Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

The Board is committed to maximising performance, generating appropriate levels of Shareholder value and financial return, and sustaining the growth and success of the Company.

In conducting the Company's business with these objectives, the Board seeks to ensure that the Company is properly managed to protect and enhance Shareholder interests, and that the Company, its Directors, officers and personnel, operate in an appropriate environment of corporate governance. Accordingly, the Board has created a framework for managing the Company, including adopting relevant internal controls, risk management processes and corporate governance policies and practices which it believes are appropriate for the Company's business and which are designed to promote the responsible management and conduct of the Company.

The Company is listed on the Australian Securities Exchange (ASX). The ASX Corporate Governance Council has developed and released the ASX Recommendations for ASX-listed entities in order to promote investor confidence and to assist companies in meeting stakeholder expectations. The recommendations are not prescriptive, but guidance. However, under the ASX Listing Rules, the Company will be required to provide an annual Appendix 4G - Key to Disclosures Corporate Governance Council Principles and Recommendations document with the lodgement of the Company's Annual Report disclosing the extent to which it has followed the recommendations in the reporting period.

Except as set out below, the Board does not anticipate that it will depart from the ASX Recommendations; however, it may do so in the future if it considers that such a departure would be reasonable.

- **Diversity Policy:**

ASX Recommendation 1.5 requires that the Company have a diversity policy which includes requirements for the Board, or a relevant committee of the Board, to set measurable objectives for achieving gender diversity, and to assess annually both the objectives and the Company's progress in achieving them. The current workforce of the Company is made up of individuals with diverse skills, backgrounds, perspectives and experience and this diversity is recognised, valued and respected.

While the Company is committed to gender diversity in its workplace, the Board believes that the Company is not yet at a size where it is appropriate to implement a Diversity Policy or to implement measurable objectives for achieving gender diversity.

- **Chair**

ASX Recommendation 2.5 requires that the Chair of the Board should be an independent director. The Company's Chairman, Mr. Tony Lally is considered an independent director as defined in the ASX Recommendations.

- **Independence**

ASX Recommendation 2.1 requires that the majority of the Board consists of independent directors. The Company's Board consists of four members, three of which are considered as independent director as defined in the ASX Recommendations.

Principle 2: Structure the Board to Add Value

Independence of Directors

In determining whether a Director is “independent”, the Board has adopted the definition of this word in accordance with the ASX Recommendations. Consequently, a Director will be considered “independent” if that Director is free of any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of their judgement.

The Board will consider the materiality of any given relationship of a Director on a case-by-case basis, with the Board Charter to assist in this regard. The Board will regularly review the independence of each Director, considering any interests disclosed to the Board, and will disclose any change to the ASX, as required by the ASX Listing Rules.

The Board considers that Mr. Tony Lally, Mr. John O’Shaughnessy and Mr. John Gaffney are free from any business or any other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of their judgement and accordingly Mr. Tony Lally, Mr. John O’Shaughnessy and Mr. John Gaffney are considered, and has been deemed to be, an independent Director.

Board Committees

The Board may from time-to-time establish appropriate committees to assist in the discharge of its responsibilities. The Board has established an Audit and Risk Management Committee and a Remuneration and Nomination Committee.

Other committees may be established by the Board as and when they are deemed necessary or as they are required. Membership of Board committees will be based on the needs of the Company, relevant legislative and other requirements, and the skills and experience of individual Directors relative to the skills and expertise required to appropriately serve as a member of the Committee.

Under the Company’s Board Charter, Board committee performance evaluations will occur at least annually.

Principle 3: Promote Ethical and Responsible Decision Making

Code of conduct

The Board recognises the need to observe the highest standards of corporate practice and business conduct. Accordingly, the Board has adopted a Code of Conduct which is designed to be followed by all employees, contractors and officers.

The key aspects to the code are to:

As the Company is a publicly listed company on the ASX, a Securities Trading Policy has been adopted which will apply to the Company and its Directors, officers, employees and senior management, including those persons having authority and responsibility for planning, directing and controlling the activities of the Company, whether directly or indirectly.

The Policy is intended to explain the types of conduct in relation to dealings in the Securities of the Company

that is prohibited under the Corporations Act and establish procedures in relation to Directors, senior management or employees dealing in the Securities.

Subject to certain exceptions, including exceptional financial circumstances, the Securities Trading Policy defines certain “prohibited periods” during which trading in Securities of the Company by the Directors, officers and certain employees is prohibited.

A member of the Audit and Risk Management Committee, who does not chair the Board, shall be appointed the chair of the Committee.

Currently, the Committee comprises of Mr. John O’Shaughnessy (Chair), Mr. Tony Lally, and Mr. John Gaffney, who are all independent non-executive directors. External Auditor

The Company’s external auditor attends each annual general meeting and is available to answer any questions with regard to the conduct of the audit and their report.

Prior approval of the Board must be gained for non-audit work to be performed by the external auditor. There are qualitative limits on this non-audit work to ensure that the independence of the auditor is

maintained.

Principles 5: Make Timely and Balanced Disclosures

Continuous disclosure policy

The Company will be required to comply with the continuous disclosure requirements of the ASX Listing Rules and the Corporations Act.

Subject to the exceptions contained in the ASX Listing Rules, the Company will be required to immediately disclose to the ASX any information concerning the Company which is not generally available, and which, if it was made available, a reasonable person would expect to have a material effect on the price or value of the Company's Securities, once the Company is aware of such information.

The Company is committed to observing its continuous disclosure obligations under the ASX Listing Rules and the Corporations Act.

The Company has adopted a Continuous Disclosure Policy which establishes procedures to ensure that Directors and senior management are aware of, and fulfil, their obligations in relation to continuous disclosure, including the timely, full and accurate disclosure of material price-sensitive information when required.

The Continuous Disclosure Policy also sets out procedures for communicating with Shareholders, the media and the market. Under the Continuous Disclosure Policy, the Company Secretary will be primarily responsible for managing the Company's compliance with its continuous disclosure obligations.

Principles 6: Respect the Rights of Security Holders

The Company's website will also contain information about the Company, including media releases, key policies and the charters of Board committees.

Principle 7: Recognise and manage risk

Risk management policy

The identification and proper management of the Company's risks are an important priority of the Board. The Board has adopted a Risk Management Policy appropriate for its business, which will ensure appropriate systems are implemented to identify material risks that may impact on the Company's business and delegate appropriate responsibilities to control any identified risk. The Policy will also ensure that any material changes to the Company's risk profile will be disclosed in accordance with the Company's Continuous Disclosure Policy.

The Board will be responsible for overseeing and approving the Company's risk management strategy and policies, monitoring risk management, and establishing procedures which seek to provide assurance that major risks to the business are identified, assessed and appropriately addressed. The Board may delegate these functions to the Audit and Risk Management Committee or a separate risk committee in the future.

The Board will regularly undertake review of its risk management procedures to ensure that it complies with its legal obligations. No formal review of its risk management procedures has been conducted for the financial year 2018 because of its early stage in being a listed company

Principle 8: Remunerate fairly and responsibly

Remuneration and Nomination

Under its charter, this Committee must have at least three members, a majority of whom (including the Chair) must be independent Directors and to the extent possible, Non-Executive Directors. Currently, the Committee comprises of all independent non-executive directors being Mr. John Gaffney (Chair), Mr. Tony Lally, and Mr. John O'Shaughnessy.
