QUESTIONS FROM SHAREHOLDERS – WESTPAC 2020 ANNUAL GENERAL MEETING (AGM)

The AGM is an opportunity for shareholders to engage with your company and we encourage shareholders to participate. If you would like to ask a question in advance, you can do so online or by printing out, completing and returning this form. The Chairman will consider these questions when preparing his AGM address. Due to the number of questions typically received, we are not able to provide individual answers. You may also submit written questions to the Auditor if they are relevant to the content of the Auditor's Report or the conduct of the audit of the Financial Reports. To do so please check the appropriate box below.

Details of the AGM are available in the Notice of Meeting, which is available at westpac.com.au/AGM.

The easiest way to submit a question is online at vote.linkmarketservices.com/WBC. You can also return this form via one of the methods mentioned at the top of this page. All questions must be received by 5:00pm (Sydney time) on Thursday, 3 December 2020.

The meeting will be virtual and you can participate online at <https://agmlive.link/WBC20> or by telephone, the details of which are

in the Notice of Meeting. For additional information on our AGM refer to details in the Online Platform Guide and the Notice of Meeting. You can view and download these on Westpac's website at westpac.com.au/AGM.

The AGM will also be webcast live via our website. A replay of the webcast will also be subsequently available.

The AGM is a forum to discuss the performance and management of Westpac. If you have a question about your individual circumstances or banking, please speak with your local branch or contact telephone banking (132 032 for Westpac customers or 13 33 30 for St. George customers) for assistance.

In the event we need to contact you regarding your question, you may include your email address in the space provided below.

By providing your email address below, this will not change your Westpac shareholder communication preferences.
