

Metro Performance Glass appoints a General Manager of People and Organisational Development

Metro Performance Glass Limited's CEO, Nigel Rigby, today announced the appointment of Len Hatton who joins the company this week in the role of GM People and Organisation Development.

Len brings over 20 years' Human Resources experience gained in the FMCG, pharmaceutical, cosmetics, tourism and publishing sectors, most recently spending 6 years leading Human Resources for APN News & Media New Zealand. Len holds a Masters of Social Sciences with Honours from the University of Waikato, majoring in Behavioural and Industrial Organisation Psychology.

Nigel Rigby said, "We are very pleased to have Len joining the Metro Glass Senior Leadership Team. Len brings significant experience in both operations and HR, which will be hugely valuable as Metro Glass continues to develop its people and organisational capability in line with its strong growth."

John Fraser-Mackenzie
Company Secretary & Chief Financial Officer

About Metro Performance Glass

Metro Performance Glass (NZX.MPG; ASX.MPP) is the largest value added glass processor in New Zealand. It produces a range of customised glass products that are predominantly used in residential and non-residential construction applications such as windows, doors, internal partitions, balustrades, facades, showers, mirrors, furniture and splash backs. Metro Performance Glass has national coverage through its 15 sites, including four major processing sites, a fleet of over 260 service vehicles and more than 750 employees across New Zealand.
