### VOTING IN PERSON

### VOTING BY PROXY

---

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes is set out below.

### ***Proxy vote if appointment specifies way to vote***

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

### ***Transfer of non-chair proxy to chair in certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting;
  - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

### ***Voting Prohibition***

In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote on the basis of that appointment on Resolution 1 if the person is either:

- a member of the Key Management Personnel of the Company; or
- a Closely Related Party of such a member, and

the appointment does not specify the way the proxy is to vote on Resolution 1.

However, the prohibition does not apply if the proxy is the Chair and the appointment expressly authorises the Chair to exercise the proxy even if Resolution 1 is connected directly or indirectly with remuneration of a member of the Key Management Personnel of the Company.

## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2021 together with the declaration of the directors, the Directors' Report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://www.eclipsemetals.com.au/> or by contacting the Company on +61 (8) 9480 0420.

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ended 30 June 2021.

The Chair of the meeting will allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the Meeting.

#### 2.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (other than the managing director) who were in office at the date of approval of the applicable directors' report (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

## **2.3 Previous voting results**

At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

## **2.4 Chair voting undirected proxies**

The Chair intends to exercise all undirected proxies in favour of Resolution 1. If the Chair of the Meeting is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention.

---

## **3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR RONDEY DALE**

Clause 7.3 (a) of the Constitution provides that:

- (a) No Director may hold office without re-election past the third AGM following the director's appointment or 3 years, whichever is longer.

Clause 7.3(d)(i) of the Constitution provides that:

- (d) If no Director is required to stand for re-election at the Company's AGM by reason of Rules 7.3(a) or 7.3(c) and no person nominates as a director pursuant to Rule 7.2(f) a Director must retire at that AGM which shall be:
  - i. the Director who has held their office as Director the longest period of time since their last election to that office;

In addition, Listing Rule 14.4 prevents a director from holding office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever longer.

Accordingly, Mr Dale who was appointed on 7 October 2013 as a Non-Executive Director and re-elected on 30 November 2015 and 23 November 2018, retires by rotation and seeks re-election.

Mr Dale's qualifications, experience and suitability as a director are set out in the Company's 2021 Annual Report.

The Board (other than Mr Dale) unanimously supports the re-election of Mr Dale

---

## **4. RESOLUTION 3 - APPROVAL OF 10% PLACEMENT CAPACITY**

### **4.1 General**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.1A provides that an Eligible Entity may seek shareholder approval by way of a special resolution passes at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

An 'eligible entity' means an entity that is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. Eclipse Metals Ltd is an eligible entity for these purposes.

Resolution 3 seeks shareholder approval to enable Eclipse Metals Ltd to issue Equity Securities under the 10% Placement Capacity provided for in Listing Rule 7.1A during the period up to a maximum of 12 months after the Meeting, without shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

The effect of passing Resolution 3 will be to allow the Company to issue Equity Securities up to a combined limit of 25% pursuant to Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Shareholders approve Resolution 3, the exact number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out below).

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders entitled to vote on the Resolution must be in favour of Resolution 3 for it to be passed.

If Resolution 3 is not passed, the Company will not be able to access the 10% Placement Capacity to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval under Listing Rule 7.1.

## **4.2 ASX Listing Rule 7.1A Requirements**

### Minimum issue price

Pursuant to ASX Listing Rule 7.1A.3 the issue price for each security issued under the 10% Placement Capacity will not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

Equity Securities that may be issued under Listing Rule 7.1A will only be in an existing quoted class of securities. As at the date of this Notice, the Company has one class of quoted Equity Securities, Shares.

### Dilution

The issue of Equity Securities under the 10% Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:

- the market price for Equity Securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

Table 1 below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2 on the basis of the current market price of Shares and the current number of Shares quoted on ASX for variable "A"

calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% against the current market price.

**Table 1**

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.022 50% decrease in Issue Price	\$0.043 Current Issue Price	\$0.065 50% increase in Issue Price
1,913,956,865 (Current)	10% voting dilution	191,395,686 Shares	191,395,686 Shares	191,395,686 Shares
	Funds raised	\$4,115,007	\$8,230,014	\$12,345,022
2,870,935,297 (50% increase)	10% voting dilution	287,093,529 Shares	287,093,529 Shares	287,093,529 Shares
	Funds raised	\$6,172,511	\$12,345,022	\$18,517,533
3,827,913,730 (100% increase)	10% voting dilution	382,791,373 Shares	382,791,373 Shares	382,791,373 Shares
	Funds raised	\$8,230,015	\$16,460,029	\$24,690,044

The above table is based on the following assumptions:

- The number of shares on issue (Variable "A") is calculated as 1,913,956,865 being all the fully paid ordinary shares on issue as at the date of this Notice.
- The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of Equity Securities under the 10% Placement Capacity and not under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Capacity includes only Shares.
- The issue price of \$0.043 was the closing price of shares on ASX on 8 October 2021.

### Issue Period

Equity Securities under the 10% Placement Capacity may be issued until the earlier of:

- the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- the time and date of the entity's next annual general meeting; or
- the time and date of the approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or 11.2.

The Company may only issue Equity Securities under the 10% Placement Capacity for cash consideration to raise funds for the development of the Company's existing assets, the acquisition of new assets or investments (including assets associated with such acquisition), to repay debt or to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities under the 10% Placement Capacity.

### Purpose of issues

The Company may seek to issue the Equity Securities to raise funds in connection with an acquisition of new assets or investments (including expense associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and / or general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the 10% Placement Capacity in compliance with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A.

### Allocation Policy

The Company's allocation policy for issues under the 10% Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from the Company's advisors.

As the Company has no current plans to undertake a new capital raising using its additional 10% Placement Capacity, the allottees under the 10% Placement Capacity have not yet been determined but if such an exercise was undertaken, allottees may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

### Previous issues of Equity Securities under Listing Rule 7.1A

The Company previously sought and obtained shareholder approval under Listing Rule 7.1A at the Annual General Meeting held 30 November 2020.

In accordance with Listing Rule 7.3A.6, in the 12 months preceding the date of this Notice, the Company has issued 133,333,334 Shares pursuant to Listing Rule 7.1A.2

which represents 9.4% of the total number of Equity Securities on issue at the commencement of that 12-month period.

Details of the Equity securities issued in the 12-month period are outlined in Schedule 1 to this Notice of Meeting.

#### Voting exclusion statement

No voting exclusion statement applies to Resolution 3.

As at the date of this Notice, the Company has not approached any particular existing Shareholders to participate in the issue of Equity Securities under the 10% Placement Capacity. No existing Shareholders' votes will therefore be excluded under the voting exclusion in the Notice.

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- a list of the allottees of the Equity Securities and the number of Equity Securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- the information required by Listing Rule 3.10.5A for release to the market.

#### **4.3 Board Recommendation**

The Board believes that the 10% Placement Capacity is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months. Accordingly, the Board unanimously recommend that Shareholders approve Resolution 3.

---

#### **5. ENQUIRIES**

Shareholders are invited to contact the Company Secretary, Mr Matthew Foy, on +61 (8) 9480 0420, if they have any queries in respect of the matters set out in these documents.
