As announced to the ASX on 21 August 2023, the Company and Pure Asset Management Pty Ltd in its capacity as trustee for the Income and Growth Fund (**Pure**) have renegotiated the terms of the existing finance agreement between the Company and Pure. The key terms of the renegotiated finance facility include the issue of a Warrant on the terms detailed in Appendix A to this Explanatory Memorandum subject to the Company obtaining the approval of Shareholders in accordance with this Resolution.

On exercise, the Warrant may be exercised into 20,000,000 Shares. Pure may exercise the Warrant in whole or in part on the terms detailed in Appendix A.

This Resolution seeks Shareholder approval for the issue of the Warrant and all Shares issued as a result of exercise of the Warrant.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issued without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Warrant does not fall within any of these exceptions and exceeds the Company's 15% limit available under Listing Rule 7.1 and therefore requires the approval of Shareholders.

The effect of this Resolution if passed will be to allow the Company to issue the Warrant no later than 3 months after the date of the Meeting without the issue being included in the calculation of the Company's 15% limit under Listing Rule 7.1.

If this Resolution is not approved by Shareholders, the Company will either not be able to issue the Warrant or may have to consider issuance of the Warrant utilising the Company's available capacity under Listing Rule 7.1 (dependant upon Shareholder's approval of other resolutions at this Annual General Meeting) or may have to pay cash consideration to the proposed holder of the Warrants.

This Resolution is an ordinary resolution requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote on it.

Listing Rule 7.1 provides that a company must not, subject to specified exceptions under Listing Rule 7.2, issue or agree to issue equity securities during any 12-month period in excess of 15% of the number of securities on issue at the commencement of that 12-month period without Shareholder approval.

The effect of this Resolution if passed will be to allow the Company to issue the Options, no later than 3 months after the date of the Meeting without using the Company's 15% limit granted under Listing Rule 7.1.

If this Resolution is not approved, the Company will not be able to issue the Options.

Resolutions 9 (a), (b), (c), (d) and (e) – Approval of Issue of Shares and Options to Directors

The Company announced a Non-Renounceable Entitlements Offer (**Entitlements Offer**) to the ASX on 28 August 2023 the terms of which are as described within the Prospectus also released to the ASX on 28 August 2023. Directors, Martin Pretty, Brandon Gien, Georg Chmiel, Saurabh Jain and Simon Crowther have each subscribed for Shares and Options under the Shortfall facility as detailed within the Entitlements Offer Prospectus, either directly or via their nominee entities. These Resolutions seek Shareholder approval to issue the Shares and Options to Directors pursuant to Listing Rule 10.11 and for all other purposes as a result of this subscription.

Listing Rule 10.11 requires a listed company to obtain Shareholder approval prior to the issue of securities to a related party of the Company. Being Directors of the Company, Mr Pretty, Mr Gien, Mr Chmiel, Mr Jain and Mr Crowther are each a related party of the Company by virtue of section 228(2) of the Corporations Act. As such Shareholder approval is sought to issue the Shares and Options to each of Mr Pretty, Mr Gien, Mr Chmiel, Mr Jain and Mr Crowther (or their nominee).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issued without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

If Shareholder approval is given for the purposes of Listing Rule 10.11 for the issuance of the Shares and Options, approval will not be required under Listing Rule 7.1 as this issuance of Shares and Options will fall within one of the exceptions to Listing Rule 7.1, and the Shares and Options issued pursuant to these Resolutions will not deplete the Company's 15% placement capacity as they will not be included in the calculation of this capacity.

If these Resolutions are not approved by Shareholders, the Company will not be able to issue the Shares and Options or receive the consideration monies.

These Resolutions are ordinary resolutions requiring them to be passed by a simple majority of votes cast by the Shareholders entitled to vote on them.

In accordance with Listing Rule 10.13 the following information is provided:

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Each of the Directors and their nominee entities (if applicable) are related parties of the Company.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issuance of the Shares and Options the subject of these Resolutions as the terms of issuance are identical to the terms offered to all participants (that are not related parties of the Company) in the Entitlements Issue as described within the prospectus released to ASX on 28 August 2023.

If this Resolution is not approved, the Company will either not be able to issue the Options, or will be required to issue the Options, by using a portion of the Company's 15% capacity.

Directors Recommendation

The Directors unanimously recommend that Shareholders vote in **FAVOUR** of Resolution 11.

