Australian Unity Bonds Trust Deed

General terms

1 Australian Unity Bonds Trust Deed

1.1 Australian Unity Bonds Trust Deed

This trust deed:

- (a) is the trust deed for the Trust; and
- (b) is the trust deed in respect of each Series of the Australian Unity Bonds required by Chapter 2L of the Corporations Act.

1.2 Consistency with section 283DB(1) of the Corporations Act

This trust deed is to be interpreted so as not to give rise to the operation of section 283DB(1) of the Corporations Act.

1.3 Constitution and status

Australian Unity Bonds are direct, unsecured and unsubordinated debt obligations of the Issuer constituted by, and owing under, this trust deed and issued on the applicable Terms. The obligations of the Issuer in respect of each Australian Unity Bond:

- (a) constitute separate and independent acknowledgments of the indebtedness of the Issuer;
- (b) are subject to the terms of this trust deed and the applicable Terms;
- (c) rank equally and without any preference amongst themselves and at least equally with all other unsubordinated and unsecured obligations of the Issuer (other than any obligations preferred by mandatory provisions of applicable law) as described in the Terms;
- (d) do not represent protected accounts of any member of the Australian Unity Group for the purposes of the Banking Act or any similar law of any jurisdiction and nor do they represent deposits with, or deposit liabilities of, any member of the Australian Unity Group for any other purposes of the Banking Act or the laws of any jurisdiction; and
- (e) are not obligations of the Australian Government or of any other government and, in particular, are not guaranteed or insured by the Commonwealth of Australia or any government, government agency or compensation scheme in any jurisdiction or by any other person.

1.4 Issuance

- (a) Subject to the terms of this trust deed, the Issuer may issue Australian Unity Bonds to any person under the Terms.
- (b) Australian Unity Bonds will be issued in, and form, separate Series of Australian Unity Bonds and this trust deed applies equally to each such Series.

- (c) The Issuer may from time to time, without the consent of the Trustee or the Holders, issue new Australian Unity Bonds having the same Terms as an existing Series of the Australian Unity Bonds in all respects (or in all respects except for the Issue Date and the first payment of Interest for such new Australian Unity Bonds) so as to form part of the same Series or issue any other bonds, notes, shares or any other form or type of securities, or incur or guarantee any indebtedness, upon such terms as it may think fit in its sole discretion.
- (d) The Issuer may only issue a Tranche of Australian Unity Bonds under this Trust Deed if the aggregate Face Value of the relevant Tranche of Australian Unity Bonds to be issued exceeds \$5,000,000.

1.5 Undertaking to pay

- (a) The Issuer undertakes to the Trustee (on behalf of and for the benefit of the Holders) to pay the amounts due and payable in respect of each Australian Unity Bond under, and in accordance with, the Transaction Documents and otherwise comply with this trust deed and the applicable Terms.
- (b) The Trustee directs the Issuer to pay such amounts directly to the relevant Holders, unless:
 - (i) an Event of Default has occurred;
 - (ii) the Issuer is otherwise directed by the Trustee to make the payments directly to the Trustee by the giving of notice to that effect not less than five Business Days before the scheduled date for the making of the payment; or
 - (iii) the Issuer advises the Trustee that it is not likely to meet its obligations under the Transaction Documents,
 in which event the payment must be made directly to the Trustee.
- (c) The payment of an amount due under an Australian Unity Bond to either the Holder or the Trustee discharges the obligation of the Issuer to pay that amount under that Australian Unity Bond.

1.6 Unsecured notes

The Australian Unity Bonds are “unsecured notes” for the purposes of section 283BH of the Corporations Act.

2 Declaration of trust

2.1 Trustee

The Trustee is appointed, and agrees to act, as the trustee of the Trust established under this trust deed and the Corporations Act with effect from the date of this trust deed.

2.2 Constitution of Trust

The Trust is constituted on the execution of this trust deed by the Issuer and the Trustee.

2.3 Declaration of Trust

The Trustee declares that, on execution of this trust deed, it holds the sum of A\$10, and that it will hold the Trust Fund on trust at any time for the benefit of itself and the persons who are Holders of Australian Unity Bonds from time to time on the terms of this trust deed.

2.4 Name of Trust

The trust established under this trust deed will be known as the "Australian Unity 2023 Bonds Trust".

2.5 Commencement and termination of Trust

The Trust commences on the date of this trust deed and unless determined earlier, ends on the earlier of:

- (a) the day occurring immediately before the 80th anniversary of the date it begins; and
- (b) the day on which the Issuer is discharged and released from its liabilities, obligations and covenants under this trust deed under clause 17.1 ("Discharge and release").

2.6 Beneficiaries

Subject to the rights of the Trustee, the Holders of the Australian Unity Bonds of a Series are the persons beneficially entitled to the Trust Fund from time to time on the terms of this trust deed. They hold that beneficial entitlement as equitable tenants in common, provided that joint holders of an Australian Unity Bond shall hold as between themselves and the Issuer as joint tenants.

2.7 Safe custody of this trust deed

The Trustee will hold its counterparts of this trust deed in safe custody for itself and the Holders.

2.8 Receipt of amounts

All moneys received by the Trustee in respect of amounts payable under this trust deed shall, unless and to the extent attributable, in the opinion of the Trustee, to a particular Series of Australian Unity Bonds, be apportioned equally and rateably between each Series of the Australian Unity Bonds, and all moneys received by the Trustee under this trust deed shall, to the extent attributable in the opinion of the Trustee to a particular Series of Australian Unity Bonds or which are apportioned to such Series as aforesaid, be held by the Trustee on trust to be applied in the following order:

- (a) first, in payment of all Costs incurred by, or other amounts owing to, the Trustee under or in connection with this trust deed (including all remuneration payable to the Trustee and any amount payable under clause 6.2 ("Trustee Indemnity"));
- (b) secondly, in payment of all Costs incurred by, or other amounts owing to, a Controller under or in connection with this trust deed;
- (c) thirdly, in or towards payment equally and rateably of all amounts due but remaining unpaid in respect of the Australian Unity Bonds of that Series;

- (d) fourthly, in or towards payment equally and rateably of all amounts due but remaining unpaid in respect of the Australian Unity Bonds of each other Series; and
- (e) fifthly, in payment of the balance (if any) to the Issuer.

3 Benefit and burden of deed

3.1 Holders bound

In respect of a Series:

- (a) each Holder (and any person claiming through or under a Holder) is bound by, and is taken to have notice of, each Transaction Document for that Series. The Holders are taken to have irrevocably authorised the Trustee to enter into each Transaction Document for that Series (other than this trust deed), and to exercise its rights under each Transaction Document, the Terms and Chapter 2L of the Corporations Act, in its capacity as trustee of the Trust; and
- (b) it is a fundamental condition of receiving any of the rights or benefits under an Australian Unity Bond that a Holder must perform all of the obligations and comply with all restrictions and limitations applicable to it, in respect of the Australian Unity Bond, under this trust deed and the applicable Terms.

3.2 Limit on Holders' rights

All of the rights against the Issuer in connection with the Australian Unity Bonds of a Series are held by the Trustee for the Holders of that Series. Accordingly, subject to clause 3.4 ("Holder's right to take action"):

- (a) no Holder is entitled to directly enforce any rights, powers or remedies in connection with the Australian Unity Bonds (whether under this trust deed or the other Transaction Documents of that Series) directly against the Issuer; and
- (b) the rights, powers and remedies of the Trustee under and in respect of the Transaction Documents of that Series are exercisable and enforceable by the Trustee only. No Holder may exercise any of them (whether in its own name or the Trustee's name).

