

## Pre-Reinstatement Disclosure

2 May 2025

Anagenics Limited (ASX:AN1) (**Company**) provides the following information to ASX for release to the market to satisfy the conditions of reinstatement of the Company's securities to quotation on ASX.

### Update on business strategy and objectives

Since its suspension on 4 September 2024, the Company has completed a restructuring program with the objective of simplifying its business structure and achieving sustainable earnings. The outcomes of the restructure program were announced on 2 December 2024.

Following the restructure program, the Company remains a health, beauty and wellness business growing shareholder value through the global distribution and sales of its proprietary and licensed brands of differentiated, clinically validated anti-aging solutions.

The Company implements its strategy through two business divisions:

- **BLC Cosmetics** – BLC Cosmetics Pty Ltd is the Company's wholly owned subsidiary, focused on sales and distribution of leading Australian and international brands of cosmetic and wellness products; and
- **owned products** – the Company owns in-house developed beauty and hair product brands, (including évolis and uspa) which are distributed by BLC Cosmetics and their own online platforms, and further legacy intellectual property rights to health, beauty and wellness formulations which generate revenue through royalties and licensing arrangements.

The Company intends to take steps to achieve the following strategic objectives, over the next 12 months:

- organic business growth, with a focus on achieving and maintaining sustained profitability of the BLC Cosmetics business and growing the owned products division by releasing new brands and reinforcing existing royalty income streams; and
- acquisitive growth, by actively pursuing accretive acquisitions.

### Pro-forma statement of financial position as at 31 March 2025

**Attached** to this announcement is a pro-forma consolidated statement of the Company's financial position as at 31 March 2025, which has been prepared using the Company's reviewed historical consolidated statement of financial position as at 31 March 2025, prepared on the basis set out in the accompanying limited assurance report.

**Working capital and funding**

The Directors believe that the Company has sufficient funds on hand to support its normal level of net operating cash flow requirements over the next two quarters, such that the Company does not require additional equity funding for this purpose. This assessment has been based on the following:

- revenue (including customer receipts and royalty income) based on the most recent quarter and estimates for new product lines and royalty income streams;
- forecast supplier payments based on current run-rate (including allowing for cost savings achieved as part of the recent business restructure);
- employee payroll following the recent business restructure;
- existing loan facilities, including a secured loan facility of \$1,000,000 provided by Boom Capital Pty Ltd; and
- no new business acquisitions or royalty income streams from new product development.

Shareholders should note, however, that the Company's business strategy and objectives detailed above includes achieving both organic and acquisitive growth in its business divisions. The Company continues to search for value accretive opportunities in line with its stated strategy and objectives. If an opportunity arises, the Company may raise new debt or equity capital to secure that opportunity and implement it.

The Company confirms it is in compliance with ASX Listing Rules 3.1 and 3.19A.

Dear Directors

## **LIMITED ASSURANCE REPORT ON ANAGENICS LIMITED PRO FORMA STATEMENT**

We have been engaged by Anagenics Limited (the “Company”) to report on the accompanying Pro Forma Statement, which comprises the Pro Forma Consolidated Statement of Financial Position and its attaching notes (the “Pro Forma Statement”).

Expressions and terms defined in the document have the same meaning in this report.

### **Scope**

You have requested William Buck to review the proforma Consolidated Statement of Financial Position.

The Pro Forma Consolidated Statement of Financial Position has been prepared using the reviewed historical Consolidated Statement of Financial Position as at 31 March 2025, with adjustments made to incorporate the effects of the pro forma adjustments detailed in the Pro Forma Statement.

The stated basis of preparation is the recognition and measurement principles contained in Australian Accounting Standards applied to the historical financial information and the events and transactions to which the pro forma adjustments relate, as if those events or transactions had occurred as at 31 March 2025. Due to its nature, the Pro Forma Consolidated Statement of Financial Position does not represent the Company’s actual or prospective financial position or financial performance.

### **Directors’ responsibility**

The directors of the Company are responsible for the preparation of the Pro Forma Statement, including the selection and determination of pro forma adjustments made to the historical financial information and include in the pro forma information. This includes responsibility for such internal controls as the directors determine are necessary to enable the preparation of historical financial information and pro forma historical financial information that are free from material misstatement, whether due to fraud or error.

## Our responsibility

Our responsibility is to express a limited assurance conclusion on the financial information based on the procedures performed and the evidence we obtained. We have conducted our engagement in accordance with the Standard on Assurance Engagement ASAE 3450 *Assurance Engagements involving Corporate Fundraisings and/or Prospective Financial Information*.