Resolution 12: Approval of Equity Incentive Plan

Listing Rule 7.1 restricts the amount of equity securities that listed companies can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. There are however a number of exceptions to this restriction. Listing Rule 7.2 exception 13(b) allows the Company to issue securities under an employee incentive scheme (Equity Incentive Plan) to be automatically excluded from the calculation of the Company's 15% capacity if Shareholder approval is obtained for a period of three years. As such, Shareholder approval is sought for the Company's Equity Incentive Plan.

If this Resolution is not approved any securities issued under the Equity Incentive Plan will be included in the calculation of the Company's 15% capacity and therefore reduce the Company's capacity to raise additional equity funds over the next 12 months without reference to Shareholders.

However, this exception does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons requires separate approval under Listing Rule 10.14.

The Equity Incentive Plan (**Plan**) is designed to:

- (a) assist in the reward, retention and motivation of eligible employees;
- (b) link the reward of eligible employees to Shareholder value creation; and
- (c) align the interests of eligible employees with Shareholders by providing an opportunity for eligible employees to earn rewards via an equity interest in the Company based on creation of Shareholder value.

For the purposes of Listing Rule 7.2 exception 13:

- (a) 12,932,573 securities have been issued under the Plan since the Plan was last approved by Shareholders on 23 November 2022;
- (b) it is proposed that up to 52,000,000 securities will be issued under the Plan; and
- (c) a summary of the key terms of the Plan is provided in Appendix B

Voting Exclusion:

A voting exclusion statement applies to this item of business as set out in the Notice.

Directors' Recommendation

The Directors are all currently eligible to participate in the Plan and therefore abstain from making a recommendation in relation to this Resolution.

Resolutions 13 (a) and (b) – Issue of Performance Rights to Executive Director

Performance Rights confer an entitlement to be issued one Share subject to the satisfaction of any performance criteria on the terms set out in the Equity Incentive Plan (**Plan**).

Shareholders approval is sought for, the Company to grant Mr Simon Crowther, Executive Director or his nominee, 23,769,231 Performance Rights.

The price payable for each Share that may be issued upon vesting of a Performance Right is \$nil.

The proposed grant of Performance Rights to Mr Crowther is to link the award of Performance Rights to Shareholder value creation, align his interests with those of Shareholders and to encourage the long-term sustainable growth of the Company.

The Performance Rights shall be issued under and subject to the terms of the Equity Incentive Plan.

Listing Rule 10.14 provides that a listed company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by Shareholders. Once Shareholder approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, exception 8 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, Shareholder approval will not be required under Listing Rule 7.1.

	(iii) 3,461,538 Performance Rights –delivery of the Company’s strategic objectives for the financial year ending on 30 June 2024.
Vesting Date	<p>(a) Within one business day of the grant of the Performance Rights, subject to continued employment on the vesting date.</p> <p>(b) The Performance Rights will vest one day after the release of the Company’s audited Annual Financial Report for the period ended 30 June 2024.</p>
Expiry Date	5 years from the date of grant of the Performance Rights
Other Conditions	Other key terms of the Equity Incentive Plan are detailed in Appendix B of this Explanatory Memorandum.

Other general terms of the Performance Rights

It is intended that the Performance Rights will be issued within 5 days after the Annual General Meeting, but in any event will be issued no later than 3 years after the Annual General Meeting.

The Performance Rights will be issued to Mr Crowther for \$nil consideration.

For the purposes of Listing Rule 10.15.2, Mr Crowther falls under category 10.14.1 of the Listing Rules, as he is a current Director of the Company.

For the purposes of Listing Rule 10.15.6, the Company proposes to issue Performance Rights to Mr Crowther (as opposed to fully paid ordinary securities) for the following reasons:

- (a) Performance Rights are designed to incentivise employees, and in this case, to incentivise Mr Crowther as Executive Director of the Company. Performance Rights also act to provide a retention incentive for key employees, such as Mr Crowther to facilitate long-term growth; and
- (b) equity based incentives assist in the alignment of Shareholders and Directors’ interests.

Mr Crowther has not previously received securities under the Equity Incentive Plan.

There are no loan arrangements with Mr Crowther in relation to the acquisition of the Performance Rights.

The other general terms for the Performance Rights are outlined in Appendix B of this Explanatory Memorandum.