3.3 Enforcement

- (a) Subject to the Transaction Documents of a Series and to section 283DA(h) of the Corporations Act, the Trustee must take action to enforce the Australian Unity Bonds (including following the occurrence of any Event of Default in respect of those Australian Unity Bonds) and the Transaction Documents relevant to that Series, in each case, in accordance with their terms where all the conditions set out below are satisfied. However, the Trustee is not required to act independently or to otherwise act in accordance with any direction from the Holders or any of them, or in accordance with a Holder Resolution unless such conditions are satisfied. The relevant conditions are that:
 - (i) the Trustee is directed to take action by a Holder Resolution (or, if required by the Terms, a Special Resolution) in respect of that Series;
 - (ii) the Trustee is indemnified to its satisfaction, against:

- (A) all actions, proceedings, claims and demands to which the Trustee may render itself liable by taking such action;
 - (B) all Costs which the Trustee may incur in taking the action; and
 - (C) all management time spent by employees or officers of the Trustee in relation to such action which will be charged at the Trustee's standard hourly rates prevailing from time to time provided that such rates have been notified to the Issuer in writing; and
- (iii) the action is permitted under the Transaction Documents of that Series.
- (b) Without limiting paragraph (a) or clause 6.1(a) of the Terms, at any time after the Australian Unity Bonds of a Series become due and are unpaid, or at any time after any payment of principal or Interest has become due and is unpaid, the Trustee may, at its discretion and without further notice, institute proceedings for the winding-up of the Issuer (or prove in any such winding-up).
- (c) Without limiting paragraph (a), if the Issuer breaches any of its obligations under any Transaction Document (other than any obligation for the payment of any principal or Interest in respect of the Australian Unity Bonds of a Series), the Trustee may, at its discretion and without further notice, bring such proceedings as it may think fit to enforce such obligations. Without limiting clause 6.1(b) of the Terms, the Issuer shall not, as a result of the bringing of any such proceedings, be obliged to pay any sums representing or measured by reference to principal or Interest on the Australian Unity Bonds of the relevant Series sooner than the same would otherwise have been payable by it.
- (d) The Trustee may, but is not required to, act independently of a direction from the Holders. The Trustee must, at all times, act in accordance with its obligations under the Transaction Documents, the Corporations Act and applicable law.

3.4 Holder's right to take action

No Holder is entitled to proceed directly against the Issuer to enforce any right, power or remedy in connection with any Australian Unity Bond or any provision of a relevant Transaction Document unless:

- (a) the Trustee, having become bound to proceed, fails to do so within 14 days and such failure is continuing; or
- (b) 30 Business Days have lapsed since the date on which the Holder gave notice to the Trustee that it intends to commence such action or proceedings (with such notice to specify the details of its claim and the basis of its claim) and the Trustee has not commenced such action or proceedings as a result of the request of the Holder,

in which case any such Holder may itself institute proceedings against the Issuer for the relevant remedy to the same extent (but not further or otherwise) that the Trustee would have been entitled to do so. Any such proceedings must be brought in the name of the Holder and not the Trustee.

3.5 Untraceable Holders

Subject to applicable law and the applicable Listing Rules, where the Issuer:

- (a) is, in respect of an Australian Unity Bond, required to pay any amount to a Holder; and
- (b) has made reasonable efforts to locate the Holder but is unable to do so,

then that amount:

- (i) must be repaid by the Trustee to the Issuer, if the amount has been paid to the Trustee and the Trustee has actual possession and control of such amount; and
- (ii) is to be held by the Issuer for the Holder in a non-interest bearing deposit with a bank selected by the Issuer until the Holder, or any legal personal representative of the Holder, claims the amount or the amount is paid by the Issuer according to the legislation relating to unclaimed amounts, or the claim by or on behalf of the Holder is barred by applicable law or under clause 10.1 of the Base Terms (whichever occurs first).

The Trustee is not liable to any Holder for any amounts paid to the Issuer under this clause 3.5. The Issuer indemnifies the Trustee from any and all costs, losses, liabilities, expenses, demands or claims suffered or incurred by the Trustee in respect of any moneys paid to the Issuer under this clause 3.5.

4 General powers, rights and responsibilities of the Trustee

4.1 Extent of obligations

The Trustee has no obligations except those:

- (a) expressly set out in the Transaction Documents to which it is a party; and
- (b) arising under Chapter 2L of the Corporations Act.

The obligations of the Trustee to act, or refrain from acting, are at all times subject to the Corporations Act.

4.2 Excluded roles and duties

The appointment of the Trustee as trustee does not mean that the Trustee:

- (a) is a trustee for the benefit of;
- (b) is a partner of; or
- (c) has a fiduciary duty to, or other fiduciary relationship with,

any Holder (other than in its capacity as a Holder), the Issuer or any other person, except as provided in the Transaction Documents.

4.3 Binding nature of relationship

Each Holder is bound by anything properly done or not done by the Trustee in accordance with the Transaction Documents, whether or not on instructions, and whether or not the Holder gave an instruction or approved of the thing done or not done.

4.4 Exercise of rights and compliance with obligations

- (a) **(Powers of a natural person)** The Trustee has all the powers of a natural person or corporation in connection with the exercise of its rights and compliance with its obligations under the Transaction Documents.
- (b) **(Exercise of powers)** The Trustee may exercise its rights and comply with its obligations under the Transaction Documents in any manner it thinks fit.
- (c) **(Waiver)** The Trustee may waive in writing, at any time and on any terms or conditions, any breach by the Issuer under the Terms or this trust deed, provided that, where a breach is the failure of the Issuer to pay Interest on, or to Redeem or repay, any Australian Unity Bonds of a Series under the relevant Terms, the Trustee may waive the breach only if the Holders of that Series have, by a Holder Resolution, consented to the waiver.
- (d) **(Dealings)** The Trustee and its Related Bodies Corporate may, without being liable to account to the Issuer or any Holder:
 - (i) hold, in any capacity, Australian Unity Bonds, shares or any other marketable securities issued by the Issuer or any other member of the Australian Unity Group;
 - (ii) in any capacity, represent or act for, or contract with, individual Holders;
 - (iii) deal in any capacity with the Issuer or any of its Related Bodies Corporate or associates;
 - (iv) act in any capacity in relation to any other trusts;
 - (v) retain for its own benefit any amount received by it for its own account; or
 - (vi) accept deposits from, lend money or provide services to, and generally conduct any banking or other business with, or enter into any contract or arrangement with, the Issuer or any Holder and any person connected with the Issuer or any Holder without having to account to the Holders or any other person (including in respect of any fee, remuneration or profit received or accruing in connection with any of the above),

but the Trustee may not act in a manner which would preclude the Trustee from acting as trustee of the Trust for the purposes of Chapter 2L of the Corporations Act.

4.5 Trustee's undertakings

The Trustee must:

- (a) fulfil its duties under Chapter 2L of the Corporations Act;

- (b) act honestly and in good faith and comply with all laws in performing its duties and in the exercise of its discretions under the Transaction Documents;
- (c) exercise such diligence and prudence as a person carrying on the business of a professional trustee would exercise in performing its duties and in the exercise of its discretions under the Transaction Documents;
- (d) keep accounting records which correctly record and explain all amounts paid and received by the Trustee in its capacity as trustee of the Trust; and
- (e) keep the assets of the Trust separate from all other Assets of the Trustee which are held in a capacity other than trustee of the Trust.

