty pressures.

ASX suspended BCB's securities in accordance with Listing Rule 17.3 on Thursday, 26 June 2025 as BCB failed to lodge the relevant announcement by commencement of trading on 26 June 2025, being the timeframe contemplated in its trading halt request.

On Thursday, 26 June 2025, ASX sent BCB the Aware Letter. BCB has now provided its response to the Aware Letter that includes an update concerning its efforts to seek funding and confirms that BCB is in compliance with the Listing Rules, including Listing Rule 3.1, and as such BCB's securities will now be reinstated to trading.