Details of any securities issued under the Equity Incentive Plan will be published in the annual report of the entity relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Equity Incentive Plan after this resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the Performance Rights to be issued. A fair value for the 3,000,000 Performance Rights will be calculated based upon the prevailing market value of the Company’s shares on the Grant Date. The Performance Rights are only subject to non-market conditions and their vesting period is short (on business day post the Grant Date) and therefore their value is intrinsically linked to the prevailing share price.

A fair value for the 20,769,231 Performance Rights to be issued has been calculated based upon the prevailing market value of the Company’s shares on the Grant Date. The Performance Rights are only subject to non-market conditions and their vesting period within 12 months of Grant Date and therefore their value is intrinsically linked to the prevailing share price.

The Board draws Shareholders' attention to the fact the stated valuation does not constitute and should not be taken as audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated effective as at 6 October 2023.

Valuation for Performance Rights to be issued to Mr Crowther

Based upon the prevailing share price on 6 October 2023, the expense that will be recognised in the financial year ending 30 June 2024 for the 23,769,231 Performance Rights, the subject of this Resolution, is \$546,392.

The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the Performance Rights.

A significant factor in the determination of the final value of Performance Rights will be the ultimate share price at the date of final Performance Rights grant (this will be the date of approval by the Shareholders if such approval is obtained). The following table details total employee benefit expense based on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 6 October 2023.

	Highest	Lowest Price
Closing Price (\$)	\$0.092	\$0.02
Date	08 February 2023	25 September 2023
Employee Benefit Expense	\$2,281,846	\$475,385

Remuneration

Excluding the value of the proposed Performance Rights proposed to be issued under this resolution:

- (a) Mr Crowther currently receives \$360,000 per annum plus superannuation for his position as Managing Director and Chief Executive Officer. Mr Crowther is also eligible to receive a short-term incentive payment of up to 50% of his base salary annually and to participate in the Company Employee Share Plan.

Financial Benefit – Details and reasons

Section 208 of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The amount, terms and value (subject to the stated assumptions) of the Performance Rights are set out above.

The reasons for giving this financial benefit are:

- (a) the Company wishes to maximise the use of its cash resources towards other strategic initiatives and equity based incentives;
- (b) the total quantum of Performance Rights to be issued is reasonable in number, and will act as an incentive for future growth of the business;
- (c) Performance Rights are designed to incentivise employees, and in this case, to incentivise Directors of the Company. Performance Rights also act to provide a retention incentive for key employees to facilitate long-term growth;
- (d) equity based incentives assist in the alignment of Shareholders and Directors' interests; and

- (e) the Company believes the associated expense is limited and the nature of the Performance Rights package proposed is commensurate with market practice.

On this basis the Company believes the giving of the financial benefit, as constituted by the issue of the Performance Rights to the applicable Directors is in the best interests of the Company and its Shareholders.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of Performance Rights as the exception in section 211 of the Corporations Act applies. The Performance Rights are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

Existing interests and the dilutionary effect on other Shareholders' interests

The effect that the vesting of the Performance Rights will have on the interests of the applicable Directors relative to other Shareholders' interests is set out in the following table. The table assumes no further issues of Shares in, or reconstruction of the capital of the Company during the time between issue and vesting of the Performance Rights.

Directors' recommendation

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to these Resolutions.

Resolution 14 (a), (b), (c), (d) and (e): Issue of Performance Rights to Non-Executive Directors

Subject to Shareholders approval, the Company proposes to grant Performance Rights to each of the following non-executive Directors (or their nominee):

- (e) 159,490 Performance Rights to Mr Michael Rann.

With effect from 01 March 2023, non-executive Directors agreed to a variation to the terms of their appointments such that a portion of their directors fees is payable in Performance Rights, subject to Shareholder's approval. The quantum of the Performance Rights is to be determined by applying a VWAP calculation over the period in which the remuneration applicable to the Performance Rights is earned. For the purposes of these resolutions the calculation is based upon the period from 01 March 2023 until 30 June 2023 inclusive.

The proposed grant to Directors is to link their interests with those of Shareholder value creation and to encourage the long-term sustainable growth of the Company as well as to assist with conservation of cash.

Listing Rule 10.14 provides that a listed company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by Shareholders.

Once Shareholder approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, exception 8 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, Shareholder approval will not be required under Listing Rule 7.1.

If these Resolutions are approved, the Company will be able to proceed with the issue and allot the Performance Rights to Directors.

If these Resolutions are not approved, the Company will not be able to proceed with the issue.