5 Delegation and reliance on advice

5.1 Power to delegate

The Trustee may employ agents, contractors and attorneys and may delegate any of the powers, authorities or discretions conferred on it under this trust deed without notifying the Issuer or any Holder of the employment or delegation provided that the Trustee reasonably believes that it is fit, proper and appropriate to so employ, contract, engage or delegate.

5.2 Trustee may rely on communications and opinions

In relation to any Transaction Document, and exercise of its rights or powers, thereunder, the Trustee may:

- (a) rely on any communication or document it has had no reasonable grounds to believe is not genuine and correct and to have been signed or sent by the appropriate person; and
- (b) act on opinions and statements received by it from any agent, contractor, attorney, delegate or legal, accounting, taxation or professional advisers engaged or appointed by it or by any one or more of the Holders, provided that it believes that the adviser engaged or appointed by it or by any one or more of the Holders is fit, proper and appropriate. The Trustee is not responsible for any loss occasioned by so acting.

5.3 Dispute or ambiguity

If there is any dispute or ambiguity in relation to any matter connected with the Australian Unity Bonds or any Transaction Document, the Trustee may (but need not) do one or both of the following:

- (a) obtain and rely on advice from any person referred to in clause 5.2(b) ("Trustee may rely on communications and opinions"); or
- (b) apply to a court for any direction or order the Trustee considers appropriate and comply with any such directions or orders.

For so long as the Trustee is using reasonable endeavours to resolve any dispute or ambiguity, the Trustee may (but need not) refuse to do anything in relation to matters affected by the dispute or ambiguity.

6 Trustee indemnity

6.1 Corporations Act

- (a) The Trustee's right of indemnity and any limitation on the Trustee's liability under the Transaction Documents is subject to the Corporations Act.
- (b) This trust deed is to be interpreted so as not to give rise to the operation of section 283DB(1) of the Corporations Act.

6.2 Indemnity

The Trustee, its officers, directors, employees and attorneys (together, the "Trustee Indemnified Parties" for the purposes of this clause 6.2) are entitled to be indemnified by the Issuer and, without limitation, out of the property of the Trust Fund in respect of all costs, losses, liabilities, expenses, demands, claims or Taxes suffered or properly incurred by a Trustee Indemnified Party in the execution of the Trust, exercise of any of the powers, authorities or discretions vested in the Trustee or performance of any obligations under this trust deed in respect of the Trust and any other Transaction Document, but this indemnity does not extend to:

- (a) any such costs, losses, liabilities, expenses, demands, claims or Taxes to the extent arising out of a Trustee Default; or
- (b) any Taxes (excluding any Indirect Tax) imposed on a Trustee Indemnified Party's remuneration for its services in connection with their appointment in respect of the Trust.

The Trustee may retain and pay out of any moneys in its hand in priority to any claim by a Holder, all sums necessary to effect and satisfy an amount due and payable to a Trustee Indemnified Party under this clause 6.

6.3 Indemnity additional

Any indemnity to which the Trustee is entitled under this trust deed is in addition to, and without prejudice to, any indemnity allowed by law or equity to the Trustee.

6.4 No obligation to act

The Trustee is not obliged to carry out any act or refrain from doing any act (including incurring any liability) under any Transaction Document until such time as it is placed in funds or is otherwise indemnified to its satisfaction against any cost, loss, demand, claim, Tax, expense or liability which it may incur as a result of doing so.

6.5 No personal indemnity by Holders

Except as otherwise agreed with any Holder or Holders in accordance with the taking of action by the Trustee as directed by the Holders as contemplated in clause 6.4, the Trustee is not entitled to be indemnified by any Holder personally.

6.6 Survival

The provisions of this clause 6 shall survive the termination of this trust deed and any other Transaction Document and any retirement or removal of the Trustee as trustee of the Trust.

7 Trustee's rights and liability

7.1 Limitation of liability

- (a) The Issuer and the Holders acknowledge that the Trustee is entering into this trust deed as trustee for the Trust and not in any other capacity.
- (b) The Trustee is not liable to the Issuer or the Holders or any other person in any capacity other than as trustee of the Trust.
- (c) A liability to the Issuer or any Holder arising under or in connection with this trust deed is limited to and can be enforced by such person against the Trustee only to the extent to which it can be satisfied out of any property held by the Trustee out of which the Trustee is actually indemnified for the liability. This limitation of the Trustee's liability applies despite any other provision of this trust deed and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this trust deed.
- (d) Neither the Issuer nor any Holder may sue the Trustee in any capacity other than as trustee of the Trust, including seeking the appointment of a receiver (except in relation to property of the Trust), a liquidator, an administrator or any other similar person to the Trustee or prove in any liquidation of or affecting the Trustee (except in relation to the property of the Trust).
- (e) The Issuer and each Holder waives their rights and release the Trustee from any personal liability in respect of any loss or damage which any of them may suffer as a consequence of a failure of the Trustee to perform its obligations under this trust deed, which cannot be paid or satisfied out of any property held by the Trustee.
- (f) The provisions of this clause 7.1 will not apply to any obligation or liability of the Trustee to the extent arising as a result of the Trustee's fraud, negligence, wilful default or breach of section 283DA of the Corporations Act (a "**Trustee Default**").
- (g) The Issuer acknowledges that it is responsible under this trust deed for performing a variety of obligations under this trust deed. - (f) the Issuer must indemnify the Trustee and each Holder against costs, losses and expenses suffered or incurred by the Trustee or Holder in or in connection with any negotiations or proceedings relating to the claim or as a result of the upholding, concession or compromise of the claim.

8.1 Fees

- (a) The Issuer agrees to pay fees to the Trustee on terms agreed between the Issuer and the Trustee from time to time. The payment of such fees must be made by the Issuer by transfer to such account nominated from time to time by the Trustee to the Issuer or by such other means notified by the Trustee to the Issuer from time to time.

- (c) In the absence of agreement in relation to the additional fees referred to in clause 8.1(b) above, the Trustee shall be entitled to charge the Issuer reasonable hourly rates for time spent by the Trustee's officers and employees in relation to such enforcement action. Such hourly rates shall:

8.2 Costs and expenses

The Issuer must pay its own costs and expenses in connection with negotiating, preparing, executing and performing any Transaction Document and must pay to the Trustee on demand all costs, losses, charges and expenses (including legal fees and disbursements) suffered or incurred in connection with each of the following:

8.3 Priority of entitlement

All amounts payable to the Trustee under this clause 8 will be paid in priority to any claim by any Holder and will continue to be payable until paid notwithstanding that this trust deed or the Trust may be terminated, or the Trust may be wound up or subject to administration by or under the order of any court. This priority of the Trustee will subsist whether or not an external administrator is appointed to the Issuer or any of its assets or the Trust is in the course of administration by or under the order of any court.

9.1 Retirement

Subject to compliance with any relevant statutory requirements for the time being and clause 9.4 ("When retirement to take effect"), the Trustee may retire (without giving any reason for its retirement) as Trustee at any time upon giving not less than 60 days' notice (or such other period as the Trustee and the Issuer may agree) in writing to the Issuer of its intention to do so.

