## SciDev secures a \$10m Finance Facilities Package with Westpac

### Highlights

- SciDev has executed a \$10m finance facilities agreement with Westpac Bank
- Attractive commercial terms provide balance sheet flexibility to drive future growth

**SciDev Limited (ASX: SDV)** ("**SciDev**", or the "**Company**") is pleased to announce that it has secured a finance facilities package of up to \$10m with Westpac Banking Corporation ("**Westpac**"). The finance facilities provide SciDev with additional balance sheet flexibility and is a strong endorsement of the Company's sustained financial performance and future prospects.

The package includes a revolving working capital facility, an equipment finance facility and a three-year amortising facility. The package is at variable interest rates (currently 6.31% with customary fees), has a three-year term and is secured over all assets of the Company and various other companies within the SciDev group. This finance facility agreement follows an extensive period of due diligence by Westpac.

SciDev CEO Seán Halpin said "*Securing a finance facility with a Tier 1 Australian bank is a significant milestone for SciDev. SciDev is generating positive cash flow and has a solid financial position but as a growth company this Westpac finance facility package will provide us with the flexibility to continue our growth trajectory whilst maintaining an efficient and robust balance sheet.*"

"*I would like to acknowledge and thank Westpac for their cooperation and support throughout the process. We are delighted to partner with one of Australia's premier banking institutions and look forward to a long and mutually rewarding relationship with Westpac.*"