The key terms of the Performance Rights are set out in the tables below:

Recipient of the Issue	Mr Chmiel	Each of Mr Pretty, Mr Gien, Mr Jain and Mr Rann

Other general terms of the Performance Rights

It is intended that the Performance Rights will be issued within 5 days after the Annual General Meeting, but in any event will be issued no later than 1 month after the Annual General Meeting.

The Performance Rights will be issued to Mr Chmiel, Mr Pretty, Mr Gien, Mr Jain and Mr Rann for \$nil consideration.

For the purposes of Listing Rule 10.15.2, each of Mr Chmiel, Mr Pretty, Mr Gien, Mr Jain and Mr Rann fall under category 10.14.1 of the Listing Rules, as they are current Directors of the Company.

For the purposes of Listing Rule 10.15.6, the Company proposes to issue Performance Rights to Mr Chmiel, Mr Pretty, Mr Gien, Mr Jain and Mr Rann (as opposed to fully paid ordinary securities) for the following reasons:

- (a) Performance Rights are designed to incentivise employees and Directors of the Company. Performance Rights also act to provide a retention incentive for directors, to facilitate long-term growth; and
- (b) equity based incentives assist in the alignment of Shareholders and Directors' interests.

Each of the following Non-Executive Directors (or their nominee) has previously received Performance Rights under the Plan:

- Mr Chmiel has previously received 151,515 Performance Rights under the Plan;
- Mr Pretty has previously received 543,018 Performance Rights under the Plan;
- Mr Gien has previously received 543,018 Performance Rights under the Plan;
- Mr Jain has previously received 545,455 Performance Rights under the Plan; and
- Mr Rann has previously received 43,018 Performance Rights under the Plan.

There are no loan arrangements with either of Mr Chmiel, Mr Pretty, Mr Gien, Mr Jain and Mr Rann in relation to the acquisition of the Performance Rights.

The other general terms for the Performance Rights are outlined in Appendix B of this Explanatory Memorandum.

Details of any securities issued under the Equity Incentive Plan will be published in the annual report of the entity relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Equity Incentive Plan after this resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the Shares to be issued. At the time of calculation of the quantum of shares the consideration applicable to each Directors shares the subject of this Resolution was:

Director	Mr Chmiel	Each of Mr Pretty, Mr Gien, Mr Jain and Mr Rann
Value of Consideration	\$10,000	\$6,667

The Board draws Shareholders' attention to the fact the stated values above do not constitute, and should not be taken as, audited financial information.

A significant factor in the determination of the final value of Shares on issuance (upon vesting and exercise of the Performance Rights) will be the ultimate share price at the date of final share grant (this will be the date of approval by the Shareholders if such approval is obtained). The following table details total employee benefit expense based

on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 28 September 2023.

	Highest	Lowest Price
Closing Price (\$)	\$0.092	\$0.02
Date	08 February 2023	25 September 2023
Employee Benefits Georg Chmiel	\$22,009.53	\$4,784.68
Employee Benefits Expense per each of Mr Pretty, Gien, Jain and Rann	\$14,673.08	\$3,189.80

As such, if it is assumed all other factors are equal, where the Share price increases above the \$0.092 disclosed above the final value of Performance Rights granted will increase, and conversely where the Share price reduces the final value of Performance Rights granted will also reduce.

Remuneration

Mr Chmiel currently receives \$100,000 per annum for his position as Non-Executive Director and Chairman (inclusive of the Performance Rights the subject of this resolution).

Mr Pretty currently receives \$50,000 per annum for his position as Non-Executive Director (inclusive of the Performance Rights the subject of this resolution).

Mr Gien currently receives \$50,000 per annum for his position as Non-Executive Director (inclusive of the Performance Rights the subject of this resolution).

Mr Jain currently receives \$48,392 per annum for his position as Non-Executive Director (inclusive of the Performance Rights the subject of this resolution).

Mr Rann currently receives \$48,392 per annum for his position as Non-Executive Director (inclusive of the Performance Rights the subject of this resolution).

Section 208 of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The amount, terms and value (subject to the stated assumptions) of the Performance Rights are set out above.

The reasons for giving this financial benefit are:

- (a) the Company wishes to maximise the use of its cash resources towards other strategic initiatives and equity based incentives;
- (b) the total quantum of Performance Rights to be issued is reasonable in number, and will act as an incentive for future growth of the business;
- (c) Performance Rights are designed to incentivise employees, and in this case, to incentivise Directors of the Company. Performance Rights also act to provide a retention incentive for key employees, to facilitate long-term growth;
- (d) equity based incentives assist in the alignment of Shareholders and Directors' interests; and

- (e) the Company believes the associated expense is limited and the nature of the Performance Rights proposed is commensurate with market practice.