- (b) Any removal of the Trustee under this clause 9.5 will only take effect upon the appointment of a new Trustee under clause 9.3 ("Trustee may appoint Eligible Trustee") or under section 283AD of the Corporations Act.
- (c) On the retirement or removal of the Trustee, the Trustee must, at the cost of the Issuer, do all such things and execute all such deeds and assurances as are necessary for the purpose of vesting in a new Trustee all money, property, rights, powers, authorities and discretions vested in the Trustee under this trust deed. Schedule 1 – Base Terms

Australian Unity Bonds - Base Terms

The following are the base terms and conditions ("**Base Terms**") of the Australian Unity Bonds as referred to in the Base Prospectus dated on or about 30 October 2023 issued by the Issuer ("**Base Prospectus**"). In respect of a Tranche of Australian Unity Bonds, these Base Terms will be supplemented, amended, modified or replaced by Offer Specific Terms ("**Offer Specific Terms**" and, together with the Base Terms, the "**Terms**"). The Offer Specific Terms will be described in the relevant Offer Specific Prospectus. In the event of any inconsistency between the Offer Specific Terms and these Base Terms, the provisions of the Offer Specific Terms will prevail.

1 Form of Australian Unity Bonds

1.1 Constitution and status

 - (ii) deposits with, or deposit liabilities of, any member of the Australian Unity Group for any other purposes of the Banking Act or the laws of any jurisdiction; or
 - (iii) policy liabilities with any member of the Australian Unity Group under the Life Insurance Act; and
- (c) are not obligations of the Australian Government or of any other government and, in particular, are not guaranteed or insured by the Commonwealth of Australia or any government, government agency or compensation scheme in any jurisdiction or by any other person.

Each Australian Unity Bond is issued fully paid with a Face Value of A\$100 or such other amount specified in the Offer Specific Terms.

1.4 Currency

Australian Unity Bonds are denominated in Australian dollars.

1.5 Term

Australian Unity Bonds are issued with a Maturity Date specified in the Offer Specific Terms. The Maturity Date for an Australian Unity Bond must not occur after the fifteenth anniversary of the Issue Date.

1.6 Clearing System

The rights of a person holding an interest in the Australian Unity Bonds are subject to the rules and regulations of the Clearing System.

1.7 No certificates

No certificates will be issued to Holders unless the Issuer determines that certificates should be available or are required by any applicable law.

1.8 Quotation

The Issuer must use all reasonable endeavours and furnish any documents, information and undertakings as may be reasonably necessary in order to ensure that the Australian Unity Bonds are, and until Redeemed remain, quoted on a Stock Exchange.

1.9 Offer Specific Terms

Australian Unity Bonds are issued in Series. A Series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than in respect of the Issue Price and first payment of Interest). A Tranche is the subject of Offer Specific Terms which supplement, amend, modify or replace these Base Terms. If there is any inconsistency between these Base Terms and the Offer Specific Terms, the Offer Specific Terms prevail.

1.10 No other rights

Australian Unity Bonds confer no rights on a Holder:

- (a) as or to become a Member of the Issuer;
- (b) to vote at any meeting of Members of the Issuer;
- (c) to subscribe for new securities or to participate in any bonus issues of securities of the Issuer; or
- (d) to otherwise participate in the profits or property of the Issuer or any other member of the Australian Unity Group, except as set out in the Terms or the Trust Deed.

1.11 Unsecured notes

Australian Unity Bonds are unsecured notes for the purposes of section 283BH of the Corporations Act.

2 Interest

2.1 Interest

- (a) Each Australian Unity Bond bears interest (**Interest**) on its Face Value from (and including) the Interest Commencement Date to (but excluding) its Maturity Date or Redemption Date at the Interest Rate.
- (b) Interest is payable in arrears on each Interest Payment Date.

2.2 Interest Rate

- (a) The Interest Rate applicable in respect of Australian Unity Bonds of a Series will be set out in the Offer Specific Terms and must be determined by the Issuer in accordance with these Terms.
- (b) The Offer Specific Terms will specify whether the Interest Rate in respect of the Australian Unity Bonds of a Series will be either:
 - (i) a Fixed Interest Rate, in which case clause 2.3 will apply; or

- (ii) a Floating Interest Rate, in which case clauses 2.4 and 2.7 will apply.
- (c) The Issuer must, as soon as practicable after determining the Interest Rate for each Interest Period for each Australian Unity Bond, calculate the amount of Interest expected to be payable for each Australian Unity Bond for that Interest Period.

2.3 Fixed Interest Rate

The provisions of, and the defined terms contained in, this clause 2.3 apply to the Australian Unity Bonds only if the Offer Specific Terms states that it applies.

- (a) The Interest Rate applicable to an Australian Unity Bond for each Interest Period (expressed as a percentage per annum) is specified in the applicable Offer Specific Terms.
- (b) The amount of Interest payable on each Interest Payment Date in respect of the preceding Interest Period in respect of each Australian Unity Bond is the Fixed Interest Payment Amount specified in the Offer Specific Terms or, if a Fixed Interest Payment Amount is not specified, the amount determined in accordance with clause 2.5.

2.4 Floating Interest Rate

The provisions of, and the defined terms contained in, this clause 2.4 apply to the Australian Unity Bonds only if the Offer Specific Terms state that it applies.

- (a) The Interest Rate applicable to an Australian Unity Bond for each Interest Period (expressed as a percentage per annum) is calculated according to the following formula:

$$\text{Interest Rate} = \text{Market Rate} + \text{Margin}$$

where:

Market Rate means the BBSW Rate or such other rate specified in the Offer Specific Terms; and

Margin means the rate (expressed as a percentage per annum) specified in the Offer Specific Terms.

- (b) If, in respect of an Interest Period, the Issuer is unable to determine a rate in accordance with this clause 2.4, the Interest Rate for the Interest Period is the Interest Rate applicable to the Australian Unity Bonds during the immediately preceding Interest Period.

2.5 Calculation of Interest payable

If a Floating Interest Rate applies or a Fixed Interest Rate applies and Fixed Interest Payment Amount is not specified in the Offer Specific Terms, the amount of Interest payable on each Australian Unity Bond for an Interest Period is calculated according to the following formula:

$$\text{Interest} = \text{Interest Rate} \times \text{Face Value} \times \text{Day Count Fraction}$$

2.6 Accrual of Interest for other periods

Where for the purposes of the Terms it is necessary to calculate an amount of interest accrued for a period that is not an Interest Period, the amount is calculated according to the following formula:

Interest = Interest Rate x Face Value x Day Count Fraction

where, for the purposes of the definition of “Day Count Fraction”, the number of days in the Calculation Period is:

- (A) for a period ending on a date occurring before the first Interest Payment Date, the number of days from (and including) the Interest Commencement Date to (but excluding) that date; and
- (B) for a period ending on a date occurring after the first Interest Payment Date, the number of days from (and including) the preceding Interest Payment Date to (but excluding) that date.

2.7 Notification of Interest Rate, Interest payable and other items

The provisions of, and the defined terms contained in, this clause 2.7 apply to the Australian Unity Bonds only if the Offer Specific Terms state that clause 2.4 (“Floating Interest Rate”) applies.

