Update on Annual Report -Year Ended 30 June 2024

Netlinkz Limited (ASX: NET) (Netlinkz or Company) advises that the audit of the Annual Report for the year ended 30 June 2024 is still in progress.

A key element in enabling the auditors to provide an opinion is the restructuring of the Company's current debt, which is anticipated to be completed this week.

The term of the major portion of the current debt has been extended to early 2026. This will provide the business with sufficient runway as it rolls out VSN in Southeast Asia starting with its joint venture with PT&T in the Philippines.

This notice has been approved for release by the Board of Netlinkz Limited.