On this basis the Company believes the giving of the financial benefit, as constituted by the issue of the Performance Rights to the applicable Directors is in the best interests of the Company and its Shareholders.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of Performance Rights as the exception in section 211 of the Corporations Act applies. The Performance Rights are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

Directors' recommendation

The Directors abstain, in the interest of corporate governance, from making a recommendation in relation to Resolutions 14 (a), (b), (c), (d) and (e).

Resolution 15: Approval of 10% Placement Facility

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period by way of a special resolution approved at the Annual General Meeting (10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity for this purpose. As such Shareholder approval is sought by way of a special resolution for the Company to have the 10% Placement Facility provided for in Listing Rule 7.1A.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer below).

Description of Listing Rule 7.1A

a) Shareholder approval:

The effect of approval of this Resolution will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

If this Resolution is not approved, the Company's capacity to raise additional equity funds over the next 12 months without reference to Shareholders will be reduced.

b) Equity Securities:

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The only class of quoted Equity Securities of the Company at the date of the Notice are ordinary Shares.

c) Formula for calculating 10% Placement Facility:

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of Shares on issue 12 months before the date of issue or agreement:

- plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2 (other than 9, 16 or 17);
- plus the number of ordinary securities issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - a. the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or
 - b. the issue of, or agreement or issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - a. the agreement was entered into before the commencement of the 12 months; or
 - b. the issue of, or agreement to issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- plus the number of fully paid ordinary securities issued in the 12 months with approval under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without Shareholder approval; and
- less the number of fully paid ordinary securities cancelled in the 12 months.

NB: that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not subsequently approved by Shareholders under Listing Rule 7.4.

d) Listing Rule 7.1 and Listing Rule 7.1A:

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

As at 28 September 2023 the Company has on issue 450,522,681 Shares. At present, the Company has a capacity to issue a remaining 23,852,228 Equity Securities under Listing Rule 7.1. Subject to the approval of Resolutions 5 and 6 and this Resolution, this amount will increase to 103,477,408.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

e) 10% Placement Period:

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), (10% Placement Period).

Listing Rule 7.1A

The effect of this Resolution will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

In accordance with, Listing Rule 7.3A, the following information is provided:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 Trading Days on which trades in the relevant class were recorded immediately before:
 - i. the date on which the price at which the Equity Securities are to be issued is agreed; or
 - ii. if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company will be diluted as shown in the table below. There is a risk that:
 - i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date Shareholders provide their approval at the Annual General Meeting; and
 - ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

In accordance with Listing Rule 7.3A.2, the table below shows the dilution of existing Shareholders calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (a) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue to all Shareholders) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' Meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable A in Listing Rule 7.1.A.2		Dilution

	Funds Raised	\$901,045	\$1,802,090	\$3,604,181

The table has been prepared on the following assumptions:

- (a) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (b) None of the 918,000 unlisted Performance Rights and 94,729,496 unlisted options that the Company currently has on issue are exercised into Shares before the date of the issue of the Equity Securities.
 - (c) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - (e) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% Placement capacity under Listing Rule 7.1.
 - (f) The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - (g) The issue price is \$0.021 being the closing price of the Shares on ASX on 27 September 2023.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement period. The approval under this Resolution for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
 - (d) The Company may seek to issue the Equity Securities for Cash consideration in accordance with the provisions of Listing Rule 7.1A. In such circumstances, the Company intends to use the funds raised towards an acquisition of new business assets or investments (including expenses associated with such acquisition) and/or general working capital.

The Company will comply with the disclosure obligations under Listing Rule 7.1A.4 upon issue of any Equity Securities.

- (e) The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- i. the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing Shareholders can participate;
- ii. the effect the issue of the Equity Securities might have on the control of the Company;
- iii. the financial situation and solvency of the Company; and

- iv. advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (f) The Company sought and obtained approval from Shareholders under Listing Rule 7.1A at the Annual General Meeting held on 23 November 2022. In accordance with Listing Rule 7.3A.6(a) the Company makes the following disclosure:
- Equity Securities on issue as at 23 November 2022 totalled 217,845,749 securities; and
 - No Equity Securities were issued under Listing Rule 7.1A in the 12 months preceding the meeting.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Voting Exclusion:

A voting exclusion statement applies to this item of business as set out in the Notice.