The Issuer must notify the Trustee, the Registrar and the Stock Exchange of:

- (a) the Interest Rate for each Interest Period and the amount of Interest payable per Australian Unity Bond; and
- (b) any amendment to the Interest Rate or the amount referred to in paragraph (a) arising from any extension or reduction in any Interest Period or Calculation Period. The Issuer must give notice under this clause 2.7 as soon as practicable after it makes its determination.

However, the Issuer must give notice of each Interest Rate and the amount of Interest payable by the fourth Business Day of the Interest Period. The Issuer may amend its determination of any amount, rate, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or Calculation Period without prior notice but must notify the Trustee, the Registrar and the Stock Exchange after doing so.

2.8 Default interest

If an amount is not paid under the Terms when due, interest accrues on the unpaid amount (both before and after any demand or judgment) at the last applicable Interest Rate plus 2% until the date on which payment is made to the Holder.

2.9 Calculations

For the purposes of completing any calculations required under the Terms:

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with 0.00005% being rounded up to 0.0001%);
- (b) all figures resulting from the calculations must be rounded to four decimal places (with 0.00005 being rounded up to 0.0001); and
- (c) all amounts that are due and payable to a Holder in respect of the Holder’s aggregate holding of Australian Unity Bonds of a Series must be rounded to the nearest one cent (with 0.5 of a cent being rounded up to one cent).

4.3 Restrictions on Subsidiary Financial Indebtedness

- (b) any present or future Financial Indebtedness (whether secured or unsecured) owed by one member of the Australian Unity Group to another member of the Australian Unity Group;

This clause 4.3 does not apply to any ADI that is a member of the Australian Unity Group.

4.4 Determination of ratios

The amount of any Gearing Ratio Debt (and the elements included in its calculation) required to be calculated for the purposes of the Terms shall be determined in accordance with Applicable Accounting Standards in force as at the date of the Base Prospectus unless the Issuer notifies the Holders and the Trustee that such amounts will instead be determined in accordance with Applicable Accounting Standards in force at the time of making the determination.

7 Title and transfer of Australian Unity Bonds

7.1 Title

in each case of that Series.

Entries in the Register in relation to a Series constitute conclusive evidence that the person so entered in respect of an Australian Unity Bond is the absolute owner of that Australian Unity Bond subject to correction for fraud or manifest or proven error and, except as required by law, the Issuer, the Trustee and the Registrar must treat that person as the absolute owner of that Australian Unity Bond. This clause 7.3 applies whether or not an Australian Unity Bond is overdue and despite any notice of ownership, trust or interest in the Australian Unity Bond.

7.4 Joint holders

Where two or more persons are entered in a Register as the joint holders of an Australian Unity Bond then they are taken to hold the Australian Unity Bond as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of any Australian Unity Bond.

7.5 Transfers in whole

Australian Unity Bonds may be transferred in whole but not in part.

7.6 Transfer

7.7 Market obligations

The Issuer must comply with all Applicable Regulation and any other relevant obligations imposed on it in relation to the transfer of an Australian Unity Bond.

7.8 Delivery of instrument

If an instrument is used to transfer Australian Unity Bonds according to clause 7.6, it must be delivered to the Registrar, together with such evidence (if any) as the Registrar reasonably requires to prove the title of the transferor to, or right of the transferor to transfer, the Australian Unity Bonds.

7.9 Refusal to register transfers

- (a) The Issuer may only refuse to register a transfer of any Australian Unity Bonds if such refusal is required or permitted by Applicable Regulation.

7.11 Estates

A person becoming entitled to an Australian Unity Bond as a consequence of the death or bankruptcy of a Holder or of a vesting order or a person administering the estate of a Holder may, upon producing such evidence as to that entitlement

8.5 Payments by cheque

The Issuer may decide that payments in respect of an Australian Unity Bond will be made by cheque sent on the payment date, at the risk of the registered Holder, to the Holder (or to the first named joint holder of the Australian Unity Bond) at its address appearing in the Register at close of business on the Record Date (in the case of a payment of Interest) or on the Redemption Date or the Maturity Date (in the case of payment of principal).

Cheques sent on the payment date to the nominated address of a Holder will be taken to have been received by the Holder on the payment date and, no further amount will be payable by the Issuer in respect of the Australian Unity Bonds as a result of the Holder not receiving payment on the due date.

8.6 Unsuccessful attempts to pay

Subject to applicable law, where the Issuer:

- (a) decides that an amount is to be paid to a Holder by a method of direct credit and the Holder has not given a direction as to where amounts are to be paid by that method;
- (b) attempts to pay an amount to a Holder by direct credit, electronic transfer of funds or any other means and the transfer is unsuccessful; or
- (c) has made reasonable efforts to locate a Holder but is unable to do so,

in each case the amount is to be held by the Issuer for the Holder in a non-interest bearing deposit with a bank selected by the Issuer until the Holder or any legal personal representative of the Holder claims the amount, the amount is paid by the Issuer according to the legislation relating to unclaimed amounts, or the claim by or on behalf of the Holder is barred by applicable law or under clause 10.1 (whichever occurs first).

When this clause 8.6 applies, the amount payable in respect of the relevant Australian Unity Bond shall be treated as having been paid on the date scheduled for payment and a Holder will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due.

8.7 Payment to joint Holders

A payment to any one of joint Holders will discharge the Issuer's liability in respect of the payment.

8.8 Payments subject to law

All payments are subject to applicable law, but without prejudice to provisions of the Terms relating to the payments of Additional Amounts.

8.9 Payments on Business Days

If a payment:

- (a) is due on an Australian Unity Bond on a day which is not a Business Day then the due date for payment will be adjusted in accordance with the Business Day Convention; or
- (b) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and in either case, the Holder is not entitled to any additional payment in respect of that delay.

9 Taxation

9.1 No set-off, counterclaim or deductions

All payments in respect of the Australian Unity Bonds must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless such withholding or deduction is required by applicable law or made under or in connection with, or to ensure compliance with, FATCA.

9.2 Withholding tax gross up

Subject to clause 9.3, if an applicable law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of an Australian Unity Bond such that the Holder would not actually receive on the due date the full amount provided for under that Australian Unity Bond, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed in Australia, the Issuer will pay an Additional Amount so that, after making the deduction and further deductions applicable to Additional Amounts payable under this clause 9.2, the Holder is entitled to receive (at the time the payment is due) the amount it would have received if no deduction or withholding had been required to be made.

9.3 Withholding tax exemptions

No Additional Amounts are payable under clause 9.2(b) in respect of any Australian Unity Bond:

- (a) to, or to a third party on behalf of, a Holder who is liable to such Taxes in respect of such Australian Unity Bond by reason of the person having some connection with Australia other than the mere holding of such Australian Unity Bond or receipt of payment in respect of the Australian Unity Bond;
- (b) to, or to a third party on behalf of, a Holder who could lawfully avoid (but has not so avoided) such Taxes by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or similar case for exemption to any tax authority;
- (c) to, or to a third party on behalf of, a Holder who is an Offshore Associate and not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act;

- (e) to, or to a third party on behalf of, a Holder where such withholding or deduction is required to be made pursuant to a notice or direction issued by the Commissioner of Taxation under section 255 of the Australian Tax Act or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of the Commonwealth of Australia or any similar law;
- (f) to, or to a third party on behalf of an Australian resident Holder or a non-resident Holder carrying on business in Australia at or through a permanent establishment of the non-resident in Australia, if the Holder has not supplied an appropriate Australian tax file number, an Australian business number or other exemption details before the Record Date; or
- (g) in respect of any Tax imposed on or calculated having regard to the net income of the Holder.

