Dear Barbara

True North Copper Limited (“TNC” or the “Company”)

I refer to your letter received by email on 25 February 2025 regarding Appendix 3Y – Change of Director’s Interest Notice Query. In response to your query, we advise as follows:

1. Please explain why the Appendix 3Y was lodged late

Mr Cronin purchased shares on market in TNC over four business days from 6 February to 11 February 2025. An Appendix 3Y was lodged promptly on 11 February 2025 for the purchases from 6 February to 10 February 2025 totalling 927,778 shares. The purchase on 11 February 2025 of 41,219 shares was inadvertently overlooked by Mr Cronin and not notified to the Company until 20 February 2025 whereupon the Company immediately announced the additional Appendix 3Y.

2. What arrangements does TNC have in place under Listing Rule 3.19B with its directors to ensure that it is able to meet its disclosure obligations under Listing Rule 3.19A

All directors are fully aware of the notification requirements regarding changes of interests and the Company’s Director’s Disclosure Obligations Policy requires directors to disclose to the Company Secretary any change of interest as soon as reasonably possible after the date of contract to buy or sell securities and in any event no later than 3 business days after the contract date.

2.1 If the current arrangements are inadequate or not being enforced, what additional steps does TNC intend to take to ensure compliance with Listing Rule 3.19B?

The current arrangements are considered adequate.

This response has been authorised and approved by TNC’s Board of directors.

Yours sincerely

Paul Frederiks
CFO & Company Secretary

Dear Mr Frederiks

True North Copper Limited ('TNC'): Appendix 3Y – Change of Director's Interest Notice Query

ASX refers to the following:

1. TNC's Appendix 3Y lodged on the ASX Market Announcements Platform ('MAP') on 20 February 2025 for Mr Paul Cronin (the 'Notice');
2. Listing Rule 3.19A which requires an entity to tell ASX the following:

3.19A.1 *'The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the following times.*

- *On the date that the entity is admitted to the official list.*
- *On the date that a director is appointed.*

The entity must complete Appendix 3X and give it to ASX no more than 5 business days after the entity's admission or a director's appointment.

3.19A.2 *A change to a notifiable interest of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) including whether the change occurred during a closed period where prior written clearance was required and, if so, whether prior written clearance was provided. The entity must complete Appendix 3Y and give it to ASX no more than 5 business days after the change occurs.*

3.19A.3 *The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the date that the director ceases to be a director. The entity must complete Appendix 3Z and give it to ASX no more than 5 business days after the director ceases to be a director.'*

3. Listing rule 3.19B which states that:

'An entity must make such arrangements as are necessary with a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) to ensure that the director discloses to the entity all the information required by the entity to give ASX completed Appendices 3X, 3Y and 3Z within the time period allowed by listing rule 3.19.A. The entity must enforce the arrangements with the director.'

The Notice indicates that a change in Mr Cronin's notifiable interest occurred on 11 February 2025. It appears that the Notice should have been lodged with ASX by 18 February 2025. Consequently, TNC may have breached Listing Rules 3.19A and/or 3.19B.

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.

Yours sincerely
