Centrex is pleased to announce that Agriflex has received a non-binding and conditional Letter of Indication ("Letter") from Export Finance Australia regarding a loan facility ("Facility"). The purpose of the Facility, which may be up to US\$3.45m, is to strengthen and enhance Agriflex's export capabilities in line with its increasing activities at Ardmore.

Approval for the Facility remains contingent upon meeting several customary conditions, such as the completion of due diligence, the execution of binding legal documentation and Export Finance Australia Board approval, as is customary for a Facility of this nature. Centrex's 100% owned subsidiary Agriflex has a proven track record with Export Finance Australia, having successfully established and repaid an identical facility in the past, underscoring its strong relationship with the agency.¹