Notwithstanding any other provision of the Terms, if the Issuer, or any other person through whom payments on the Australian Unity Bonds are made, is required to withhold or deduct amounts under or in connection with, or in order to ensure compliance with FATCA, the Issuer shall be entitled to make such withholding or deduction and shall have no obligation to gross up any payment under the Terms or to pay any Additional Amount or other amount for such withholding or deduction.

10 General provisions and governing law

10.2 Meetings

The Meeting Provisions set out the provisions for convening meetings of the Holders to consider any matter affecting their interests including certain variations of the Terms which require the consent of the Holders.

10.3 Amendments

(a) At any time, but subject to compliance with the Corporations Act and all other applicable laws, the Issuer may, with the approval of the Trustee (such approval not to be unreasonably withheld or delayed), but without the consent of the Holders, amend the Terms in respect of any Series if the Issuer is of the opinion that such amendment:

- (i) is of a formal or technical or minor nature;

- (a) any payment to a Holder under an Australian Unity Bond will be subject to an amount of withholding or deduction in respect of any Taxes or other governmental charges for which the Issuer must pay an Additional Amount; or
- (b) payment of an amount of Interest will not be, or will cease to be, allowed as a deduction for Australian tax purposes.

Schedule 3 – Rules relating to Meetings of Holders

The following are the Meetings Provisions referred to in the Terms, and which will apply to meetings of Holders and are applicable to the convening of meetings of Holders and the passing of resolutions by them.

1 Interpretation

1.1 Incorporation of other defined terms

Terms which are defined in the Terms or the Trust Deed to which these Meeting Provisions are a schedule have the same meaning when used in these provisions unless the same term is also defined in these provisions, in which case the definition in these provisions prevails. Subject to this, the remaining “Interpretation” provisions of the Trust Deed apply to these provisions.

1.2 Definitions

These meanings apply unless the contrary intention appears:

Circulating Resolution means a written resolution of Holders made in accordance with paragraph 9 (“Circulating Resolutions”);

Form of Proxy means a notice in writing in the form available from the Issuer (or such other person specified in the Offer Specific Terms);

Proxy means a person so appointed under a Form of Proxy;

Notification Date means the date stated in the copies of a Circulating Resolution sent to Holders, which must be no later than the date on which that resolution is first notified to Holders; and

Special Quorum has the meaning set out in paragraph 5.1 (“Number for a quorum”).

1.3 Holders at a specified time

The time and date for determining the identity of a Holder who may be counted for the purposes of determining a quorum or attend and vote at a meeting, or sign a Circulating Resolution, is at the close of business in the place where the Register is maintained on the date which is 21 days before either the date of the meeting or, for a Circulating Resolution, the Notification Date (as applicable).

1.4 Australian Unity Bonds held by the Issuer and its Related Bodies Corporate

In determining whether the provisions relating to quorum, meeting and voting procedures or the signing of a Circulating Resolution are complied with, any Australian Unity Bonds held in the name of, on behalf of, or for the benefit of, the Issuer or any of its Related Bodies Corporate must be disregarded.

1.5 References to certain terms

Unless the contrary intention appears, a reference in these provisions to:

- (a) a “meeting” is to a meeting of Holders of a single Series of Australian Unity Bonds and references to “Australian Unity Bonds” and to “Holders” are to the Australian Unity Bonds of the Series in respect of which a meeting has been, or is to be, called and to the Holders of those Australian Unity Bonds, respectively;
- (b) a “Circulating Resolution of Holders” is to a Circulating Resolution of Holders of a single Series of Australian Unity Bonds and references to “Australian Unity Bonds” and to “Holders” are to the Australian Unity Bonds of the Series in respect of which a Circulating Resolution has been, or is to be, passed and to the Holders of those Australian Unity Bonds respectively; and
- (c) the “Registrar” is to Registrar for the Australian Unity Bonds of the Series in respect of which a meeting has been, or is to be, called.

1.6 Consistency with Part 2L.5 of the Corporations Act

In respect of any meeting that is called under Part 2L.5 of the Corporations Act, these Meeting Provisions shall be deemed to be modified to the extent necessary, and only to that extent, to conform these provisions to the provisions of Part 2L.5 that are applicable to that meeting.

2 Convening a meeting

2.1 Ability to convene meetings

Each of the Trustee or the Issuer may, at any time, call a meeting of Holders (or the Holders of one or more Series as the case may be).

2.2 Issuer’s duty to call meeting

In accordance with section 283EA(1) of the Corporations Act, the Issuer must call a meeting of Holders if:

- (a) Holders who together hold 10% or more of the aggregate Face Value of all Australian Unity Bonds outstanding direct the Issuer to do so;
- (b) the direction is given to the Issuer in writing at its registered office; and
- (c) the purpose of the meeting is to:
 - (i) consider the financial statements that were laid before the last annual general meeting of the Issuer; or
 - (ii) give the Trustee directions in relation to the exercise of any of the Trustee’s powers,

or both, as so requested by the relevant Holders.

2.3 Trustee’s duty to call meeting

If the Trustee is actually aware of the occurrence of an Event of Default, and provided that the Trustee has available to it from the Trust Fund sufficient money to cover the cost and expenses of doing so, the Trustee must call a meeting of

Holders as soon as is reasonably practicable after becoming aware of the Event of Default.

2.4 Meeting under Corporations Act

A meeting of Holders may be called under Part 2L.5 of the Corporations Act.

2.5 Venue

All meetings of Holders of Australian Unity Bonds must be held in Australia unless the Issuer and the Trustee agree otherwise.

A meeting may be held at two or more venues using any technology that gives the Holders as a whole a reasonable opportunity to participate at the same time.

3 Notice of meeting

3.1 Period of notice

Unless otherwise agreed in writing by each Holder, at least 21 days' notice of a meeting must be given to:

- (a) each Holder (or in the case of an Australian Unity Bond registered as being owned jointly, the person whose name appears first in the Register);
- (b) if the notice is not given by the Trustee, the Trustee;
- (c) if the notice is not given by the Issuer, the Issuer;
- (d) the Registrar; and
- (e) the auditors of the Issuer.

3.2 Contents of notice

The notice must:

- (a) specify the date, time and place of the meeting;
- (b) specify the general nature of the business to be transacted at the meeting, but it is not necessary to specify in the notice the precise terms of the resolutions to be proposed; and
- (c) explain how Holders may appoint Proxies and state that Proxies may be appointed until 48 hours before the meeting but not after that time.

3.3 Effect of failure to give notice

The accidental omission to give notice of a meeting to, or the non-receipt of notice by, any Holder entitled to receive notice does not invalidate any resolution passed or other proceedings at the meeting.

An omission to give notice of a meeting to, or the non-receipt of notice by, the Trustee or the Issuer within the period specified in this paragraph 3, invalidates a meeting unless the Trustee or the Issuer (as the case may be):

- (a) refuses to accept delivery of that notice; or

- (b) by notice to the other, waives its right to compliance with this paragraph 3.

3.4 Provision of Notices

Clause 18 ("Notices") applies to these provisions as if it was fully set out in these provisions.

