Corporate Update – SciDev Moves off Quarterly 4C Reporting

Highlights

- Given continued positive operating cashflows, SciDev will move off Quarterly 4C cashflow reporting as per the ASX Listing Rules.

Move off Quarterly 4C Cashflow Reporting

SciDev is pleased to advise that it will move off Quarterly 4C cashflow reporting. The change is effective immediately, following robust financial performance over the last two years and the securing of an A\$10M working capital facility through Westpac Bank in HIFY2025.

As a result of the determination:

- SciDev will no longer publish an Appendix 4C Cashflow Report.
- SciDev's next periodic report under ASX Listing Rules Chp 4 will be the Preliminary Final Report (App 4E) due no later than 29 August 2025.
