Annual General Meeting – Explanatory Notes

These Explanatory Notes have been prepared for the information of shareholders of the Company in relation to the business to be conducted at the Company's AGM to be held on Friday, 16 November 2018.

The purpose of the Explanatory Notes is to provide shareholders with information that is reasonably required by shareholders to decide how to vote upon the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend Shareholders vote in favour of all Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1, 2, 3 are ordinary resolutions, which require a simple majority of votes cast by shareholders present and entitled to vote on the resolution. Resolution 4, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Resolution 1 – Re-election of Mr. Gerald Bullon

In accordance with clause 25.2 of the Constitution, Mr. Gerald Bullon retires and, being eligible, offers himself for re-election as a Director. Mr. Bullon was appointed to the Board in 2013 and is a member of the Audit Committee and the Chairman of the Remuneration Committee.

Mr. Bullon has managed his own Investor Relations Consultancy firm, Insor Pty Ltd, since 1996. During this time, he facilitated several IPO listings on the ASX including Australian Hospital Care, Sigma Pharmaceuticals and Nick Scali Limited. Mr. Bullon is well known and highly regarded in the Australian financial markets with stockbroking companies, institutional investors and Fund Managers. Since 2002 he has consulted to SDI on various assignments regarding investor relations and has an excellent knowledge of the Company and its strategic direction. He is well versed in Corporate Governance and Public Company responsibilities.

Mr. Bullon has worked in senior executive roles in several Public Companies. He is a Fellow of the Australian Institute of Company Directors and prior to coming to Australia in 1968, he studied Accounting and Economics at Strathclyde University in Glasgow, Scotland.

The Directors, with Mr. Bullon abstaining, recommend that shareholders vote in favour of this Resolution.

Resolution 2 – Re-election of Dr. Geoffrey Knight

In accordance with clause 25.2 of the Constitution, Dr. Geoffrey Knight retires and, being eligible, offers himself for re-election as a Director. Dr. Knight was appointed to the Board in 2013 and is a member of the Audit and Remuneration Committees.

Dr. Knight, PhD. is an experienced and world recognized Dental Scientist as well as a practicing Dentist. He has published numerous technical papers related to Dentistry both locally and internationally. Dr. Knight has held senior positions with the Australian Dental Association (Victorian

Branch), Australian Society of Periodontology (Victorian Branch), Australian Society of Dental Aesthetics, the Society of Occlusal Studies, and other professional groups.

Dr. Knight has advised SDI for many years in the research and development of its Composite restorative products including Glass Ionomer Cement projects.

Dr. Knight holds a Bachelor of Dental Science and a Master of Business Administration (MBA) from Melbourne University, a Master of Science from London University, and a PhD. from Adelaide University.

The Directors, with Dr. Knight abstaining, recommend that shareholders vote in favour of this Resolution.

Resolution 3 – Re-election of Mr. Jeffery Cheetham

In accordance with clause 25.2 of the Constitution, Mr. Jeffery Cheetham retires and, being eligible, offers himself for re-election as a Director. Mr. Cheetham founded the Company in 1972 and has served as the Managing Director to 2016 and Chairman since 2017. Mr. Cheetham is also a member of the Audit Committee and Remuneration Committee.

Mr. Cheetham retired from the position of Managing Director on 1 July 2016 and continued in the role as Executive Chairman until 1 July 2017. Since this date Mr. Cheetham has occupied the role of non-executive Chairman.

Over the years Mr. Cheetham has driven the development of an extensive product range which is exported to over 100 countries. He has developed a world class dental manufacturing and product development company that has an extensive global distribution network.

The Directors, with Mr. Cheetham abstaining, recommend that shareholders vote in favour of this Resolution.

Resolution 4 – Remuneration Report

Section 250R(2) of the Corporations Act 2001 (Cth) (the Act) requires that the section of the Directors' Report dealing with the remuneration of directors and key management personnel (KMP) of the Company (Remuneration Report) be put to the vote of shareholders for adoption by way of a non-binding vote.

Broadly, the Remuneration Report details the remuneration policy for the Company and:

- explains the structure of and rationale behind the Company's remuneration practices and the link between the remuneration of executives and the Company's performance;
- sets out remuneration details for each Director and for each executive with authority and responsibility for directing the affairs of the Company; and
- discusses the relationship between the policy and Company performance.

Shareholders can view the full Remuneration Report in the Annual Report which is available on the Company's website at www.sdi.com.au.

Following consideration of the Remuneration Report, the Chairman of the Meeting will give shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. A resolution that the Remuneration Report be adopted will then be put to the vote. The vote on this resolution is advisory only and does not bind the Directors of the Company. However, the Board will take the outcome of the vote into account in setting remuneration policy for future years.

Why you should vote in favour of Resolution 4

The Company's Remuneration Committee has used external benchmarking reports to analyse the remuneration framework of its executives. Based on this data the Committee has determined that the framework is both fair and reasonable to reward and retain its high performing executives. Additionally, the framework seeks to enhance executives' interests by rewarding capabilities, experience and contribution to growth in shareholder wealth. The Company's remuneration policy includes a fixed element to remuneration and an "at-risk" short term (STI) and long-term incentive (LTI) dependent upon performance of the Company and the executives achieving their KPI's.

The following principles are followed by the Remuneration Committee:

- Pay competitive rewards to attract and retain high quality executives, having regard for the following:
 - capabilities and experience;
 - competitive by market standards;
 - reward executives for achieving Company and business targets; and
 - align the interests of the executive with those of shareholders.
- Remuneration paid to the executive group should reflect industry and market conditions.
- Remuneration paid to the executive group needs to include some 'at-risk' component to align with market best practice.
- Exceptional performance-based remuneration will be available and paid by exception and at the discretion of the Board.
- Performance measures associated with incentives should be challenging and achievable, with KPIs that are linked to factors over which the executive has control, but which are not easily manipulated.

The Board is satisfied that the executives are remunerated adequately according to performance, position responsibilities and market rates.

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this Resolution.