A review consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Accounting Standards and consequently does not enable us to obtain reasonable assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Our engagement did not involve updating or re-issuing any previously issued audit or review report on any financial information used as a source of the financial information.

## Conclusion

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the Pro Forma Statement, being the reviewed historical Consolidated Statement of Financial Position as at 31 March 2025 together with the attaching pro forma adjustments, is not presented fairly in all material aspects, in accordance with the stated basis of preparation as described in the Pro Forma Statement.

## Restriction on Use

Without modifying our conclusion, we draw attention to the financial information section of the Pro Forma Statement which describes the purpose of the financial information, being for inclusion in the Pro Forma Statement. As a result, the financial information may not be suitable for use for another purpose.

William Buck has consented to the inclusion of this limited assurance report in the Pro Forma Statement in the form and context in which it is included.

## Liability

### *Responsibility*

Consent to the inclusion of this Limited Assurance Report in the Pro Forma Statement in the form and context in which it appears has been given but should not be taken as an endorsement of the Company or a recommendation by William Buck of any participation in a share issue by any intending investors. At the date of this report our consent has not been withdrawn.

### *General Advice Limitation*

This Report has been prepared and included in the Pro Forma Statement to provide general information only and does not take into account the objectives, financial situation or needs of any specific stakeholder. It is not intended to take the place of professional advice and stakeholders should not make specific investment decisions in reliance on this information contained in this Report. Before acting or relying on information, a stakeholder should consider whether it is appropriate for their circumstances having regard to their objectives, financial situation or needs.

## Declaration of Interest

William Buck does not have any interest in the outcome of the issue of shares other than in the preparation of this Limited Assurance Report for which normal professional fees will be received.

Yours faithfully

*William Buck*

**Note 4. Contingent liabilities**

The Group has given bank guarantees as at 31 March 2025 of \$141,932 to various landlords.

**Note 5. Economic dependency**

The consolidated financial report has been prepared on a going concern basis, which contemplates the continuation of normal business operations and the realisation of assets and settlement of liabilities in the normal course of business.

As at 31 March 2025 the Group recorded unaudited year to date net losses of \$674,048, and it recorded unaudited year to date cash outflows from operations of \$1,708,7477. Notwithstanding this, the directors of the Group continue to maintain that the Group continues to trade as a going concern and realise its assets and discharge its liabilities in the normal course of business, due to the following matters:

Completion of business restructure

The Directors have completed a restructuring of business operations to achieve simplification and financial sustainability, and prepared cash flow forecasts which support the Group's ability to continue as a going concern. These forecasts incorporate several judgmental assumptions and estimates, including:

- Optimisation and enhancement of revenue channels and product offering; and
- Simplification of overhead structure and reduction of operating costs.

Execution of new commercial opportunities

The Group has signed a royalty agreement with York Street-Brands (YSB) which targets a minimum of \$4.4m in royalties over an initial 10-year term. In addition, the Group is exploring certain commercial outcomes to commercialise the Lynamid midline intellectual property portfolio; refer to the Company's ASX announcements released on 3 January 2025 and 4 February 2025.

Access to finance and economic dependency

The Group has the ability to access capital to meet cash and working capital requirements; the directors have received written support from a major shareholder that it will support the business, both operationally and financially, if required for a period of at least 12 months from the date of signing this report.

The Group also has access to a \$1 million loan facility with Boom Capital Pty Ltd, secured over all current assets and future debtors of BLC Cosmetics Pty Ltd. This loan has not yet been drawn down.

Based upon the assumptions set out in the cashflow forecast, and the aforementioned factors, the Directors of the Group have applied the going concern basis of accounting in these financial statements.

**Note 6. Events after the 31 March 2025**

Subsequent to the end of the financial year, at the Annual General Meeting held on the 3 April 2025, the shareholders approved the issue of 35,000,000 fully paid ordinary shares in Anagenics Limited at \$0.01 per share to FOS Capital Limited (ASX: FOS).

As part of the restructuring activities of the Group to simplify its business structure and to achieve sustainable earnings without interrupting its core sales, FOS provided administrative and warehousing services to replace the Company's internal functions. The shares were issued as payment for these services which were provided on a commercial and arms-length basis.

As at 31 March 2025, the shares are due and payable as a result of completion of the restructuring work. As such an accrual for payment has been raised in the balance sheet.

These shares were issued on 7 April 2025.

No other matter or circumstance has arisen since 31 March 2025 that has significantly affected, or may significantly affect the Group's operations, the results of those operations, or the Group's state of affairs in future financial years.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
