## ASX ANNOUNCEMENT

2 August 2016

### Cirrus Networks wins enterprise storage contract

#### Highlights

- Product and associated services contract totalling in excess of \$1.5 million
- Continues the success of an enterprise focused strategy
- Blue chip financial services customer

Cirrus Networks Holdings Limited ("Cirrus" or the "Company") (ASX: CNW) has secured an enterprise data storage and associated services contract with a major local bank totalling in excess of \$1.5 million, reinforcing the success of the enterprise focused strategy.

As part of the contract, Cirrus Networks will provide a range of tier 1 enterprise storage technologies together with project management, design and implementation services to assist a data centre relocation.

Speaking about the win, Cirrus Managing Director Frank Richmond stated "We are delighted to have again been recognised by this blue chip customer as a trusted partner in providing an innovative and cost competitive approach for these tier 1 technology solutions. We look forward to a successful outcome on this contract and an opportunity to continue to deliver valued solutions to our blue chip customers."

#### About Cirrus:

Cirrus Networks Holdings Limited (ASX: CNW) is an IT solutions provider that helps businesses understand their technology needs to implement solutions that are world leading, best of breed, cost effective and efficient for long term operational gain. Cirrus' innovative approach has resulted in the swift establishment of a blue-chip customer base and its success was recently recognised at the Deloitte Australia's Technology Fast 50 Awards, where it was named in second place for 2015. This followed the second placing received in the fastest growing "Rising Star" technology company category in Australia in 2014.
