## **XANADU MINES ACHIEVES DUAL-LISTED STATUS**

Xanadu Mines Ltd (“**Xanadu**” or the “**Company**”) (**ASX: XAM; TSX: XAM**) is pleased to announce that its ordinary shares will commence trading on the Toronto Stock Exchange (the **TSX**) under the symbol “XAM” at the open of trade in Toronto on 18 October 2018.

Xanadu’s Managing Director & Chief Executive Officer, Dr Andrew Stewart, said:” We are very pleased to be listed on the TSX now, as well as the ASX, as it will allow the company to develop a broader awareness of our significant porphyry copper-gold discovery in Mongolia’s south Gobi on two of the best resource exchanges globally. The listing constitutes an important milestone for Xanadu, providing a local trading platform for existing and new Canadian shareholders and investors.”

“The listing will further build the profile of the Company and understanding of its potential among North American investors. Our TSX Listing is timely given the substantial amount of activity planned, including the resource upgrade and Preliminary Economic Assessment on our Kharmagtai Project which is due Q4 2018.”

The final non-offering long form prospectus of the Company, being the principal listing document, is available on the Company’s website at [www.xanadumines.com](http://www.xanadumines.com) as well as on the Company’s SEDAR profile accessible at [www.sedar.com](http://www.sedar.com).

**Appendix 1** below outlines instructions on how to transfer ordinary shares between the ASX and the TSX.