The Directors unanimously recommend that Shareholders vote in **FAVOUR** of Resolution 15.

Resolution 16 – Appointment of Auditor

The Board appointed William Buck (SA) of Level 6, 211 Victoria Square, Adelaide, SA 5000, as the Company's new auditors with effect on 20 February 2023.

This appointment followed the resignation of Ian McDonald as the Company's auditor and ASIC's consent to this resignation, in accordance with the Corporations Act.

The transition of auditor occurred due to the Company tendering its external audit program. William Buck (SA) was selected by the Company after considering proposals received.

In accordance with the Corporations Act:

- (a) William Buck (SA) holds office as auditor until this AGM of the Company and is standing for re-appointment as auditor pursuant to this Resolution; and
- (b) the Company has sought and obtained a nomination from a shareholder for William Buck (SA) to be appointed as the Company's auditor. A copy of this nomination is attached to this Explanatory Memorandum as Appendix C.

William Buck (SA) have given their written consent to act as the Company's auditor subject to shareholder approval of this Resolution.

Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 16.

Resolution 17 - Conditional Board Spill Meeting

This Resolution (Spill Resolution) is a conditional resolution and will only be effective in the event that Shareholders at this Annual General Meeting cast at least 25% of the votes cast on Resolution 1 are cast against the adoption of the Remuneration Report.

The Corporations Act provides that, if at least 25% of the votes cast on the resolution to adopt the remuneration report at two consecutive annual general meetings are cast against the adoption of the resolution, shareholders must be given the opportunity to vote on a resolution in the form of this Resolution at the second meeting (the

“two strikes” rule). As greater than 25% of the votes cast on adoption of the 2022 Remuneration Report at the Annual General Meeting held on 23 November 2022 were cast against the resolution this constitutes a first strike. This Spill Resolution will therefore only need to be put to Shareholders at this Annual General Meeting if there is a second strike i.e., if at least 25% of the votes cast on Resolution 1 are against the adoption of the Remuneration Report.

If this Resolution is put to the Shareholders, this Resolution will be considered as an ordinary resolution, which means that, to be passed, the resolution requires the approval of a simple majority of the votes cast by or on behalf of Shareholders entitled to vote on the matter.

If this Resolution is passed, the Company must hold a further general meeting (Spill Meeting) within 90 days of this Annual General Meeting, to consider the composition of the Board. If a Spill Meeting is required, the details of the Spill Meeting will be notified to Shareholders in due course.

If a Spill Meeting is held, immediately before the end of the Spill Meeting, each of the Directors who were in office when the Board approved the last Directors’ Report and who remain in office at the time of the Spill Meeting will automatically cease to hold office, unless they are willing to stand for re-election and are re-elected at the Spill Meeting. This means that if a Spill Meeting is held, the following Directors will automatically cease to hold office as Directors of the Company immediately before the end of the Spill Meeting, unless they are willing to stand for re-election and are re-elected at that meeting:

- Mr Georg Chmiel (Non-Executive Chairman);
- Mr Martin Pretty (Non-Executive Director);
- Mr Saurabh Jain (Non-Executive Director); and
- Mr Michael Rann (Non-Executive Director).

Accordingly, even if Mr Martin Pretty and Mr Saurabh Jain are re-elected at this year’s Annual General Meeting, they will still be required to be re-elected at the Spill Meeting (if held) to remain in office after the Spill Meeting (if held).

Each of these Directors would be eligible to stand for re-election at the Spill Meeting, however there is no guarantee that they would do so. As Mr Simon Crowther is an Executive Director of the Company, he is excluded from the requirements under the Corporations Act to seek re-election at the Spill Meeting (if held) and will continue to hold office regardless of the outcome of this Resolution or the Spill Meeting (if held).

Voting Exclusion:

A voting exclusion statement applies to this item of business as set out in the Notice.

Directors’ recommendation

As each of the above-named directors would have a personal interest in the resolution, and will be excluded from voting on the resolution, the Board unanimously recommends that Shareholders vote against this Resolution, if it is put to the Meeting. The Chairman of the Annual General Meeting intends to vote all “open” proxies **AGAINST** this Spill Resolution if it is put to the Meeting.

