Appointment of Dr Quinton Hills as Technical Director

MetalsTech Limited (ASX: MTC) (the Company or MTC) is pleased to announce the appointment of Dr Quinton Hills to the Board of MetalsTech as Technical Director.

Highlights

- Dr Quinton Hills appointed as Technical Director to the Board of MetalsTech to oversee the continued exploration and development of the cobalt projects located in Ontario and the lithium projects located in Quebec
- Dr Hills is a qualified geologist and minerals industry executive with 15 years' experience in project generation, exploration and project development across a broad range of base, precious and tech metals in Australia, Botswana, Sweden and Finland
- Significant technical and project management expertise having previously been the Exploration Manager and Interim CEO of Avalon Minerals Limited, the Exploration Manager of Meridian Minerals Limited and the Senior Geologist of Discovery Metals Limited
- He has a PhD in Structural Geology with extensive experience in multiply deformed and highly metamorphosed terranes and is an expert in exploration concept/target generation
- Dr Hills was responsible for the discovery of ~100M tonnes of copper mineral resources at Boseto in north-western Botswana, during his tenure as Senior Geologist for Discovery Metals Limited

Non-Executive Chairman, Russell Moran, commented:

"The appointment of Dr Quinton Hills to the Board is a significant achievement for MetalsTech as we seek to enhance our technical focus and abilities. Dr Hills has the right mix of skills, experience and background to enable MetalsTech to continue its focused exploration activities on its portfolio of cobalt and lithium projects to drive shareholder returns. We look forward to updating shareholders on recent exploration activities at the Company's Cancet lithium project and Bay Lake North cobalt project as well as the upcoming drill program at the Company's Rusty Lake Silver-Cobalt Mine."