3.5 Calculation of period of notice

If a notice must be given within a certain period of days, the day on which the notice is given, and the day on which the meeting is to be held, are not to be counted in calculating that period.

3.6 Registered Holders

Holders who are or become registered as Holders less than 21 days before a meeting will not receive notice of that meeting.

4 Chairman

4.1 Nomination of chairman

The person who calls a meeting must nominate in writing a person as the chairman of a meeting.

The chairman of a meeting may, but need not, be a Holder.

4.2 Absence of chairman

If a meeting is held and:

- (a) a chairman has not been nominated; or
- (b) the person nominated as chairman is not present within 15 minutes after the time appointed for the holding of the meeting, or is unable or unwilling to act,

the Holders or Proxies present may appoint a chairman, failing which, the Issuer may appoint a chairman.

4.3 Chairman of adjourned meeting

The chairman of an adjourned meeting need not be the same person as was the chairman of the meeting from which the adjournment took place.

5 Quorum

5.1 Number for a quorum

At any meeting, any one or more Holders present in person or by Proxy form a quorum for the purposes of passing the resolutions shown in the table below only if they alone or together hold (or in the case of Proxies, represent Holders who hold) Australian Unity Bonds representing in aggregate at least the proportion of the outstanding principal amount of the Australian Unity Bonds of the relevant Series shown in the table below.

Type of resolution	Required proportion for any meeting except for meeting previously adjourned because of lack of quorum	Required proportion for meeting previously adjourned because of lack of quorum
Special Resolution requiring a Special Quorum	Greater than 50%	25%
Special Resolution	25%	10%
Holder Resolution	10%	No requirement

In determining how many Holders are present, each individual attending as a Proxy is to be counted, except that:

- (a) where a Holder has appointed more than one Proxy, only one of those Proxies is to be counted;
- (b) where an individual is attending both as a Holder and as a Proxy on behalf of another Holder, that individual is to be counted once in respect of each such capacity; and
- (c) where an individual is attending as a Holder and has also appointed a Proxy in respect of the Australian Unity Bonds it holds, those individuals are to be counted only once.

5.2 Requirement for a quorum

An item of business (other than the choosing of a chairman) may not be transacted at a meeting unless a quorum is present when the meeting proceeds to consider it. If a quorum is present at the time the first item of business is transacted, it is taken to be present when the meeting proceeds to consider each subsequent item of business unless the chairman of the meeting (on the chairman's own motion or at the request of a Holder or Proxy who is present (if such request is accepted by the chairman in its absolute discretion)) declares otherwise.

5.3 If quorum not present

If within 30 minutes after the time appointed for a meeting a quorum is not present, the meeting:

- (a) if convened on the requisition of Holders, is dissolved; and
- (b) in any other case, is adjourned until a date, time and place the chairman appoints. The date of the adjourned meeting must be no earlier than 14 days in respect of any meeting from which the adjournment took place and no later than 42 days after the date of the meeting from which the adjournment took place.

5.4 If quorum not present at adjourned meeting

If a quorum is not present within 30 minutes after the time appointed for any adjourned meeting, the chairman may dissolve the meeting.

If the meeting is not dissolved in accordance with this provision, the chairman may, with the consent of the meeting, and must, if directed by the meeting,

adjourn the meeting to a new date (being not less than 14 days after the adjourned meeting), time or place. Only business which might validly (but for the lack of required quorum) have been transacted at the original meeting may be transacted at the adjourned meeting.

6 Adjournment of a meeting

6.1 When a meeting may be adjourned

The chairman of a meeting may, with the consent of, and must, if directed by, any meeting adjourn the meeting or any business, motion, question, resolution, debate or discussion being considered or remaining to be considered by the meeting either to a later time at the same meeting or to an adjourned meeting at any time and any place.

6.2 Business at adjourned meeting

Only unfinished business is to be transacted at a meeting resumed after an adjournment.

6.3 Notice of adjourned meeting

It is not necessary to give notice of an adjournment unless the meeting is adjourned because of a lack of a quorum. In that case, unless otherwise agreed in writing by each Holder, the person calling the meeting must give five days' notice of the adjourned meeting to each person entitled to receive notice of a meeting under these provisions. The notice must state the quorum required at the adjourned meeting but need not contain any further information.

7 Voting

7.1 Voting on a show of hands

Every resolution put to a vote at a meeting must be decided on a show of hands unless a poll is properly demanded in accordance with paragraph 7.2 ("When is a poll properly demanded").

A declaration by the chairman that a resolution has been carried, or carried by a particular majority, or lost or not carried by any particular majority, is conclusive evidence of the fact. Neither the chairman nor the minutes need to state, and it is not necessary to prove, the number or proportion of the votes recorded in favour of or against the resolution.

7.2 When is a poll properly demanded

A poll may be properly demanded by:

- (a) the chairman;
- (b) the Issuer;
- (c) the Trustee; or
- (d) one or more persons who alone or together hold (or represent Holders who hold) Australian Unity Bonds representing in aggregate at least 2% of the principal amount of the outstanding Australian Unity Bonds in respect of which the meeting has been called.

The poll may be properly demanded before a vote is taken or before or immediately after the voting results on a show of hands are declared.

7.3 Poll

If a poll is properly demanded, it must be taken in the manner and at the date and time directed by the chairman, provided that a poll demanded must be taken immediately or at such time (being not later than 30 days from the date of the meeting). The result of the poll is a resolution of the meeting at which the poll was demanded.

A poll demanded on the election of a chairman or on a question of adjournment must be taken immediately.

A demand for a poll may be withdrawn.

The demand for a poll does not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll was demanded.

7.4 Equality of votes - chairman's casting vote

If there is an equality of votes either on a show of hands or on a poll, the chairman of the meeting has a casting vote in addition to any votes to which the chairman is otherwise entitled as a Holder or Proxy.

7.5 Entitlement to vote

A Holder (or, in the case of an Australian Unity Bond registered as being owned jointly, the person whose name appears first in the Register) may be present and vote in person at any meeting in respect of the Australian Unity Bond or be represented by Proxy.

Except where these provisions otherwise provide, at any meeting:

- (a) on a show of hands, each Holder present in person and each person present as a Proxy on behalf of a Holder who is not present at the meeting has one vote (and, if a Holder is present as a Proxy on behalf of another Holder, that Holder has one vote in respect of each such appointment and any person present as a Proxy on behalf of more than one Holder, that Proxy has one vote in respect of each such capacity); and
- (b) on a poll, each Holder or Proxy present has one vote in respect of each principal amount equal to the denomination of the Australian Unity Bonds of the Series in respect of which the meeting is being held of Australian Unity Bonds which are registered in that person's name or in respect of which that person is a Proxy.

Without affecting the obligations of the Proxies named in any Form of Proxy, any person entitled to more than one vote need not use all votes (or cast all the votes) to which it is entitled in the same way.

7.6 Entitlement to attend

The only persons entitled to attend and speak at any meeting are the Issuer, the Trustee, the Registrar, the Holders (and/or their Proxies) and their respective financial and legal advisers and the chairman.

7.7 Objections to right to vote

A challenge to a right to vote at a meeting of Holders:

- (a) may only be made at the meeting; and
- (b) must be determined by the chairman, whose decision is final.

8 Proxies

8.1 Appointment of proxy

A Holder entitled to attend and vote at a meeting may appoint a Proxy to attend and act on that Holder's behalf in connection with any meeting by a Form of Proxy signed by the Holder. If the Holder is a corporation, the Form of Proxy must be executed in accordance with the Corporations Act.