Appendix B -Equity Incentive Plan – Summary

Aspect	Terms
Purpose	The Equity Incentive Plan forms part of the Company's remuneration strategy. The Equity Incentive Plan (EIP) is designed to align the interests of employees and directors eligible to participate in the EIP (Eligible Participants) and shareholders of the Company and to assist the Company in the reward, retention and motivation of Eligible Participants. In particular, the EIP aligns the interests of Eligible Participants with shareholders by providing an opportunity to Eligible Participants to receive an equity interest in the Company through the grant of Performance Rights.
Administration	<p>The EIP will be administered by the Board in accordance with the EIP Rules and the terms and conditions of specific grants of Performance Rights to Eligible Participants on the EIP.</p> <p>Every exercise of a discretion by the Board and any decision by the Board regarding the interpretation, effect or application of the EIP Rules and all calculations and determinations made by the Board under the EIP Rules are final, conclusive and binding in the absence of manifest error.</p>
Eligibility and Participation	<p>A grant of Performance Rights by the Company is subject to both the EIP Rules and the specific terms of the grant as determined by the Board in the recipient's invitation and application form.</p> <p>The Board may, from time to time and in its absolute discretion, invite any Eligible Participants to participate in a grant of Performance Rights under the EIP.</p> <p>Acceptance of an invitation by an Eligible Participant must be made on an application form in accordance with the instructions that accompany the invitation, or in any other way the Company determines.</p> <p>After receiving an application form and any applicable ancillary documents, the Board may in its discretion accept such application and grant the Performance Rights to the participant.</p>
Terms of the Performance Rights	<p><i>Participant's right prior to exercise</i></p> <p>Prior to exercise of a Performance Right, a participant does not have any interest in any shares the subject of the Performance Right, other than those expressly set out in the EIP Rules.</p> <p><i>No Dealing in Performance Rights</i></p> <p>Any dealing in respect of a Performance Right is prohibited unless the Company determines otherwise, or the dealing is required by law.</p> <p><i>Prohibition on Hedging</i></p> <p>A participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Performance Right that has been granted to them.</p> <p><i>Listing</i></p> <p>Unless determined otherwise by the Board, a Performance Right granted under the EIP Rules will not be quoted on the ASX or any other recognised securities exchange.</p>
Vesting	Subject to any earlier lapse and forfeiture of Performance Rights under the terms of the EIP Rules, a Performance Right that is subject to vesting conditions will only vest where each vesting condition, and all other relevant conditions advised to the participant have been satisfied or waived and a vesting notice in respect of the Performance Right has been given to the participant.

Exercise and settlement of Performance Rights	<p>Following receipt of a vesting notice a participant will be entitled to exercise a Performance Right that has vested by delivering an exercise notice to the Company at any time before the expiry date, being the 15th anniversary of the date of grant of the Performance Right (Expiry Date). Where a participant ceases to be employed or engaged by a member of the group, all Performance Rights that have vested may be exercised by the participant within a period of 90 days following the date of cessation (or such other period determined by the Board at its absolute discretion), otherwise they will be forfeited.</p> <p>Upon receipt of an exercise notice the Company will issue or cause to be transferred to the participant the number of shares to which the participant is entitled or, if expressly permitted by the original invitation, in the Company's sole and absolute discretion, settle the exercise of the Performance Rights by way of a cash payment equal to the market value of the shares that would otherwise have been issued or transferred.</p>
Rights attaching to shares	<p><i>Shares to rank equally</i></p> <p>All shares issued on exercise of a Performance Right will rank pari passu in all respects with the shares of the same class for the time being on issue except for any rights attaching to the shares by reference to a record date prior to the date of issue or transfer of the plan shares.</p> <p><i>Listing and Dividends</i></p> <p>If shares issued on exercise of a Performance Right are in the same class as shares which are listed on the ASX, the Company will apply for quotation of the shares issued.</p> <p>A participant will be entitled to any dividends declared and distributed on the shares. A participant may participate in any dividend reinvestment plan operated by the Company in respect of the shares which they hold.</p> <p><i>Voting rights</i></p> <p>A participant may exercise any voting rights attaching to shares which they hold.</p> <p><i>Dealing restrictions</i></p> <p>A participant's invitation may specify restrictions as to how the participant may deal in the shares for a period. The Board may implement any procedure it deems appropriate to ensure the compliance by the participant with this restriction, including but not limited to imposing an ASX holding lock on the shares or using an employee share trust to hold the shares during the relevant restriction period.</p> <p>If the shares are subject to any disposal restrictions, the participant must not deal with a share or take any action to remove or circumvent the disposal restrictions without the Company's consent.</p> <p>Subject to the Company's Share Trading Policy, upon expiry of any dealing restrictions over a share, the Company will take all action necessary to ensure that the participant can deal with the share.</p>

