Aurum appoints Mr. Steve Zaninovich Non-Executive Director

Aurum Resources Limited (ASX: AUE) (Company) is pleased to announce the appointment of Steve Zaninovich as a Non-Executive Director, effective 1 December 2024.

Steve is a highly qualified engineer with more than 25 years' experience in mining project development, business development, maintenance and operational readiness in the mining sector, predominantly in gold, base metals and lithium industries. He is currently Director of Operations for Kodal Minerals plc, responsible for the delivery of the Bougouni Lithium Project. Prior to that, Steve was Project Director of Tawana Resources, responsible for the delivery of the Bald Hill Lithium Project, and Project Director for Lycopodium Minerals at the Akyem Gold Project in Ghana.

Steve served as Chief Operating Officer with Gryphon Minerals ("Gryphon") before assuming the role of Vice President of Major Projects, and becoming part of the Executive Management Team, at Teranga Gold Corporation ("Teranga") following its acquisition of Gryphon.

Steve has gained specific expertise in the development of multiple mining operations across various commodities and jurisdictions in West Africa, including Ghana, Burkina Faso, Côte d'Ivoire, Senegal and Mali. He has also undertaken consultant project management roles for companies including BHP Billiton, Newmont Mining, Atlantic Lithium, and Gold Fields Ghana.

Steve's responsibilities during previous senior executive roles have included operational management of mining companies, business development and strategic planning, feasibility studies and project development, site exploration operations, etc.

Steve is currently a Non-Executive Director of Mako Gold Ltd (ASX:MKG), Bellavista Resources (ASX:BVR) and Sarama Resources (TSXV:SWA) and previously held Non-Executive Director roles with Maximus Resources (ASX:MXR), Canyon Resources (ASX:CAY), Centaurus Metals (ASX:CTM), Indiana Resources (ASX:IDA) and Gryphon Minerals (ASX:GRY).

The Board considers Mr. Zaninovich's appointment to bring significant industry experience applicable to resource development, strategic planning, feasibility studies, and project development that are relevant for Aurum's flagship Boundiali Gold Project in Côte d'Ivoire. In addition, he brings substantial regional experience and a sound knowledge of the Mako Gold projects.

This announcement has been authorised by the Board of Aurum Resources Limited.