8.2 Validity of Forms of Proxy

Forms of Proxy are valid for so long as the Australian Unity Bonds to which they relate are registered in the name of the appointor but not otherwise.

8.3 Who may be a Proxy?

A Proxy:

- (a) need not be a Holder; and
- (b) may be an attorney, officer, employee, contractor, agent, representative of, or otherwise connected with, the Issuer or the Trustee (as the case may be).

8.4 Form of Proxy must be lodged with Issuer or the Trustee

A Form of Proxy will not be treated as valid unless it is (together with any power of attorney or other authority under which it is signed, or a copy of that power or authority certified in the manner as the Issuer (or the Trustee if the Trustee is being appointed as proxy) may require) received by the Issuer or the Trustee (as the case may be) (or a person appointed to act on behalf of the Issuer or the Trustee (as the case may be) as specified in the notice of meeting) at the office specified in the notice of meeting no later than 48 hours before the meeting at which the Form of Proxy is to be used.

8.5 Revocation and amendment

Any vote given in accordance with the terms of a Form of Proxy is valid even if, before the Proxy votes, the relevant Holder:

- (a) revokes or amends the Form of Proxy or any instructions in relation to it; or
- (b) transfers the Australian Unity Bonds in respect of which the proxy was given,

unless notice of that revocation, amendment or transfer is received from the Holder who signed that Form of Proxy by the Issuer (or a person appointed to act on behalf of the Issuer specified in the notice of meeting) at the office specified in the notice of meeting no later than 48 hours before the meeting at which the Form of Proxy is used.

9 Circulating Resolutions

The Holders may without a meeting being held:

- (a) pass a Holder Resolution, if within one month after the Notification Date, Holders representing more than 50% of the principal amount of outstanding Australian Unity Bonds as at the Notification Date sign a document stating that they are in favour of the resolution set out in that document; or
- (b) pass a Special Resolution, if within one month after the Notification Date, Holders representing at least 75% of the principal amount of outstanding Australian Unity Bonds as at the Notification Date sign a document containing a statement that they are in favour of the resolution set out in that document.

Separate copies of a document may be used for signing by Holders if the wording of the resolution and statement is identical in each copy.

The resolution is passed when the last Holder signs it.

The accidental omission to give a copy of a Circulating Resolution to, or the non-receipt of a copy by, any Holder does not invalidate the Circulating Resolution.

10 Matters requiring a Special Resolution

The following matters require a Special Resolution of Holders:

- (a) an amendment of a provision of the Trust Deed, the Terms or a right created under any of them, except for:
 - (i) an amendment which may be made without the consent of Holders under clause 15.2(a)(i) of the Trust Deed; and
 - (ii) an amendment which may be made on the authority of a Holder Resolution under clause 10.3(b) of the Terms or clause 15.2(a)(ii) of the Trust Deed;
- (b) the exchange or substitution of the Australian Unity Bonds for, or the conversion of the Australian Unity Bonds into, shares, bonds or other obligations or securities of the Issuer or any other body corporate which is not expressly permitted under the Terms;
- (c) the authorisation of any person to do anything necessary to give effect to a Special Resolution;
- (d) the exercise of any right, power or discretion under the Trust Deed or the Terms that expressly requires a Special Resolution; and
- (e) the appointment of any committee (which need not consist of Holders) to represent the interests of the Holders and the conferring on the committee of any rights, powers or discretions which the Holders may exercise by a Special Resolution.

11 Special Resolutions requiring a Special Quorum to consider a Special Resolution

The following matters require a Special Quorum to be present at the meeting to consider a Special Resolution:

- (a) a change to the dates of maturity or redemption of any Australian Unity Bonds or any date on which a payment of principal or interest is due on any Australian Unity Bonds;
- (b) a reduction or cancellation of an amount payable, or a change to the method of calculating an amount payable or a date of payment in respect of the Australian Unity Bonds (other than where the reduction, cancellation or change is expressly provided for in the Terms or where the modification increases the amount payable);
- (c) a change to the Face Value in respect of the Australian Unity Bonds;
- (d) a change to the majority required to pass a Special Resolution; and
- (e) a change to the quorum (whether a Special Quorum or otherwise) required to pass a Special Resolution at any meeting.

12 Matters requiring a Holder Resolution

The Holders have the power exercisable by Holder Resolution to do or approve anything for which a Special Resolution is not required.

13 Effect and notice of resolution

13.1 Resolutions are binding

A resolution passed at a meeting duly convened and held (or by a Circulating Resolution duly sent and signed) in accordance with these provisions is binding on all Holders, whether or not they were present, or voted, at the meeting (or signed the Circulating Resolution).

13.2 Notice of resolutions

The Issuer must give notice to the Holders, the Trustee and the Registrar of the result of the voting on a resolution within 14 days of the result being known. However, a failure to do so does not invalidate the resolution.

14 Minutes

14.1 Minute books

The Issuer must keep minute books in which it records:

- (a) proceedings and resolutions of meetings; and
- (b) Circulating Resolutions.

14.2 Minutes and Circulating Resolutions must be signed

The Issuer must ensure that:

- (a) minutes of a meeting are signed by the chairman of the meeting or by the chairman of the next meeting; and
- (b) Circulating Resolutions are signed by a director or secretary of the Issuer.

14.3 Minutes and Circulating Resolutions conclusive

A minute or Circulating Resolution that is recorded and signed in accordance with these provisions is, unless the contrary is proved, conclusive evidence:

- (a) of the matters contained in it;
- (b) that the meeting has been duly convened and held (or copies of the proposed Circulating Resolution have been duly sent and signed); and
- (c) that all resolutions have been duly passed.

15 Further procedures

The Issuer and the Trustee may prescribe further regulations for the holding of, attendance and voting at meetings as are necessary or desirable and are not materially prejudicial to the interests of the Holders as a whole.

16 Australian Unity Bonds of more than one Series

16.1 Application

This paragraph applies whenever there are outstanding Australian Unity Bonds which do not form a single Series.

16.2 Resolutions affecting one Series

A resolution which affects one Series of Australian Unity Bonds only is taken to have been duly passed if passed at a meeting, or by a Circulating Resolution, of the Holders of that Series.

16.3 Resolutions affecting more than one Series

A resolution which affects more than one Series of Australian Unity Bonds but does not give rise to a conflict of interest between the Holders of any of the Series so affected is taken to have been duly passed if passed at a single meeting, or by a Circulating Resolution, of the Holders of all Series so affected (and, for the purposes of determining the requisite quorum and required proportions of holdings for determining if a resolution has been passed at such a meeting, all Series shall be aggregated as if they formed a single Series).

A resolution which affects more than one Series and gives or may give rise to a conflict of interest between the Holders of any of the Series so affected is taken to have been duly passed if passed at separate meetings, or by separate Circulating Resolutions, of the Holders of each Series so affected.

16.4 Legal opinions

The Issuer and the Trustee may rely on, and the Holders are bound by, a legal opinion from independent legal advisers of recognised standing in Australia to the effect that a resolution:

- (a) affects one Series only; or
- (b) if it affects more than one Series of Australian Unity Bonds, does not give rise to a conflict of interest, for the purposes of determining the meeting or meetings which need to be held for the purposes of this paragraph.
