Comments

The loss for the Group after providing for income tax amounted to \$15,092,000 (31 March 2020: \$16,232,000) an improvement of 7.0% on the prior year.

On 18 August 2020 the shareholders of the Company and Plenti Pty Limited and its controlled entities undertook a corporate reorganisation process prior to an initial public offering (**IPO**) on the ASX. Through this reorganisation, the Company acquired Plenti Pty Limited, the existing head operating entity, and its controlled entities (**Pre-IPO Plenti Group**).

This corporate reorganisation does not represent a business combination in accordance with AASB 3 'Business Combinations', and the appropriate accounting treatment for recognising the new group structure is on the basis that the transaction is a form of capital reconstruction and group reorganisation. Accordingly, the financial statements have been presented as a continuation of the Pre-IPO Plenti Group. As such, financial statements of the Group include the historical financial information of the Pre-IPO Plenti Group for the period before the acquisition. These financial statements include the financial results for the Pre-IPO Plenti Group for the period 1 April 2020 to the date of acquisition and the Group from acquisition to 31 March 2021.

The comparative information presented in the financial statements represents the financial performance of the Pre-IPO Plenti Group for the year ended 31 March 2020 and the financial position of the Pre-IPO Plenti Group as at 31 March 2020.

3. Net tangible assets

	Reporting period Cents	Previous period Cents
Net tangible assets per ordinary security	27.14	(5.21)

The increase in the net tangible assets per ordinary security in the current reporting period was driven by the \$55 million proceeds raised on IPO and conversion of outstanding convertible notes from debt to equity, which contributed a further \$11 million to net assets.
