1. Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?	
Answer: In early July, the Company successfully completed the second tranche of the private placement raising a net of \$6 M. The additional funding brought the availability of funds to over 2 quarters.	
2. Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?	
Answer: The second tranche of the private placement raising a net of \$6.0M was completed in early July 2020.	
3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?	
Answer: Yes. Funding is available to complete the current exploration program. The amount at 8.1 above represents expenditure in the quarter ended 30 September 2020, when the bulk of the 2020 Elan program is expected to be incurred.
