

Director Appointment

Advance Metals Limited (ASX: AVM) is pleased to announce the appointment of Mr. Fadi Diab as Non-Executive Director. Fadi is a seasoned corporate executive with over 10 years' experience in large financial institutions. Fadi has worked on several large-scale technology transformation programs which have received industry recognition and awards at a national level. Fadi has also been responsible for managing large operational teams responsible for billions of dollars of payments. Mr Diab is currently a director of Balkan Mining and Minerals Limited (ASX:BMM).

Mr Diab joins the Board contemporaneously with Ms Mel Sanderson resigning as Non-Executive Director, a position she has held since April 2022. The Board thanks Mel for her valuable contribution to the Company and wishes her well with her other endeavors.

This announcement has been authorised for release by the Board of Advance Metals Limited.

About Advance Metals Limited

Advance Metals Limited (ASX: AVM) is a battery and base metals focused exploration company with a world-class portfolio of copper and gold growth projects. We seek to maximise shareholder value through the acquisition, discovery, and advancement of high-quality metals projects. The Company utilises the expertise of our exploration team to identify underexplored and undervalued projects with significant geological potential. The Company has 100% ownership of the Garnet Skarn Deposit, the Augustus Project, and the Anderson Creek Gold Project. More information can be seen on the AVM website, www.advancemetals.com.au.
