

ASX Announcement | 26 February, 2020

CHANGE OF AUDITOR

K-TIG Limited (ASX: KTG) (“K-TIG” or the “Company”), a technology company commercialising an industry-disruptive high-speed welding technology, wishes to advise that following the approval of shareholders at its Annual General Meeting in November 2019, the Company has received consent from the Australian Securities and Investments Commission for the resignation of Stantons International Audit and Consulting Pty Ltd as auditor of the Company.

The Company’s auditors are changed to:

BDO Audit (SA) Pty Ltd
Level 7, 420 King William Street
Adelaide SA 5000

By authorisation of the Chairman of K-TIG Limited.

--ENDS--

About K-TIG Limited

K-TIG is a transformative, industry disrupting welding technology that seeks to change the economics of fabrication. K-TIG’s high speed precision technology welds up to 100 times faster than traditional TIG welding, achieving full penetration in a single pass in materials up to 16mm in thickness and typically operates at twice the speed of plasma welding. K-TIG works across a wide range of applications and is particularly well suited to corrosion resistant materials such as stainless steel, nickel alloys, titanium alloys and most exotic materials. It easily handles longitudinal and circumferential welds on pipes, spooling, vessels, tanks and other materials in a single pass. Originally developed by the CSIRO, K-TIG owns all rights, title and interest in and to its proprietary and patented technology, and has been awarded Australian Industrial Product of the Year and the DTC Defence Industry Award.
