**THUNDERBIRD INVESTOR & SHAREHOLDER WEBINAR**

Thunderbird Resources Executive Chairman, George Ventouras, to host a live investor webinar on Thursday, 22 May 2025

---

Thunderbird Resources Limited (Thunderbird) or (the Company) (ASX: **THB**) is pleased to advise that the Company's Executive Chairman, George Ventouras, will host a live investor webinar on Thursday, 22 May 2025.

The webinar will include a detailed update on first-pass exploration results from the recently acquired Rockvale and Kookabookra Projects in NSW, which have confirmed the presence of high-grade gold and antimony mineralisation at both projects.

Both Rockvale and Kookabookra contain multiple historical gold occurrences, while Rockvale sits adjacent to Larvotto Resources' Hillgrove Antimony-Gold Project, the largest antimony deposit in Australia.

The webinar will be held on Thursday 22 May 2025, commencing at 9.00am AWST / 11.00am AEST.

Investors can register to join the webinar via the following link:

<https://www.bigmarker.com/read-corporate/thunderbird-resources-investor-webinar-e9f6b9eb03846855c0ecb619>

Investors will have the opportunity to submit live questions to Mr Ventouras via the online webinar platform. Alternatively, investors can email questions prior to the commencement of the webinar to [info@readcorporate.com.au](mailto:info@readcorporate.com.au).

This announcement has been authorised for release by the Board of Directors.

## ABOUT THUNDERBIRD RESOURCES

Thunderbird Resources (ASX: THB) ("Thunderbird" or "the Company") is an international exploration company with a diversified portfolio focused on discovering and developing critical minerals essential to the global energy transition. Thunderbird's portfolio comprises:

### Gold-Antimony – Au / Sb

The Rockvale and Kookabookra Gold-Antimony Projects in NSW – a highly prospective 616km<sup>2</sup> exploration portfolio proximal to the Hillgrove Gold-Antimony Mine, the largest antimony deposit in Australia and one of the Top-10 globally.

### Uranium – U

An extensive portfolio of high-quality projects across the Athabasca Basin in Canada, one of the world's premier districts for high-grade uranium deposits. Thunderbird's portfolio includes the Hidden Bay (drill program recently completed), Cluff Lake and Surprise Creek Projects.

### Copper – Cu

Thunderbird has significant exposure to exciting copper growth assets in both North and South America, both through its shareholding in ASX-listed copper explorer Firetail Resources (ASX: FTL), which is exploring the Skyline Copper Project in Newfoundland, Canada and through its 30% interest in the Picha and Charaque Copper-Silver Projects in Peru (70% owned by Firetail).