Lapse and Forfeiture of Incentive Securities	<p>In certain circumstances, performance rights granted to participants, will lapse and be forfeited. This may include a situation where the participant acts fraudulently or dishonestly, negligently, wilfully breaches their duties to the Company or the participant is convicted of an offense in connection with the affairs of the Company or its subsidiaries. In that case the Board may determine in its absolute discretion that any unvested Performance Rights held by the participant that have not yet been exercised are dealt with in accordance with the Board's direction which may include forfeiture or the exercise of the Performance Rights within a fixed period of time, otherwise they will be forfeited.</p> <p>The Performance Rights will automatically lapse on the Expiry Date unless vesting and exercise occurs prior to that time.</p> <p>Notwithstanding the terms of forfeiture set out in the EIP Rules, the Board may decide (on any conditions it thinks fit) that some or all of the participant's Performance Rights will not be forfeited at that time, but will be forfeited at the time and subject to the conditions it specifies to the participant.</p> <p>Where Performance Rights have been forfeited in accordance with the EIP Rules, the participant must sign any transfer documents to effect the forfeiture required by the Company and the Company will not be liable for any damages or other amounts to the participant in respect of that forfeited performance right.</p> <p><i>Cessation of employment before Vesting</i></p> <p>Where a participant ceases to be employed or engaged by a member of the Company, all unvested Performance Rights held by the participant will be forfeited, unless the Company determines otherwise.</p> <p>The Company may, in its sole and absolute discretion, determine that some or all of the unvested Performance Rights held by a participant will not be forfeited where a participant ceases to be employed or engaged by the Company, which may include circumstances where the participant is considered to be a "Good Leaver" (as defined in the EIP Rules).</p>
Change of Control	<p>If there is a change in control of the Company (whether by way of compromise or arrangement or takeover bid) (Change of Control Event), or the Board determines that such an event is likely to occur, the Board determines that such an event is likely to occur, the Board may determine the manner in which any or all of the participant's Performance Rights will be dealt with, including, without limitation, in a manner that allows the participant to participate on and/or benefit from any transaction arising from, or in connection with, the Change of Control Event.</p>
Adjustment of Performance Rights	<p><i>Reorganisation</i></p> <p>In the event of any reorganisation of the issued share capital of the Company (including any bonus issues), the rights of each participant holding Performance Rights will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.</p> <p><i>Rights Issue</i></p> <p>Unless otherwise determined by the board, a holder of Performance Rights does not have the right to participate in a pro rata issue of shares made by the Company or to sell renounceable rights.</p> <p><i>Application of Adjustment</i></p> <p>The Board may (as far as possible) make whatever adjustments are deemed necessary or desirable to ensure that the consequences of any application of an adjustment are fair as between the participants and holders of other securities in the Company, subject to the ASX Listing Rules and other applicable laws.</p>

Compliance with law and limitations	<p>The Company must have reasonable grounds to believe, when making an invitation for a grant of Performance Rights, that the total number of shares that may be issued, or acquired upon exercise of Performance Rights offered, under an invitation, when aggregated with the number of shares issued or that may be issued as a result of offers made in reliance on ASIC Class Order 14/1000 at any time during the previous 3 year period under:</p> <ul style="list-style-type: none"> a) an employee incentive scheme covered by ASIC Class order 14/1000; or b) an ASIC exempt arrangement of a similar kind to an employee incentive scheme, but disregarding any offer made or securities issued in the capital of the Company by way of or as a result of: c) an offer to a person situated at the time of receipt of the offer outside Australia; d) an offer that did not need disclosure to investors because of section 708 of the Corporations Act; or e) an offer made under a disclosure document, <p>would exceed 5% (or such other maximum permitted under any applicable law) of the total number of Shares on issue at the date of the invitation.</p>
Amendment	<p>The Board may at any time amend the EIP Rules except that no amendment may be made if the amendment materially reduces the rights of any participant as they existed before the date of the amendment, other than an amendment either (i) agreed to in writing by all participants; or (ii) for the purpose of complying with law or the Company's constitution or due to manifest error or mistake or to take into consideration possible adverse tax reasons.</p>
