

NZX and ASX Release

7 November 2017

FY18 Interim Result Webcast and Conference Call Details

Metro Performance Glass advises that it will release its interim results for the 6 months to 30 September 2017 on Monday 20 November 2017.

Interim results webcast and conference call

The CEO and CFO will host a conference call to review the results at 10:00am NZDT, 8:00am AEDT on 20 November 2017, which will also webcast simultaneously over the Internet.

To view the webcast, please follow the link available on the company's investor website:

<http://www.metroglass.co.nz/investor-centre/>.

The webcast can also be accessed directly from: <https://edge.media-server.com/m6/p/ajnwxv4v>.

Please allow extra time prior to the webcast to visit the site and download streaming media software if required. An online archive of the event will be available approximately two hours after the webcast.

To instead join the conference call (and have the ability to ask questions), participants will need to dial in to one of the numbers below at least 5 minutes prior to the scheduled call time and identify yourself to the operator. When prompted, please quote the conference code: **8456680**
