

## **SALE OF K20 MINERALS PTY LTD**

**Trigg Minerals Limited** (ASX: **TMG**; OTCQB: **TMGLF**) ("**Trigg**" or the "**Company**") is pleased to advise that the Company has entered into a Binding Heads of Agreement for the sale of all the shares in K20 Minerals Pty Ltd, the wholly owned subsidiary of Trigg that holds the Lake Throssell tenement.

The purchaser, 1269280 WA Pty Ltd, an unrelated party, has agreed to acquire 100% of the shares in K20 Minerals Pty Ltd for a total consideration of \$61,600, which will be used for working capital. Completion of the sale is expected to occur 14 days from the date of this announcement.

The sale of K20 Minerals highlights the Company's focus on the Achilles Project, which contains the Wild Cattle Creek deposit. The globally unique Wild Cattle Creek deposit contains a Mineral Resource Estimate<sup>1</sup> of 1.52Mt at 1.97% Sb, containing 29,902 tonnes of antimony. This project is Trigg's flagship asset and the primary focus of the Company.

This announcement has been authorized for release by the Board of Trigg Minerals Limited.
